### Report No. 2 ..

#### The President's Report to Conference—1944-45

To the Members of the One Hundred and Third Session, Champlain Annual Conference, Wesleyan Methodist Connection (Church) of America:

In the good providence of God we are permitted to meet again in our annual assembly. For a time it seemed that we might not be able to hold our conference and camp, but prayer has prevailed and we are here. The year just closed has been a good one for all of us. True, there have been difficult problems and serious obstacles along the way for many of us. Nevertheless the Lord has blessed and prospered the

## WESLEYAN METHODIST CHURCH

---

work throughout the Conference. As I have been permitted to observe the different charges, it seems that marked progress has been made on many of them.

During the year it has been my privilege to organize three new churches. They are namely, Cobleskill, Fort Miller and Malone. In some instances those who became members of these new organizations had previously belonged to some other Wesleyan Church, but a good number were additions. A splendid church building has been purchased and work opened at Cohoes. Much credit is due the faithful pastors who by their vision and faithful effort have been instrumental in bringing these new churches into the conference. Nor should we forget the loyal laity throughout the conference who have backed these projects with their means and prayer.

We wish we might say that every pastor is receiving an adequate salary. Some churches have seen fit to increase the salary paid their pastors. Much of the church property has been repaired and some valuable additions have been made. Three new buildings have been purchased and a substantial amount paid on each of these. Almost every charge has raised its budget in full. Our Young Peoples' Society has outdone itself in assisting in our extension program. They have helped Cobleskill to the extent of \$100.00, Malone to the extent of \$100.00, and Cohoes, \$50.00

It has seemed wise, if not almost imperative, for your President to make several special appeals for help of one kind or another during the year. The response has been whole-hearted and we feel that the assistance rendered has meant much to those concerned.

The old church at Macomb has been torn down, and in a better location a new building is being constructed. The contributions made by the pastors of the conference, either in labor or material, have meant much in this effort, for they have done much to encourage the faithful pastor and his people.

## THE CHAMPLAIN CONFERENCE

---

In closing, we would humbly give God thanks for all His help during the year.

### Report No. 3

#### Report of the Conference Sunday School Secretary

This Conference has been one of advancement under the blessing of God. We have four new Sunday Schools, and have kept all the others. Our enrollment in the main school exceeds 1500, I believe the highest in many years, and we trust that we may so have the Spirit of Christ that He shall see we can stand such a blessing without being heady or high-minded.

On Rally Day last year, the reports (100 per cent) said we had 1684 present on that Sunday. Our average is over 1100 per Sunday. In addition we have the Home Department which makes our total enrollment over 1800.

The Thanksgiving (total) offering, again with 100 per cent of the Sunday Schools co-operating, was \$432.19. (It had been suggested as a goal that we raise an amount equal to 35c per church member. Counting active and associate members that would have been \$345.45, so wasn't that fine!)

"There is still MUCH to be possessed." All of New England with only two Wesleyan Methodist Sunday Schools; in addition the cities of eastern and northern New York State. Millions of people who do not know of the Wesleyan Methodist Church, and many of them who do not know of, or experience, salvation through Jesus the Christ. What a challenge!

Beside the above, in our Sunday Schools ONLY 2 report a Daily Vacation Bible School, ONLY 3 report teacher training classes, 10 have no Home Department, 7 have no cradle

roll department (according to my records).

There is good co-operation for reports, Special Days, Thanksgiving offering and otherwise. Thank you all who have a part in this! But let's determine under God to "press (forward) toward the mark for the prize of the high calling of God in Christ Jesus."

## THE CHAMPLAIN CONFERENCE

---

It has been a pleasure to serve as Sunday School Secretary, and Editor of "The Champlain Conference Challenger," particularly because of the splendid co-operation throughout the Champlain Conference. It is my conviction that we can do much more, through these channels, IF we really made it our business. This is also true regarding our Church publications, "The Wesleyan Methodist," "The Wesleyan Missionary," and "The Wesleyan Youth." Let's really act as if we believed the time was swift passing until we can do no more in the Master's vineyard!

Yours in Christ always and all ways,  
WALTER F. LEWIS

### Report No. 4

#### TITHING SECRETARY

Bro. Chairman and Fellow-Workers:

It is gratifying to note the increasing interest and response to the presentation of the Scriptural plan of financing Church interests. It can be truthfully said that the Champlain Conference as a whole is actually awakening to the duty and privilege of tithing and bringing the tithes into the storehouse, as God specifies in His Word. Within the past two years several of our Churches have adopted the "Storehouse Plan." Without exception, the Churches are very enthusiastic in their commendation of this system; and in addition to exceptional and remarkable results financially, they testify that God has blessed in spirituality and every other way. It has been our privilege to visit all but four Churches in the Conference at least once in this work, and have endeavored to present God's financial plan as we believe He gave it to us. May the time soon come when every Church and individual of our Conference will see that God has given definite instruction in paying the expenses for the propagation of the Gospel of Jesus Christ through the Church.

### W. C. P. S. REPORTS

The Young People's Conference for 1945 was called to order July 7, 1945 by Rev. Edwin Seaman, President. Rebecca Chapman led the group in singing "Showers of Blessing." Mr. Seaman gave the opening speech, which was followed by prayer.

The bar of conference was voted to be the first three rows.

The secretary's minutes were read and approved. After a brief discussion on the problem of purchasing a service flag and honor roll for the servicemen from the Champlain Conference Young People's Society, it was decided to elect a committee to take care of these items. The committee is to consist of 3 members—One chairman, one member from the Northern and one from the Southern district. Harold Chapman was elected as chairman. The remaining two members chosen were Shirley Gunsalus and Mrs. Randall.

The motion was passed to include the names of those who were closest to the Church, Sunday School and Young People's Society. The committee was given power to decide the amount of money, the measurements of the flag and any other problems that might arise. The honor roll is to include the names and home addresses.

Rev. Edwin Seaman gave his presidential report (see low). This was accepted.

The Treasurer's report was also read and accepted.

The motion was passed to continue the extension work as of last year. After a brief discussion as to what to do with the money in the treasury, the motion was passed to authorize our President to work with the Conference President and his advisory board regarding these funds. The extension assessment is one dollar per member, both associate and active.

The date for the annual convention has been set as August 28, 29 and 30. Unless further invitations are given to the executive committee, the convention will be held on the West Chazy Camp Grounds. Rev. H. K. Sheets, of Marion, Indiana, is to be the speaker. At this convention one of

the outstanding events will be the giving away of a plaque to the winning society for this year (based on statistical reports).

The motion was made to elect a reporter with the officers to handle any news items for the Young People's Society throughout the year. These reports are to be sent to the 'Wesleyan,' the 'Wesleyan Youth' and the 'Challenger'. This motion was accepted.

It was suggested that there should be more rallies for the various churches. By common consent the matter was left in the hands of executive committee.

Rev. Elton Seaman told of a project in Cooks Corners to raise money. Eight or ten young people agreed to give only a dime extra each week. Already over thirty dollars has been raised which will be used for mission work. They also have employed a plan to write to servicemen.

The statistical reports were read, after which tellers were appointed to take care of the election of officers. The officers are as follows:

President .....	Rev. Edwin Seaman
Vice- President .....	Rev. Chas. A. Dayton
Secretary .....	Isabelle Dayton
Treasurer .....	Rev. Elton Seaman
Reporter .....	Marjean Bennett

The motion was made, seconded and passed to adjourn.

Respectfully submitted,

### Y. W. P. S. PRESIDENT'S REPORT

Members of the Champlain Annual Conference, Greeting!

It has been a pleasure to serve the Conference as Young People's President and in the interest of pioneer work. We have spoken to every Church group but two. (Certain difficulties made these impossible.) To visit these Churches required traveling 1,182 miles. We feel that God has wonderfully blessed as we ministered from place to place. We spoke

to some 775 people, received \$289.28 for pioneer work, 33 subscriptions to the "Wesleyan Youth," and had the joy seeing at least 44 kneel at an altar of prayer. For this we thank God.

Our aim has been to enlarge the vision of our people for pioneer work, create a more united front between the youth and adult, and to deepen the spiritual life of our young people in this present evil age.

Brethren, give our young people a chance to prove themselves, under your interested leadership and guidance. They will not fail you.

She attributed the cause of so few laborers in India at the present time to the lack of prayer. ### Report No. 2

#### PLAN OF WORK

We Recommend that each local W. H. & F. M. Society—

1. Have regular monthly meetings at which we urge the use of Study Book, missionary program, prayer, offering and necessary business. Arrange with the pastor for one public, well-advertised meeting, in which the whole church may learn of all our missionary fields, workers and needs.
2. Observe special days. (See Standard of Efficiency.)
3. Endeavor to secure every woman of the congregation as a member of the Society.
4. That we try to enlist the men as honorary members, giving them charge of at least one meeting a year.
5. Officers to be subscribers to and readers of the "Wesleyan Missionary" and 'Wesleyan Methodist,' also 50 per cent of the members to be subscribers to the magazine.

### RESOLUTIONS

WHEREAS—In these days of compromise and failure to uphold the standard of holiness; with the world in such a chaotic condition, the need of holy living is very great; and

WHEREAS—The tendency to smoking and drinking among women and young people is becoming so great, and it surely takes the Grace of God to keep from these things and be called peculiar by the world;

BE IT RESOLVED—That we as individual members of this society seek God's help and grace to enable us to so live that our lives may be a continual rebuke to sin. Ever being mindful of the privilege of being workers together with Him for the salvation of those about us.

MRS. EVA ALLEN, Committee.
