REPORTS OF COMMITTEES

REPORT OF INTERCESSORS' BAND SECRETARY

As Secretary of the Intercessors' Band, I beg leave to submit the following report:

Under the leadership and by the grace of God, there were formulated at the last session of the Ohio Conference plans for an Ohio Conference Intercessors' Band. These plans provided for the election of a Conference Intercessors' Band Secretary, and outlined the duties of the same.

Acting under these directions, your Secretary, after the formation of the pledge, forwarded copies of the same to the several pastors, elders and licentiates. During the year one list of pledgors was received, and some ten requests for united prayer were forwarded to the various pastors, elders and licentiates.

While only the records of heaven will reveal the full results of this united intercession, we believe that the work of the Band has not been fruitless, but has been a means of binding us closer together as a people and as a Conference, because we have met around the throne united in spirit though separated far in body. God's Word standeth sure and He has promised that if two of us should agree on earth as touching anything, it shall be done. He has heard and answered prayer and drawn us closer to Him in loving fellowship and service and to Him we render all the praise and adoration.

Respectfully submitted,

Monna M. Rogers, Intercessors' Band Secy.

PRESIDENT'S REPORT FOR THE YEAR 1923-24

November the sixteenth I transferred Rev. E. D. Packer to the Mid-Atlantic Conference.

In the month of December called a meeting of the Board of Trustees at the Rescue Home at Cambridge to transact business in relation to the Home, also to consider the advisability of purchasing the Dunkirk Camp Grounds. This meeting adjourned to meet in conjunction with the Camp Trustees in the month of January. This meeting was duly held and some progress made in the matter. This was continued under the direction of the Trustees.

Rev. S. M. Van Blarion was granted a transfer.

The matter of the Prairie parsonage sale, which has been in the President's care, has been practically concluded.

I have not been able to meet with the various churches this year on their quarterly occasions because of sickness in our home. A good report comes from nearly all our points and evidently the prayers and sacrifices of our people have been productive of good.

A. W. Smith, President.

REPORT OF COMMITTEE ON ITINERACY AND ORDER

The committee on Itinerary and Order met and transacted the following business:

It was recommended that Bro. Irvin Davis of Zanesville, Monroe St., be received to take the Conference course of study.

In case of Bro. J. W. Boggs we recommend that his transfer to South Dakota be granted.

Rev. L. E. Ring passed the first year Bible, and is prepared to take examination in Perfect Love. He having finished first and second year in English; we recommend he continue the course of study.

Inasmuch as Sister Miskimen has covered the various subjects except the "Grounds of Christian Theistic Belief," it be recommended that she take the examination on this, and complete the reading of the fourth year course.

Sister Monna Rogers has completed her study of subjects for passing this year, and is prepared to take examination. It is recommended she be continued in the course of study.

It is recommended that Bro. William Ballinger continue his course of study.

Bro. S. L. Vorhies having taken a number of subjects in Cincinnati Bible School, we recommend he receive credit for such subjects as correspond with our course of study, and that he take examination in "Perfect Love," as soon as possible, also recommend he continue his study.

Bro. Hugh Hughs has completed his Bible work at Marion College, for which it is recommended that he receive credit. Recommended he take subjects of the fourth year, as is not comprehended in his school course.

The names of several have been brought to the committee who have not held quarterly conference license for one year, as required by the discipline. Therefore we cannot recommend that they be received at this time.

The action taken in regards to holding a ministerial institute was recommended that it be carried over.

Respectfully submitted,

Rev. A. W. Smith; Chairman,

Mrs. Myrtie Roberts, Secretary,

Ralph McMillan.

Committee on Credentials reported that Thresa Martzell, Emory Jacobs, Mrs. Belle Parker, Leslie Aller, Ella Wherry, W. S. Conklin and A. E. Taylor were properly credentialed delegates to the body.

A question was raised as to the legality of the election of W. S. Conklin and A. E. Taylor on the ground that the elders for whom they were elected were not, under the discipline, entitled to delegates. The Chair ruled that these delegates were not entitled to a seat in the body.

An appeal from the decision was taken, and the decision of the Chair sustained.
