Prayer by Rev. Reisdorf, of Miltonvale, Kansas.

Sister Cox spoke briefly of the anticipated missionary enterprise in Australia, and suggested a fasting and prayer league for the work.

Male quartet number, "When You Know Jesus, Too."

Rev. Cox gave a message on the theme, "Called of God," using as a text the verse at John 15:16. He outlined it thus—

The Unworthy Servants; The Gigantic Task; The Mighty God.  
An offering of about \$200 was received to help buy equipment to take to Australia.

Mrs. Reisdorf sang, "Guide Me, O Thou Great Jehovah."

## REPORTS

Report No. 1

### THE CONFERENCE PRESIDENT

To the Members of the Champlain Conference, Greetings:

Through the tender mercies of God, we come together on this 106th session of the Champlain Conference.

God has been good to us through another year and blessed in the different churches of the Conference and in the individual lives of the members.

We have reason to thank God for the way He has helped in some of our newer churches and for His oversight of the older ones.

We are happy to announce that in almost every church there has been at least one revival meeting and, in some, as many as three. There are a number of people among the bounds of our Conference today who have an experience in grace who, a year ago knew nothing of the Grace of God. We humbly thank God for this. This is the main issue of our church and Conference.

God has seen fit to help us in a material way, so that pastor's salaries have been increased a goodly degree to meet the rising tide of living costs.

A number of church buildings have been erected, such as, the parsonage at Springfield; church and parsonage at Ticonderoga; Sunday School rooms at Brant Lake and an acquisition of a church and parsonage at Canaan Hill. Also, repairing old buildings and plans for other activities along this line. Some new furniture has been installed in several churches.

Our Conference paper, the Challenger, has been serving a needy place and its field of usefulness is constantly growing. We appreciate the efforts of Bro. Lewis in this line.

Our appreciation is very deep indeed to the men who sacrificially and freely gave of their services, in the work on the Camp Ground this spring. This is only one of the ways the ministers of our Conference demonstrate their devotion and loyalty to the cause of God in the bounds of our own Conference.

It is with satisfaction that we recognize the increasing interest and diligence of the Pastors in filling out and returning their quarterly blanks to the president. This we feel to be an important link in the chain of our success as a Conference. We strongly recommend the continuance of the pastor's quarterly reports.

## THE CHAMPLAIN CONFERENCE

Report No. 3

### REPORT OF COMMITTEE ON RESOLUTIONS

1. The Wesleyan Methodist Church of America is the harbinger of the Gospel of Jesus Christ, which is the Power of God unto Salvation. There are millions within this Conference area that need to hear and heed this Gospel. God has brought our denomination successfully through the trial of a century which began on the crest of revival and has now closed in the trough of the great apostasy. Our Church is true and sure because God is with us. We still believe that "The World is our parish," and that our message is "Christ, and Him Crucified," to be preached to every creature. Our Lord is at hand.

The opportunities before us are unprecedented. Hundreds of villages and cities are without Christ; ten churches, with a combined membership of over 200, have been added to the Conference in the last ten years; many people have been saved in our churches; young people are training for the ministry and pressing us for fields of service; the social emphasis of the modernistic pulpit has caused a want for the Gospel of Saving Grace; Godly and able men lead us; our denominational cry is "Forward with a Fighting Faith;" it is necessary and expedient that this body enact progressive legislation to meet this challenge for Church Extension.

2. Therefore, Be It Resolved:

- (1) That we call upon God to lead us in this crucial hour.
- (2) That we strengthen the tie that binds us with fervent Christian Love and deserved appreciation for our denominational and Conference officials, the staffs of our schools, our ministerial brethren, and our laity.
- (3) That we actively cooperate with everyone who is working to advance the work of the Church of Jesus Christ.
- (4) That we awake to the wiles of the Devil to separate the forces of Christ by confusing the major and minor issues.
- (5) That we become increasingly aggressive in our evangelistic labors in the Sunday School, DVBS, Missionary services, house to house evangelism, village street preaching, organizing family altars, etc.
- (6) That we maintain the standards of our church, and strive for a deep spiritual tone in our churches. even if it costs numerical recession. Numbers count, but we will not serve under statistical pressure.
- (7) That this Conference set up a financial system to meet the President's Salary requirement. and to insure safe and steady Church Extension.

Committee: A. M. Lamos, H. Earl.

#### REPORT OF THE TITHING SECRETARY

Mr. President, and Members of the Champlain Conference:

Greetings in the name of Him who is not only able to save us, but keep us.

It has indeed been a pleasure to serve you and God this year, as Conference Tithing Secretary, and with you preach the blessed Word, for the late Rev. E. W. Black says that it is just as important to preach Tithing as Holiness. Tithing is Scriptural, it is God's plan to finance the project, so that Regeneration and Sanctification, as well as all other themes of the Bible may be preached. When we honor God with our substance, especially the tenth of our increase, which is Tithing, He will honor us with many a blessing. If I were to call for testimonies in regards to this matter, I could literally have thousands who would agree that it is a fact. Tithing is not only according to the Bible, but according to the Discipline of the Wesleyan Methodist Church, for our Church recommends Tithing, not only Tithing, but Storehouse Tithing. We have many churches in the Champlain Conference that have given the Storehouse Plan a good trial and found that it certainly is a working financial plan.

The past year I traveled about twelve hundred miles and visited many of our churches, where I was graciously received and where I enjoyed presenting the subject of Tithing. This year the pastors reported five hundred and sixty-six tithers in our Conference, which is

## THE CHAMPLAIN CONFERENCE

an increase of fifty over last year. They also reported about eleven or twelve churches on the Storehouse Plan. To help in this work I have on hand as always, a good supply of literature on Tithing and the Storehouse Plan by authors who have delved into the matter.

Respectfully submitted,  
Gerald R. Hewitt

## SUNDAY SCHOOL SECRETARY'S REPORT

The average Sunday School attendance in the Champlain Conference (and it is one of the three important points toward which we should strive) has increased from 621 in 1925 to 1365 in 1947 (I trust this year will be even better), and from 25 Sunday Schools in 1925, we now have 34. Finances have also made a remarkable showing, total raised, in 1925 was \$294 and in 1947 it was \$4663, doubtless many of these last mentioned dollars went into missions, church extension, Hephzibah, etc. Isn't this a remarkable record? It could have been even better IF ALL had worked as zealously as several, (pastors and laymen—young and old) have done.

Those other two points mentioned above (beside average attendance) are (a) increased effectiveness in teaching, and (b) actually

## *THE CHAMPLAIN CONFERENCE*

---

winning them to Christ and the Church. To do this a "Training Class" AND monthly "Workers Meetings" will very greatly aid you. Properly watching the records will also help. Check the absentees, follow-up, get new recruits, constant planning, are essential to "get places." In small towns and communities, a complete survey—with frequent checks—is highly profitable. In larger Towns and cities, contacts must also be made, usually through your members who are alert to their responsibilities, and other ways you can learn.

About those quarterly reports. "Believe it or not," but they do help, I am convinced. During the last several years there appears to be just ONE miss from 100 per cent—One school missed once. Conference folks do read those reports, sometimes I make mistakes in copying the record and am I corrected? Glad of it, Thanks.

Other things that should be considered are (I) Uniformity, in (a) elections—when held—see Discipline, Par. 165, page 91 and 333 & 334. (b) in counting average attendance. Enrollment, new scholars admitted after 3 Sundays consecutive attendance, dropped when removed from the community, unless away to school or college, etc.; or when joining another Sunday School, or when absent for 3 months. The average attendance is not of course based on enrollment, however we should strive for 100 per cent average attendance based on enrollment. Check that enrollment at least quarterly. No one should be counted present when they are not, in the totals and average. That means whether at Conference or in some other Sunday School. The individual should receive credit on his or her personal record. In cases of severe storm, epidemic, etc., when the Sunday School is closed do NOT count it in taking your average. Let's start the new Conference year together in these things.

II. Have a goal and "press toward" it. Whether you have 10, 50, 100 or more have a determination to make a gain. Sure "circumstances alter cases," some communities lose a large per cent of their enrollment by big families moving out, BUT you may not know that yet, so disregard it and have a goal. What will you try to gain in average attendance this Conference year? Of course, planning, practicing, and presenting a program is bound to give someone a "head-ache," let it be known it may, and likely will, mean work and sweat and tears, but it ALL does count for the Lord IF we keep prayer sweet, for oftentimes we make contacts that mean "another soul for Christ and the church." Isn't that what we want to do?

III. "Bring them in." Get pupils converted AND joining the church, as associates at first and in accordance with our Discipline, as active members later, and regardless of age, financial condition or previous conditions. Sometimes apples rot, but we still gather apples if we have the opportunity. They (converts and apples) will surely not "turn out good" unless gathered.

### THE CHAMPLAIN CONFERENCE CHALLENGER

Another Conference year has gone. Another year of the Conference paper, the last two being on monthly basis. It seems that this project has been a very good one. It keeps us informed of what is being done, under God, in this Conference. The publication costs have increased a little, but the subscription rate the Conference voted last year, helped us pay all expenses, the annual number (of 1000 copies), a lift on Conference and Camp Meeting advertising, and we still have a small balance.

There is a fine spirit prevailing throughout the Conference. We can keep it thus if we pray, guard well what we say and do, and show a loving spirit toward one another and toward all Christians; also a sincere concern for the unsaved. New recruits are becoming interested, let's also keep the present (and former) members alive in Christ.

Regarding "The Challenger" there are two features that should be given more opportunity to work. A monthly, or regular, "slate" of revival meetings being held within the Conference. Just taking the time to write the Editor, and the Editor checking more closely, that the dates of such meeting are printed. Can we do that? And we also need more pictures, of new churches, parsonages, Conference grounds, District rallies, Youth meetings. Of course that costs money, but an extra 100 subscriptions would do it nicely. Send in your subscription money early, and often. We now have a subscription list of 438, 10 exchanges, and 22 complimentary a total of 470.

## **THE CHAMPLAIN CONFERENCE**

### **THE W. Y. P. S. CONFERENCE**

As result of the invitation extended to the young people last year, we accepted to join with the general body in their Conference session on Saturday afternoon as an order of the day. Due to pressing business on both sides it was decided that our young people adjourn to the smaller tabernacle.

The meeting was called to order at 2:00, Saturday, July 3rd, by our president, Rev. Elton Seaman. Roll call was given of delegates, local society presidents and the Conference young people's officers. The bar of conference was voted to be the first six rows of seats. Our area president, Rev. Edwin Seaman, became a member of Conference.

The reports of the Conference treasurer and president were read and accepted. The minutes of last year's session were read and approved.

Election of officers became the following:

President—Rev. Elton Seaman  
Vice-President—Rev. Harris Earl  
Secretary—Kathryn Rigsbee  
Treasurer—Helen Beswick  
Reporter—Shirley Elliott

The motion was made and carried that Shirley Elliott write up the minutes of the Conference with a suggestion that each society send information each month to her to report to the Conference "Challenger."

The following are the Conference districts:

1. Capitol district.
2. Tri-County district.
3. St. Lawrence district.
4. Northern district.

The election of officers was submitted to the general body and approved.

Aldis Lamos became the Conference Board on Church and Parsonage Building and Location and Church Extension.

The following are the rules for winning the plaque:

1. Youth subscriptions—based on active members.
2. Pioneer fund—\$1.00 per active member.
3. Connectional dues—50 cents per member.

The motion was made and carried that stationery be printed to be used by Conference officials.

It was voted that the districts elect their own Chairmen at their first district Youth Rally.

We discussed having a Youth Week which would be strictly for youth during our annual Conference and Camp Meeting. This was in favor of all.

The dates for the Houghton Area Youth Convention are September 2-5. Our own Youth Camp is August 9-12. The workers for our

Camp will be Rev. George Failing and Edwin Wallace. The registration fee is \$4.00 with an offering from each local society.

It has become a standing rule that the Conference treasurer will close her books one week before Conference.

The motion was made and carried that all visiting members of our Conference or other Conferences and Churches in harmony with our principles shall be invited within the Conference bar.

A Statistical Committee was appointed consisting of Dorothy Earl, Kathryn Rigsbee and Anna Verhide.

Suggestions were made to finance a nurse for the grounds. A motion was made and carried that the Conference W. Y. P. S. buy First Aid equipment for the camp. We would like to recommend that the Camp Meeting Officials obtain a nurse from our own church for the length of the session.

The motion was made and carried that the profits from last years refreshment stand be used for recreational equipment.

It was voted to adjourn.

Respectfully submitted,

Kathryn Rigsbee, W. Y. P. S. Secretary.

## REPORTS

### W. Y. P. S. PRESIDENT'S REPORT

To the Champlain Annual W. Y. P. S. Conference convened at West Chazy Camp Grounds, July 3, 1948, Greetings:

One year ago today, less one week and two days, this scribe was ruthlessly wrenched from an office which he had held for several years, i.e. Treasurer of the Conference W. Y. P. S., with which he was at last becoming quite familiar, and upon his shoulders and heart was rolled the load of serving in the capacity of President of that select group, which office was left vacant by the resignation of the previous President due to his promotion to an office of greater responsibility.

The office to which you elected me was approached with much trepidation, and I felt constrained to go often to my Great Commander for wisdom and guidance. I sincerely believe He has lead throughout the year, for it has been a time of growth and achievement, and I am sure that much of the reaping has been the result of previous sowing.

Since the rise of our last Annual Conference there have been five new Societies organized, and at least one more that is organized, but not quite in accordance with Disciplinary requirements. This makes a total of twenty-five organized Societies, leaving only eight churches without officially recognized Societies. Let us pray and strive to the end of 100 per cent total organization in the coming year.

Throughout the Conference there have been several excellent District Rallies, some of which it has been my great pleasure to attend and address. These gatherings have been gracious times of fellowship and inspiration. I would also like to speak a word of appreciation concerning the Youth Week Reports which brought to our attention the wonderful forward movement among our Churches when our Youth undertook activities that will be fully recognized and appreciated only when the records are opened at the Great Judgment Day.

Your Treasurer, authorized by your Executive Council, has placed \$300.00 in cash at the disposal of the proper Conference officials for use in the great work of extending the Kingdom of God within our borders. Thank God for His marvelous blessings. We are looking to the future, and the God of the future, for even greater things in the days yet unborn.

Let me, at this point, utter a grateful "thank you" to all who have helped to make this year a success; for the splendid cooperation of Pastors and People; for the excellent work of the District Chairmen; and for the loyal support and earnest efforts of our host of Champlain Conference Youth.

In the year ahead, upon whose troubled waters we are about to launch if Jesus tarries, let us go "Forward With a Fighting Faith."

Respectfully submitted,

Elton Seaman, President.

Whereas—Our beloved Zion needs to be on the alert for God;

Be it Resolved—That, as members of this society, we pledge our-

#### PLAN OF WORK

We recommend that each local W. M. S.:

1. Have regular monthly meetings, at which we urge the use of missionary programs, (study books and missionary papers are good sources of material for this) along with prayer and business.
2. Observe special days with appropriate program.
3. Endeavor to secure every woman of the congregation and any other interested person as a member, and to enlist the men as honorary members and co-workers.
4. Form an active prayer partner group with a prayer partner secretary to keep records of same and report to Conference Corresponding Secretary.
5. Elect officers who are subscribers to and readers of the "Wesleyan Missionary" and the "Wesleyan Methodist." Endeavor to have the "Wesleyan Missionary" in every home.
6. Continue sending good usable clothing, notions, pictures, medical supplies to our Home Missionaries, cheerfully accepting the value set by the workers.
7. Send to Conference, articles prepared for our Home Mission stations to be displayed for our mutual interest and inspiration. These things to be received, arranged for exhibit, and packed for mailing at close of Conference by a committee which shall be appointed at first session.
8. Continue contributions of canned goods and other supplies for the Camp.

## WESLEYAN METHODIST CHURCH

9. Send a correctly balanced, complete statistical blank with delegate to be presented to the statistical committee at the first session.

10. Send delegate's credentials to the Conference Missionary Secretary at least one week before the Conference convenes. (See form No. 438 of Discipline.)

11. Send at least ten cents per member to the Conference Treasurer not later than May 1st, for the fund for cleaning dormitories and Association cottages, which work shall be under supervision of our Committee named for that purpose.

12. At a meeting before Conference, elect officers for the coming year, including a magazine solicitor and a delegate, (other than church delegate if possible), whose room and board shall be provided for Conference week. Instruct their delegates how much to pledge for missions. (Each Band also should be prepared to make a pledge).

13. Receive from their delegate a clear and comprehensive report at the first meeting after Conference.

14. Send the equivalent of ten cents per member, per month, to the Conference Treasurer quarterly for pioneer work in the Conference.

15. Elect a mission study secretary, who will form a "Mission Study Class," keeping a record of all reading and study work done, and reporting statistics to the Conference Mission Study Secretary each quarter.
