The Conference voted that this be handed down to the local churches and that each church vote on this amendment during the month of October 1951. The amended Article of Religion is as follows:

The Sufficiency and Full Authority of the Scriptures

The Holy Scriptures contain all things necessary to salvation; so that whatsoever is not read therein, nor may be proved thereby, is not to be required of any man, that it should be believed as an article of faith, or be thought requisite or necessary to salvation. In the name of the Holy Scriptures, we do understand the books of the Old and New Testaments. These Scriptures we do hold to be the inspired and infallibly written Word of God, fully inerrant in their original manuscripts and superior to all human authority.

The canonical books of the Old Testament are:

Genesis, Exodus, Leviticus, Numbers, Deuteronomy, Joshua, Judges, Ruth, I Samuel, II Samuel, I Kings, II Kings, I Chronicles, II Chronicles, Ezra, Nehemiah, Esther, Job, Psalms, Proverbs, Ecclesiastes, The Song of Solomon, Isaiah, Jeremiah, Lamentations, Ezekiel, Daniel, Hosea, Joel, Amos, Obadiah, Jonah, Micah, Nahum, Habakkuk, Zephaniah, Haggai, Zechariah and Malachi.

The canonical books of the New Testament are:

Matthew, Mark, Luke, John, The Acts, The Epistle to the Romans, I Corinthians, II Corinthians, Galatians, Ephesians, Philippians, Colossians, I Thessalonians, II Thessalonians, I Timothy, II Timothy, Titus, Philemon, Hebrews, James, I Peter, II Peter, I John, II John, III John, Jude and Revelation.

Psalm 19: 7; Luke 24: 27; John 17: 17; Acts 17: 2, 11; Rom. 1: 2; 15: 4; 16: 26; Gal. 1: 8; I Thess. 2: 13; II Tim. 3: 15-17; Heb. 4: 12; James 1: 21; I Peter 1: 23; II Peter 1: 19-21; Rev. 22: 14, 19.

Auditing Committee—The Conference voted that it become a standing rule that the Conference President appoint the auditing committee each year in sufficient time before conference that it can audit the books of the treasurers before conference.

The Spartanburg District Committee on Ministerial Meetings gave a verbal report.

Secretary—Rev. J. B. Hilson (vote—82 of 93 first ballot).

During the Conference of 1950 V. A. Mitchell was elected to the Local Board of Managers of Central College to fill the vacancy caused by the resignation of P. C. Standing Rules and Resolutions

1. That no member of the Conference shall have his character passed who fails to carry out all the rules and orders of this Conference, unless providentially hindered, except upon a three-fourths vote of the body.

2. That we affirm our faith in the soundness of the position taken by The Wesleyan Methodist Church of America in denying any of its members membership in any secret society. Hence we as a Conference require that our pastors and churches shall not elect, or suffer to be elected, superintendents if they hold membership in secret societies.

3. That we earnestly urge all our Licentiates not receiving any appointments to pastoral or evangelistic work to preach at least once a month, and also to hold if possible a two-weeks' revival during the year.

4. That no person be licensed to preach who does not tithe his income; that all our licentiates be required to faithfully tithe their income; and that the license of no preacher be renewed, who fails to tithe.

5. That it is the sense of this Conference that our houses of worship shall not be opened to any evangelist or minister of any other Church to hold a series of meetings or to maintain a regular appointment for another congregation; provided, however, that usual denominational courtesies be extended to other ministers in occasional appointments.

6. We recommend that all charges and stations to which the pastor moves pay the moving and transportation expenses of said pastor, the same to be done in addition to his salary.

7. That the pastors be required to raise their Minute Money and send to the Conference Treasurer within sixty days after they receive their Minutes.

8. That this Conference elect a Tithing Secretary, as provided for in our Discipline, whose duty it shall be to visit each charge at least once a year, if possible. Each church visited shall raise at least the traveling expenses of the Secretary at the time of his visitation.

9. That each local church or charge elect a Tithing Secretary, whose duty it shall be to thoroughly canvass the membership of the church or charge each quarter and labor most carefully to induce each member to strictly tithe his income and to place the same in the church treasury for the purpose of meeting all the claims of the church, both locally and generally. The Secretary shall report at each Quarterly Conference the percentage of the membership who are tithing in keeping with this plan, the percentage who are giving in other ways, and the percentage who are not giving at all. Each pastor and church shall co-operate with these Secretaries in every possible way in order to make the entire membership of this Conference strict tithers.

10. That we as a Conference put forth every possible effort through education, pulpit, preaching, voting, and other means to advance the cause

of temperance and to secure legislation for abolishing the sale of beer, wine, and whiskey for beverages.

11. That the Trustees of the South Carolina Annual Conference, together with the President of the said Conference, be and they hereby are empowered to execute all necessary papers, mortgage deeds, and papers of a like character, when necessary to secure loans to the South Carolina Annual Conference or to any church needing funds to liquidate Conference, church, or parsonage indebtedness, provided that the party or parties requesting such action shall set forth in writing the true nature and purpose for which the loan is requested (this writing is to become a part of the permanent records of the Trustees) and that the Trustees and President of said Conference are satisfied that the object for which said loan or loans is sought is both necessary and desirable. And the Trustees of said South Carolina Annual Conference are also hereby empowered to sign any or all deeds and papers for the transfer of real property that is now or hereafter may be held in trust by said trustees, where the sale of Conference, church, or parsonage or other real estate has been approved or authorized by the President of the Conference with the concurrence of his entire Advisory Board.

12. During the interim of Annual Conference the Missionary Board shall be duly authorized to draw on the funds for Conference Work, and Conference Missions, as it deems best for the interest of the Conference, and the Treasurer shall be authorized to make payments from these funds upon written order signed by the President and at least one half the other members of the Missionary Board, or signed by the President in behalf of the Missionary Board.

13. Any church which engages in a building or remodeling project or which purchases a parsonage, church building or a lot on which a church or parsonage is to be constructed, regardless of whether the property is to be owned by the local church or the Conference, is required to have the plans approved by the Conference Board on Church and Parsonage Building and Location.

Any church which secures aid from the Conference must have its property deeded to the Conference Trustees, as is required by our Discipline; and any church which engages in a building or remodeling project must have the plans approved by the Conference Board on Church and Parsonage Building and Location, according to the requirements of our Discipline, if said church is to receive aid from the Conference for these building projects.

14. All pastors shall have their Statistical reports in the hands of the Statistical Committee by 8:00 a. m. Wednesday of Conference.

THE SOUTH CAROLINA CONFERENCE

policy of this Conference to ordain only those ministers who have passed the course of study as required by our Discipline.

17. Each charge should give its pastor the privilege of being away from his church, or churches, for two meetings per year, and no pastor is to be away from his charge for more than two meetings per year without a vote of his church, or charge, giving permission.

18. All officers and committees shall take up their duties at the close of the sitting of conference in which they are elected.

19. Conference shall convene each year on the Tuesday nearest July 15.

20. The books of the Conference Treasurer shall close two weeks before Conference.

21. The Conference Secretary shall be the Committee on Credentials.

22. Mr. Talmage Evatt, Treasurer of the South Carolina Conference of The Wesleyan Methodist Church of America, or his successor, is authorized to sign United States bonds held by the South Carolina Conference of The Wesleyan Methodist Church of America.

23. When a church engages in a building or remodeling project at least one-half of the estimated cost of the project must be on hand before said project is undertaken unless other satisfactory arrangements are made. If other arrangements are made the Board of Trustees must approve them before they are considered satisfactory.

24. A church which is not on a charge with other churches may keep only one record book for church and quarterly conference records and the Church Clerk serve as Quarterly Conference Clerk.

25. The President shall appoint an Auditing Committee in time for it to audit the books of the treasurers before Conference.

Reports of Committees

Report No. 1

PRESIDENT'S REPORT

It is with a sense of gratitude to God that we are permitted to report to the fifty-ninth session of the South Carolina Conference. It has been a year of hard work, many activities, and numerous decisions. In all of our activities we have sought to please the Lord, be fair to all, and work for the best interest of the conference at all times. To this end we have not spared our time and strength. We are not satisfied with the service rendered, and must beg your forbearance with it. However, the motive, intention, and passion of our heart has been to do our duty as God gave us light to see that duty. We thank you for your patience and help in promoting the work. We do not deserve, nor desire, any praise for what has been accomplished. The efficient and faithful work of both laymen and ministers enable us to report that this has been a year of progress in every way. The records will reveal that this has been an all-time high in most every field. The finances of the conference are in the best condition for some time. The spiritual life of the conference is improving. The revival fires that are burning in several churches are seeping out into the communities and bringing many people into the Kingdom and church. Doctrinal preaching, strict adherence to the old fashion principles of our fathers, a walking in the light, dwelling in the unity of the Spirit, and a spirit of prayer and soul travail will assure us of a Conference-wide revival.

While this has been a year of victory and progress we have likewise suffered a loss in the home-going of one of our loyal ministers, the Rev. C. W. Nalley on December 12, 1950, who served faithfully, humbly, and without earthly reward. A number of our good laymen have gone to be with Jesus since we last met, among whom was Sister Woolbright, a charter member of the conference. This is a warning and a challenge to us who remain.

Improvements

This has been a year of improvements on our property. **Anderson** re-decorated the parsonage inside and the woodwork on the outside, and laid a new carpet in the church. **Clemson** is to be congratulated for completing their beautiful stone building with only a small indebtedness. **Carlisle** added to the beauty of their auditorium by a hand-painting of Christ in the Garden. **Central, First** redecorated the parsonage and added several parsonage utilities. **Columbia** installed new pews, improved the arrangement of the pulpit, and installed a new heating system. **Easley (Ariail)** is to be commended for re-roofing the church, adding two new Sunday school rooms that can be used to increase the size of the auditorium, re-decorating the inside of the church, brick-veneering the entire building,

and beautifying the church lot. **Easley (First)** redecorated the church and parsonage inside and out, installed rest rooms and a pastor's study in the church, and installed a Hammond organ. **Easley (Glenwood)** completed their Sunday school rooms, redecorated the inside of the parsonage. **Eden** redecorated the outside of their church. **Florence** redecorated the inside of their parsonage, purchased a power-drawn lawn mower, and installed an oil heater in the parsonage. **Fountain Inn** installed rest rooms, re-arranged their Sunday school rooms, installed fluorescent lights, redecorated the inside of the church, built a brick entrance to the church, and bricked the entire front of the building. **Gaffney** sold all of their former property, except the lot at Thickety Creek, and applied the proceeds on the church building purchased in a better location. There has been some progress made under the leadership of their pastor, Rev. A. E. Belk. **Glenville** installed a bath room and redecorated the parsonage. **Golden Grove** purchased a new piano. **Greenville, First** redecorated and made other improvements on their parsonage. **Greenville (Woodside Avenue)** paid off the last cent of their indebtedness in 31 months, which was under mortgage for 139 months, thus saving a considerable sum in interest. The sacrificial and efficient labors of Sister Stamey, and the help of the people of the church, are deeply appreciated, and they are to be highly congratulated for this unbelievable feat. They now have \$500.00 on hand to build Sunday school rooms. **Greer** is building about what is equivalent to a new church which will be one of the nicest in the conference. They also redecorated the parsonage on the inside. **Greenwood** has finished two new Sunday school rooms and laid a new carpet. **Knighton Chapel** re-roofed their building, installed a gas furnace, put celetex over head, and under pinned their building. **Laurens** installed a gas furnace. **Liberty** has built Sunday school rooms in the basement of their church. **Lyman** purchased a new piano, new pulpit furniture, refinished the inside of the church with celetex and sheet rock, refinished the floors, re-roofed the building, and veneered the church with asbestos shingles. **Mount Calvary** installed better pews, moved the church back from near the highway, underpinned the building, built four Sunday school rooms in the basement, leveled up the yard, and paid a full budget. Congratulations to pastor and people. **Oakway** installed a gas heating system. **Pelzer** installed a new furnace and added some utilities in the parsonage. **Pickens View** installed new pews and laid a new carpet. **Piedmont** purchased a new piano and installed new pews and pulpit furniture. **Rock Bridge Mission** has "hulled in" their building and are now worshiping in it. **Rock Hill** is veneering the church with asbestos shingles. **Smith Chapel** paid off all their indebtedness and re-dedicated their building. **Welcome** has installed a gas heating system. **Whitmire** treated their church and parsonage for termites and re-roofed the Sunday school rooms. They also have again shown their interest in the extension work of the conference by purchasing a fine lot in a good location in the Oakland Community of Newberry. It is envisioned that a

class will be organized there and a church erected on this lot. They supported the tent revival we conducted there in June by their presence and finance. By this and the loyal support of the people of the Oakland Community the meeting was held without cost to the Conference. Much good was accomplished and Brother Funderburk, who is in charge of the cottage services being conducted there, reports good attendance and interest.

Recommendations

1. That more business-like and safer methods be employed in the book-keeping system in local churches in order to protect the church treasurer as well as the church. In order that this be done I recommend, where deemed advisable and feasible, that a part or all of the following plan be followed:

(a) That an assistant treasurer from the board of stewards be elected who shall count the money along with the church treasurer and shall keep a record of all money received.

(b) Where banking facilities are available that all disbursements be made by check.

(c) That all treasurer's books be audited quarterly.

Report No. 4

MISSIONARY BOARD, 1950-1951

1. After the death of Rev. C. W. Nalley, who was pastoring the Buck Creek and Fellowship Churches the board noted to appoint Miss Gertrude Farmer to the Buck Creek Church, salary to be the same as was paid Rev. Nalley. The Fellowship Church requested that Rev. H. M. Stewart be placed at this church which request was granted.

2. At the urgent request of Brother J. B. Hilson the board made a trip to the community of the atom plant looking out for some locations for future Wesleyan Methodist Churches, but made no definite plans for such.

3. On March 27, 1951 the Missionary Board made a trip to North Charleston to make a survey of conditions at that place. We found the church building very badly in need of improvement if we ever expect to make an impression on the people. By vote we recommended that the Conference trustees negotiate a loan for this purpose. These plans are still in the making.

At the same time we voted to accept the offer of trustees of Smokey Mountains Tabernacle in conveying same to South Carolina Conference. Also during this year we voted to pay Rev. A. E. Belk the fifty dollars per month for the two months he served the Gaffney Church before moving to same, this action was taken in view of the fact that he had made several long trips to Gaffney in looking after the work and looking for a house to live in.

During this year we made Rev. F. H. Pressley a promise to pay the Fountain Inn Wesleyan Church a sum equal to the amount of their budget for Conference Missions, provided they raised a full budget. This they did and the check has been mailed them. This to be used on their building improvements.

Near the beginning of this year, at the suggestion of Brother Shigley, the Board and Trustees negotiated a loan to take care of the indebtedness

of the North Charleston Church, and at his suggestion, his help from the Board was reduced to \$25.00 per week in order to take care of the loan.

EDUCATIONAL COMMITTEE

In this age when godlessness abounds on every hand and threatens to engulf our youth it behooves us to offer them the safeguards of the care of the church and, if possible, the privilege of an education in a Christian school in a dominantly Christian community. To that end we urge the people of the South Carolina Conference to give their full support to the work of Central College and to do all they can to maintain a close contact with the school. Therefore it is recommended:

1. That each church elect an educational secretary and form an educational committee if they have not already done so. (See Paragraph 254 of the Wesleyan Methodist Discipline.)

2. That the pastor of each church send the conference educational secretary the name and address of the church educational secretary.

3. That each church educational secretary secure the co-operation of the local church educational committee and the conference educational secretary in arranging for gospel teams from Central College to visit the local church several times each year.

We call attention to the fact that each church which raises a full educational budget and sends at least one student per twenty-five members to Central College will be placed on the Central College Honor Roll and will be awarded a suitable banner for display with a certificate signed by the college president and the chairman of the Board of Trustees. We urge the churches of the South Carolina Conference to strive to qualify for this honor.

We wish to express our appreciation and commendation for the churches which have fully paid or over-paid their educational budget. The following churches paid more than their educational budget apportionment:

Cateechee	Eden	Lyman
Central, First	Glenville	Pelzer
Central, Second	Greer	Whitmire

THE SOUTH CAROLINA CONFERENCE

The following churches paid their educational budget in full:

Alice	Fountain Inn	Mount Olivet

Report No. 10

MEN'S FELLOWSHIP SECRETARY

A worthy goal for our conference would be an active Men's Fellowship in every church. At the present time there are only eight organizations. Surely each pastor realizes that if ever help is needed in our missionary enterprise it is now. With the startling figures before us that three-fifths of the world's population has never heard the name of Christ, let me urge that we invest our all in making Him known. The time is too far spent for us to delay action further in using every worthy means to promote the interest of our church.

It would be well for every pastor to begin the new conference year by organizing a men's fellowship. We have no time to lose.

Our Publishing House will be glad to furnish information or literature needed in the perfection of this endeavor.

J. B. Childs, Secretary Men's Fellowship

BOARD ON CHURCH AND PARSONAGE BUILDING AND LOCATION

We the Spartanburg District Board on Church and Parsonage Building and Location submit the following report.

On October 19th, 1950, we went to Gaffney and examined the church building and location. We feel that the church building and location will

be a great asset for the Gaffney Church and go on record approving said church building and location.

We met at the Greer Church and went over plans with the Greer Church building committee and trustees in regards to the wonderful improvements of the Greer Church and we go on record approving said new church building.

Respectfully submitted,

V. A. Mitchell,
John T. Chandler,
Charles M. Elrod.

Report No. 12

TITHING SECRETARY—GREENVILLE DISTRICT

I have visited a number of the churches of the District. We have met with the officers and teachers of the church and Sunday school asking them to join with their pastor in teaching and preaching and ever keeping before the church the truth that the tithe is the Lord's. Also that this is God's way and method of financing the work of His Kingdom.

In checking the minutes of last year, 1950, I find that only one-third of the membership of the churches of the Greenville District are tithing. We should not be satisfied with less than fifty percent of the membership tithing.

If we love God as we say we do and if our all is on the altar, we will find it easy to honor God with our tithe.

If the church will follow God and honor Him with the tithe we can easily finance the work both at home and abroad.

Respectfully,

C. R. White

3. The Y.M.W.B. dues are fifty-five cents (55¢) for our Conference. The fifty-two cents (52¢) is to be used for foreign missions, one cent (1¢) desk expense and two cents (2¢) for General Conference travel expense of the Y.M.W.B. Superintendent.

4. The annual report blanks must be in the hands of the Conference Statistician by July 1st of each conference year.

5. Each local society should pay annually an amount equal to twenty-five cents (25¢) per active member to be used as a general administrative fund, not to apply on budget.

6. We urge each local society to have an alert Magazine Solicitor, an active Mission Study group and a large Prayer Partner Circle.

Report No. 1

PRESIDENT'S REPORT

To the members of the South Carolina Conference W.M.S. now convening in this forty-fifth session, greetings in the name of our risen Saviour! With the Psalmist we exclaim, "O Lord, our God, how excellent is thy name in all the earth," and then "What is man that thou art mindful of him? And the son of man, that thou visitest him?" Any good that has come from the labor of the year is because of the health and strength He has given me as I have endeavored to serve Him and you.

I have endeavored to keep in close touch with the Executive Committee and any major decisions and disbursing of funds have been done with their approval. We appreciate the way you respond to any appeals that we find it necessary to present to you. We endeavor to disburse your funds carefully and wisely.

We secured the services of Rev. and Mrs. A. J. Calhoun, missionaries

to Haiti, to speak in several of our churches. Miss Roberta Wylie, R.N., missionary to Africa, toured the Conference for a month. We trust that these services have proved to be a real challenge to the work in the year before us.

Your Mountain Mission pledges have covered the small amount that we have been able to pay our laborers. I recommend that you pledge as liberally as possible for the furtherance of this work.

My correspondence during the year has been exceedingly heavy but it has been a delight to correspond with you in your various fields of labor. I attended the Work-shop held in Ohio last October and the General Conference held at Fairmount, Indiana this summer. It was a delight to serve as your representative, for these contacts are indeed beneficial to any one in a place of leadership. The theme for our Work-shop and General Conference was vividly portrayed to us in a drawing "Where hast thou gleaned today?" One missionary suggested that we bend over a little more and thereby glean more earnestly. "This generation of Christians will face this generation of heathen at the harvest." What will our answer be? Will we be faithful in this great task of making Christ known to all on the fields in which we serve or may serve in the future?

Respectfully submitted,

Mrs. J. B. Hilson, President
