## STANDING RESOLUTIONS

1. The Conference President shall in his quarterly meeting see that adequate insurance is carried by each church on its property.
2. The pastor's Statistical Report must be passed by the Conference Treasurer and the Committee on Character, and must be presented to the Statistical Committee before being read to the Conference body.
3. The Conference shall elect a Nominating Committee for the Conference year which shall be a standing committee of five members with the Conference President as member ex-officio. This Committee shall nominate the chairmen and members of committees and the third member of the Publications Committee. Each committee on this report shall be presented to the conference body separately and time allowed for nominations from the floor.
4. We recommend that the local treasurer's books shall close at midnight, June 30, and that the Conference Treasurer close his books effective midnight, July 15, and that all statistical reports are to be sent in by that date to the Conference Treasurer, and he shall in turn send them to the statistical chairman. All money received after that date is to be applied to a budget item on the following year. The Conference Treasurer of the Missionary Society, Wesleyan Youth and Y.M.W.B. shall send a report immediately after their books close to the Conference Treasurer, listing amount paid on each budget item from each church.
5. The Conference shall convene the first Monday night of August each year.
6. The Conference Trustees shall serve as the Committee on Church and Parsonage Location and Building.
7. All Ministers and Delegates attending the entire annual conference and camp are to be given rooms in preference to those not active in conference business.
8. No divorced person who has been remarried shall be ordained in the Kentucky Conference.
9. All Conference officials shall assume office in the next meeting following the election.
10. No charge shall call a pastor or a supply from other conferences or denominations as long as there are available ministers in our conference qualified for the work. The Conference President, after having exercised his prerogative in the reception of ministers coming from other conferences or denominations, shall immediately refer them to the Committee on Itinerary and Elders' Orders, which

shall make a thorough investigation as to the ministry and life of such applicants and shall report their findings to the President, after which appointments may be made.

11. The vote on the pastor shall be taken by ballot the first week in June unless special permission is granted by the Conference President and his Advisory Board for another date; said ballots are to be prepared by the clerk and the results of the vote shall be reported at once to the Conference President.

12. Let all ministers have their membership transferred to their new appointment, and the Ways and Means Committee shall figure Budget Apportionment after the final reading of the Pastoral Relations Committee.

13. Since television in its present state is so radically demoralizing in its range, be it resolved that Kentucky Conference register its disapproval of anyone within the conference endorsing or owning a television set. Furthermore, be it resolved that the Kentucky Conference will not license preachers or workers, ordain elders or station ministers who own or have a television set in their possession.

14. The Conference President and the Conference Secretary shall be members of the Publications Committee ex-officio.

15. A standing Committee on Ways and Means shall be elected at the regular conference election, of which the Conference President and Conference Treasurer shall be members ex-officio.

16. Pastors shall read to their congregations the General and Special Rules and instructions of the Discipline, the Standing Resolutions of the Conference, the report of the Committee on Moral Reform, and shall urge the same to familiarize themselves with the Wesleyan Methodist Discipline.

17. Every preacher borrowing a book from the Conference library may hold it for only one month. There will be a flat rate of twenty-five cents for the month and five cents for every day over the month.

18. In this age when immodesty and worldliness are subtly creeping into the Holiness Movement, let every minister of ours earnestly contend for, and faithfully preach the entire Word of God without fear or favor of man. Let us refuse to compromise with the ungodly element which is robbing the church of her glory and preachers of the divine anointing.

19. All ministers not attending both conference and camp without a written excuse from the Conference President and his advisory board shall be placed under discipline and they be required to appear before the Character Committee of the next annual Conference for clearing. Further, no pastor shall be permitted to accept revival meetings or camp meetings if they conflict with the conference or camp meeting.

20. Our own Evangelists shall not conduct revivals or camp meetings in Wesleyan Churches within the bounds of our conference at the time of our Youth Camp, Annual Conference, Camp Meeting or Ministerial Institute.

21. The Standing Resolutions of the Conference shall be printed

in the September issue of the MESSENGER.

22. It is hereby resolved and ordered by the Kentucky Conference of the Wesleyan Methodist Church of America, in session assembled this 5th day of August, 1960: That the Trustees of said conference are hereby fully empowered to buy, sell, convey, mortgage or lease property for, or on behalf of said Conference, and to sign notes and execute mortgages for said purpose on behalf of said Conference, provided however, that between the sessions of the Kentucky Conference, a majority of the Conference Board of Church Extension and Evangelism, as the designated Board of Managers of the said Kentucky Conference, shall signify their agreement therewith by a special resolution and order authorizing each and every transaction.

## Report No.1

**PRESIDENT'S REPORT**

Members of the thirty-eighth session of the Kentucky Conference and Friends:

Greetings in the name of the King Eternal whose Kingdom is everlasting.

We meet in perilous times! No one can tell what a day will bring forth. The whole world is in a mad rush for power, wealth, health, and pleasure. The great horns of Catholicism and Communism are striving for world mastery. Deceiving spirits in the form of these two demonic powers, in the many false cults, in dead protestantism, worldly philosophies, in materialism, and in complacent holiness churches largely blind the whole world. But one day all the kingdoms of the world will topple, diabolical ideologies fail, cults come to naught, the material yield to the spiritual, and righteousness shall cover the earth as the waters cover the sea, and Jesus shall reign from sea to sea.

Governments rise and fall. Constant change aids the revolutionary ideology of communism. Uncertainty breeds welcome to new authority, but ignores Divine Authority. In the holiness churches unsettled conditions reveal spiritual dissatisfaction. Increasing heart failure, cancer, and other physical maladies, as well as multiplication of pests in nature, keep well abreast of scientific research. The health god succumbs to decay and death. Scientific discovery dooms the world to destruction. But Faith, Hope, and Love abide. They center in the One Eternal Person who is Creator, Redeemer, Coming King. Man may keep his flame of devotion burning at the feet of the lowly Nazarene whose name is above all names, in whom is hidden all the treasures of wisdom and knowledge.

Some spiritual material advances have been made in various churches this year. Most churches have had more than one revival meeting. Debts are consistently being reduced. The Bloomfield church has done major repairs and installed pews and pulpit furniture. Bloomington has also made improvements. Camp Taylor made improvements in the parsonage. Clear Fork installed pews. Rock Springs has improved the church and premises. Sale Avenue added a brick veneer section to the front of the church. Washington installed a furnace in the church and made other improvements. West Terre Haute built an addition to the parsonage and is installing bathroom facilities. Whitehall has kept improving the parsonage.

The parsonage purchased at Glasgow a year ago has been improved and is about half paid for. The Brazil parsonage has been

improved. In October a misfortune occurred at Chesterville when the small three-room parsonage burned. Through the Sunday School pioneer fund, the pioneer calendar plan, and the Atwood church special plan, indebtedness has been reduced at Franklin Avenue, Brazil, Glasgow, and at Walker Chapel by local efforts. There are prospects for an organization at Terre Haute. In view of the apparent opportunity at Owensboro, the Missionary Board has been greatly encouraged by the fact that John and Dorothy Basham have felt the call to go to this promising field.

In June a great Youth Camp resulted in about 150 seeking God.

#### President's Activities

The President drives his car about 25,000 miles per year, most of which is in the work of the church. He has held 37 quarterly meetings; preached 126 times; attended over 30 conference board meetings; three Marion College Board Meetings, besides two committee meetings on presidency; five pastor's pioneer rallies; the Ministerial Convention; various other meetings; two special baptismal services on Sunday afternoons, and taught Sunday School class 19 times. Numerous pioneer trips have been made, many interviews held, hundreds of letters written, and the Messenger edited.

## COMMITTEE ON MORAL REFORM

We, your committee on moral reform,

Urge the re-emphasizing of our Bible teachings of regeneration, sanctification and separation. The imminent return of our Lord is the greatest Biblical argument for a pure, unselfish, devoted, un-worldly, active life of service.

Let it therefore be resolved that we vigorously protest against liquor and similar vices by every means possible, including a refusal to patronize merchants who handle the same.

We shall likewise register our opposition to nudity and the wholesale prostitution existing in the Armed Forces and National life by exalting a virtuous life and instructing our young people and parents.

Be it resolved that all Christian parents seek to establish and maintain the family altar, and to create a spiritual home atmosphere, in an effort to guard our household against insidious invasions of evil influences, and to save them for God and the Church.

Be it further resolved that we urge the strict observance of the Sabbath by refraining from buying and selling and all other forms of merchandising, the performance of unnecessary labors, and a participation in those activities which rob the church and individual of their influence.

Since dancing has become so prevalent in our public school systems, and since our youth are faced with a problem in not participating, and since our conference disapproves participation in such, we recommend that each pastor and parent take a firm stand against dancing, and instruction be given the parents and young people of the church accordingly.

Be it resolved that we strongly oppose the evils of our day such as television, worldly conformity in dress, make-up, nudity, mixed bathing, crime comics, lewd and obscene literature, questionable practices in our public schools, the use of tobacco, dope, such as marijuana and heroin, etc.

That, being aware of the increasing number of divorces in our land, we urge that the sanctity of the marriage be upheld by the counseling of our youth and by plain scriptural preaching and teaching on this matter.

Be it also resolved that this body positively, definitely, and consistently ally ourselves with the American ideal of separation of Church and State both by principle and practice and that we stand opposed to foreign powers, both civil and religious, which would destroy our religious freedom and liberties.

We recommend that this report on Moral Reform be read and discussed in each local church.

## SPECIAL RESOLUTION

Whereas, several American airlines now serve liquor on their flights;

## THE KENTUCKY CONFERENCE

and Whereas, the serving of liquor in flight endangers the safety of the public, and corrupts Christian ideals;

Be it resolved that the Kentucky Conference of The Wesleyan Methodist Church of America in session this 4th day of August, 1960, hereby registers its protest to the Civil Aeronautics Board, Washington, D. C. through its recording secretary who is instructed to forward this special action on to our nation's Capitol.

### SUNDAY SCHOOL SECRETARY REPORT

Another year's work statistically has become history and yet there is a larger history to be written in the lives that were saved and taught the way of salvation in the ministry of the Sunday Schools. God has given us a good year and we are truly thankful to Him for every blessing. In numbers our total attendance exceeds that of last year by eighty-one. There has been some areas in which we did not reach the numbers of last year. The figures show a drop of thirty in the cradle roll, ten less conversions during the year and 17 fewer to join the church. It is interesting to note that there are six converted to every one of that number that joins the church. Let us try harder to conserve our gains. It looks like there is an open door before every school to enter through a Home Department. Only four people are reported in this department. Surely there must be many more aged folks who cannot get out to Sunday School, or busy mothers tied down with small children or others who are cut off from the fellowship of the Sunday School who could be visited and prayed with and ministered unto by a home department worker. Let us try it, this year.

The splendid enrollment of 1054 in Daily Bible School with an average attendance of 863 or a percentage of 80, which exceeds that of our average attendance by 14%. If our schools would bring that average up to 80%, it would mean nearly 500 more people in Sunday School every Sunday, or about ten more people in every one of our schools each Sunday. Why not try to push up our regular attendances?

In financial receipts the total reaches over \$16,000 of which \$9,000 goes for supplies, 3,000 to missions and benevolences, with some balances remaining in the treasuries. There is much to encourage us as we stand at the dawning of the new year. However, there is still room for improvement. One needed direction would be in the area of Teacher Training Classes. There are none as yet in the conference and we commend to your prayerful attention the launching into this field this year.

Respectfully submitted,

Harrison Davidson

Sunday School Secretary

## PRESIDENT'S REPORT

To the women of the thirty-eighth session of the Kentucky Conference Woman's Missionary Society, greetings.

Our theme of the quadrennium "Work His Works" has been a challenge to us, especially, as we think of working His works in prayer, giving, and doing for the lost of this world.

It has been an inspiration to visit some societies as well as to help in the organization of two new societies.

Last fall, Bro. Pelfrey visited the Louisville churches, then toured the conference in the spring.

We are grateful for the good response to our special project of giving Christmas to our Kentucky Home Missionaries. God will repay in like manner, as you gave. This coming year, we plan to pay the field support of Rev. and Mrs. Malcom Ellis and the salary of Rev. and Mrs. Glenn Pelfrey. We hope to have enough pledges for another project.

It has been a genuine pleasure to serve with the Executive Committee. They have a vision for the W. M. S. work of our Kentucky Conference. They have given valuable assistance by way of suggestions, giving of their time to help toward a better understanding of the various phases of the W. M. S. work as evidenced by the Work Shops and special features for this session, as well as materials and information sent you during the year.

May the blessings of the Triune God rest upon us all as we assemble here so that we will go back to our local society determined to work His works as never before.

## PRESIDENT'S REPORT

Dear youth of the Kentucky Conference:

Time has swiftly passed by and we are now reporting to you for our thirteenth time. These have been blessed years working with some of the finest young people on earth.

As your leader, I have endeavored to be faithful in administering the office of the Youth Department in a way that would be pleasing to God and helpful to the conference. It has not always been a pleasant responsibility but has been rewarding.

The work of the conference has kept us quite busy this year. We have tried to keep in touch with our work on the local, district, and general levels. Much of this has been done by correspondence.

My activities for the year have been:

1. September 12, 1959—attended the conference-wide Youth Leaders' Workshop in Louisville.

2. October, 1959—met with the Area Council in Zanesville, Ohio and was re-elected vice president of the Area.

3. January, 1960—met with the Youth Camp Committee and made plans for the 1960 Youth Camp.

4. May and June, 1960—conducted Youth Rallies in eight of the ten districts of our conference.

5. June 15-21, 1960—directed our Conference Youth Camp.

6. July, 1960—met with the Executive Committee to make plans for the Youth Conference.

7. Edited four issues of the Youth News.

The Statistical report shows some disappointing facts. We took a loss in several items but statistics do not show every phase of the work. We have received reports during the year of some outstanding conversions and revivals among our young people.

We are grateful for the cooperation of each district and local officer and the pastors who have stood behind the work. The Executive Committee and Youth Camp Committee have been a great help in promoting and assisting in the work of the year. We feel that we have had special guidance of the Holy Spirit in every activity of the year.

The future looks bright only as we look to Christ. We are living in a day when comic books, obscene literature, TV, familiarity among the sexes and other devices are wrecking the youth of our country. May we cry aloud and spare not in this awful age in which we are living. With Christ on our side we may be more than conqueror through Christ who strengtheneth us.

We wish to express our appreciation to each of you for your cooperation in the past year.

Yours in Christ,  
John W. Basham, president

#### LOUISVILLE DISTRICT

"Remember now thy creator in the days of thy youth." We of the Louisville District want to give praise and glory to the Lord for His

## THE KENTUCKY CONFERENCE

blessings during the past conference year, and it is our prayer that the youth of this district will remember the Creator in the days of their youth.

We had eight Rallies this past year. For our first Rally we had an Installation Service, in order to let each new officer know his duties and this was followed by a message from our Conference President, Rev. Blanchard.

During the year we have had some outstanding young men as speakers such as, Bob French in November, George O'Bannon in March, and Bob Whitaker in July.

The Watchnight Service was at Sale Avenue and was centered around "The Name of Christ," with a Reading, special singing, a time of singing by the "future W. Y. members," a chalk drawing, and a closing message that was a challenge to be prayer warriors for the coming New Year.

In February our Rally was entitled "Can I Tell A Lie?" with a panel of five speakers taking part. Our Sunrise Service in April was in charge of Rosemary Basham. On May 27 we had our W. Y. Conference President, Rev. John Basham, who presented a project for the Campground and brought the message of the evening.

Again this year, as in the past, we had a banquet honoring our Juniors and Seniors who do not take part or attend the worldly functions of their schools. Our speaker this year was Christine Fowler who gave us an inspiring talk on Pioneering on Life's Trail.

We thank the Lord for His many blessings during the year and we trust that the year now coming up will be one of victory through Christ.

Betty Kendall, Louisville District Chairman

## WINCHESTER DISTRICT REPORT

The Winchester District held four one-night youth rallies the past conference year. The average attendance in each rally was ninety-nine.

The first rally was held at Zions Hill with the Rev. Larry Hughes as guest speaker. Two young men found help from the Lord at the close of the service.

The second youth rally was held at Winchester with the Gospelaires Quartet from Marion College in charge of the service.

The third rally was held at Means. The young people from the Winchester and Lexington churches combined their talents to perform the skit "The Challenge of the Cross."

The fourth and final rally was held in Lexington with Rev. John Basham as the speaker.

It is our prayer that the Youth of the Winchester District will draw closer to the Lord during the coming year.

Respectfully yours,

Wayne Rice, Chairman
