MORAL REFORM

We, your Committee on Moral Reform, submit the following report. The term Moral, according to Webster means the dealing with, or concerned with establishing and disseminating principles of right and wrong in conduct or behavior. Reform means to induce or cause to abandon an evil manner of living and follow a good one, or conform to a standard of what is good and right. It necessarily follows then that our task as a Church is the establishing of such principles of right conduct, as standards of Christian behavior, that our people will be induced to conform to them. Otherwise we have a needless expenditure of time, energy, and effort; and we fight as "One that beateth the air." For this standard fixed by the Church we refer you to the Wesleyan Methodist Discipline, Section V, Paragraphs 52; 53; 55; 56. For additional standards of sufficient elasticity to allow of individual choices and personal tastes, we refer you to the Miltonvale College Catalogue of 1939, which reads in sense, "We believe that many of the present styles which expose much of the female body to the public gaze are not conducive to the moral and spiritual development of either sex, therefore we insist that our girls must be modestly attired. For appearance upon the platform girl's dresses must not have extreme low necks, and must be of sufficient length that the knees of the wearer will be completely covered when in a sitting posture." This we heartily endorse.

We believe that the Church should take an uncompromising stand and place an irrevocable ban on the dance, the modern movie, mixed bathing in public pools, in short we definitely oppose all manner of conduct, habits, dress, eating and drinking, that does not come within the sensible scriptural scope of Christian decency and temperance.

WESLEYAN METHODIST CHURCH

In view of the tendency toward moral decay and spiritual collapse, we plead with God and the Church for a rekindling of revival fires, a new demonstration of Holy Ghost power through an active and operative faith, that attacks sin to the terror of the devil, that exalts Jesus Christ and proclaims the beauty of holiness to the glory of God, and sends a wave of Pentecostal evangelism across our entire spiritual front to reclaim the backslider, rescue the perishing, and sanctify the Church, that our beloved Zion may be preserved as a God-blessed barrier to the modern march of Satan.

We raise our voice against the many popular magazines, Wild West periodicals, and such books as are vile, vicious, and obscene. Whenever any of these upon the printed page bear information that is a direct reprisal, or counter to the standards and requirements of the Church, we urge our people not only to refuse subscription, but to "clean house" of any that may have slipped in before an awakened conscience prevented. We offer as the best solution to this problem the taking of our own Church periodicals for the reading table also other legitimate means of information, and the stocking of our libraries with those books conducive to holy living that will forever free our homes from the foul filth of worldly literature.

From the pulpit and pew, through the ministry and the laity we pray for a common spirit of fellowship, unity, and coöperation that will forever free us from the accusing glances and suspicious jealousies of another's work or position; that we may practice more and more that spirit of Christian tolerance and grace of longsuffering toward the weak and faulty, that in the "true spirit of meekness, we may restore such an one." May it ever be our common objective that in the beauty of holiness we may be able by precept and example to provoke one another to good works, that without striving we shall experience "How good and how pleasant it is for brethren to dwell together in unity."

W. S. FREEBORN, Chairman.

WESLEYAN METHODIST CHURCH

In June, 1939 the Trustees of the Kansas Conference gave a contract for the deed to the Cherry Orchard in favor of Rev. F. E. Shivers by order of the Superannuate Board.

C. H. SHELDON, Secretary.

AUDITING

We, your Auditing Committee, have examined the books of the Treasurer of the Missionary Board, of the Treasurer of the Camp Meeting and Campground Committee, the reports of the Conference President, the Treasurer of the Conference Board of Trustees, the Sunday-school Secretary and the Tithing Secretary, also the books of the Treasurer of the Superannuate Board.

S. M. YONALLY, Chairman.

STATISTICAL GLEANINGS

The Committee on Statistics presents the following items of interest:

The total membership of the Conference is 1434, which is a loss of 17 from last year.

The total number in Sunday school shows a gain of 219, and the average attendance shows a gain of 110. The number joining the church from the Sunday school is 118.

The total contributions show an increase of \$2330.25, making an average contribution of approximately \$40.00 per member, which is an increase of \$3.20 per member. The pastor's receipts show an increase of \$2662.21 over last year.

Several churches being revalued, and two not reporting, make a decrease in the total for that item, the present valuation being \$91,112.50. The valuation of parsonage shows an increase of \$6150.00, the indebtedness increasing \$5186.21.

A loss of four subscriptions to the Wesleyan Methodist is reported, but a gain of 63 Wesleyan Missionaries.

The following charges raised every item of the budget: Abilene, Belleville, Chapman Creek, Concordia, Eskridge, Gaylord, Hopewell, Kansas City, Kansas; Lawrence, Topeka, First; Quinton Heights, Wesley Center.

Formoso and Hardy have both been active during the year. Reports from these works have not yet reached the hands of the Committee, hence, their records do not appear. Nevertheless, their labors and contributions have been appreciated.

R. J. ELING, Chairman.

RESOLUTIONS

1. **Evangelistic Help.** Resolved, That the Camp Meeting and Camp-ground Committee be authorized, if they see fit to do so, to engage Evangelistic help for the Camp Meeting two years in advance.

2. **Election of Conference Officers.** Resolved, That the election of Conference Officers be held on the second day of Conference at 9:00 a. m.

3. **Subscription Lists.** Resolved, That all subscription lists and monies raised at Conference for all purposes be put through the hands of the Conference Treasurer or the Treasurer of the W. H. & F. M. Society, and that all subscription lists be kept by these Treasurers, and that notice of indebtedness be given all subscribers by means of a list sent to their pastors early in the year.

4. **Sanctity of God's House.** Resolved, That such work as making quilts and disposing of the same be performed in the homes of the people and not in the houses erected for public worship.

5. **Pastor's Moving Expenses.** Resolved, That the class hiring a minister shall within ten days after his arrival pay to him his moving expenses, this not to be applied on his salary.

We suggest the following recipe: $\frac{1}{2}$ cup flour, 1 teaspoon butter (heaping), moisten with milk enough to roll. Mark in $\frac{1}{2}$ inch squares and bake as pie dough. The above will serve 50 persons.

14. **Theological Institute.** Resolved, That the traveling expenses of instructors to and from the Institute be paid from the Conference Fund, and also such books as may be needed for Institute work.

15. **Superannuate Service.** Resolved, That one public service in each Annual Conference Session be set aside in honor of the Superannuate Ministers and for the purpose of creating interest in the Superannuate Fund, and that it be the duty of the Second Vice-President to arrange for such service.

16. **Superannuate Constitution.** Resolved, That the Constitution of the Kansas Superannuate Association be printed in the Conference Minutes once in five years, and that a note be carried regularly in the Resolutions stating the year of last publication. (Published in 1938 Minutes, amended in 1939.)

SUGGESTIONS FOR THE W. Y. P. S.

We, the Committee on Suggestions, submit the following report. We suggest:

WESLEYAN METHODIST CHURCH

1. That the leaders of our societies be spirit-filled, seeking His guidance in planning each meeting.

2. That we make use of that literature which is published for our benefit, such as the Journal and the Wesleyan.

3. That we endeavor to vary our programs by creating a deeper interest and expectancy through the use of music, readings, etc.

4. That those individuals who are elected on visiting committees be encouraged to greater activity and diligence in interesting others in the community.

5. That each society organize a prayer band setting apart a definite time for group prayer.

6. That each society elect a magazine solicitor to secure new subscriptions for the Journal.

7. That we urge our young people to attend all Young Peoples' Conventions.

8. That we strive to make our services more evangelistic in seeking to reach outsiders.

9. That the leaders be selected early and be given ample time in the preparation and distribution of material for the services.

10. That the new officers of each society be elected before Conference and their names placed on the report blanks.

THE KANSAS CONFERENCE

MORAL REFORM

Realizing that the members of the W. Y. P. S. will be our future Church let us hold high the standards given us so that true Wesleyan Methodism will not drift into Modernism. There are many souls to be won; time is too short for us as a Church to compromise. Shall we not determine by God's grace that the coming year will find us deeply rooted and grounded in the things of God. That we shall devote more of our time to the reading of the Word, prayer and meditation.

We urge that our young people adopt the following Motto, "As Becometh Holiness," Titus 2:3 and in so doing develop a greater degree of reverence for the house of God and for His day, endeavoring always to keep it holy. Let us each possess a teachable spirit, a kindly attitude toward those who differ with us on certain issues, a spirit of willing self-denial, keep a clean business record, and have a wholesome reserve in dealing with those of the opposite sex.

Let us also refrain from attending all worldly amusements such as the dance, movies, jazz music, public swimming pools, any degrading social gatherings, drink of alcoholic liquors, use of drugs or tobacco, the reading of unwholesome literature and all like things which tend to lower the morals of our youth. Let us dress as becometh godliness, refrain from the wearing of short sleeves, short skirts, low necks, bobbed hair, permanents, anklets, jewelry and other things that do not become holiness.

"Let no man despise thy youth; but be thou an example of the believers, in word, in conversation, in charity, in spirit, in faith, in purity."
1 Tim. 4:12.

REV. W. S. HOTCHKISS,
MRS. MARTIN COX,
WINIFRED EASTMAN.

THE KANSAS CONFERENCE

REPORTS

PRESIDENT'S MESSAGE

Dear Sisters of the Kansas Conference W. H. & F. M. Societies:

Greetings! "Lift up your eyes and look on the fields: for they are white already to harvest."

Lift up your eyes and look on a world to be won for Christ. Let your mind's eye look out. Can you not see the millions of men and women and children, living out a whole life time with nothing to comfort, elevate, or inspire—nothing beyond the tragic life which they are now living, but a great black abyss; no one to touch their fevered sin-sick lives with the sweet story of the Great Physician. This is the picture of conditions in home and foreign lands. The words of the Prophet, though so oft repeated are freighted with such importance. "Without a vision, the people perish." When Henry Martyn, that splendid young hero of the cross, lay dying with a fever in Persia, he received a letter asking how the missionary interest of the Church at home could be increased. The dying saint said, "Tell them to live more with Christ, to catch more of His Spirit; for the spirit of Christ is the spirit of missions and the nearer we get to Him, the more intensely missionary we become."

Mighty challenges face us in our missionary work. You have just studied of the moving millions in India and perceived how truly white the field is. The task outlined by our African force in this their fiftieth anniversary celebration seems tremendous. Our missionaries in Japan need our constant remembrance in prayer. Doors stand wide open for the Wesleyan Methodist Church to enter South America. Isaiah called out to those of his time, "Awake, awake, put on thy strength, O Zion." May the Lord help us to call forth our reserve strength and put it into the service of our Lord for the salvation of souls.

MORAL REFORM

In these days of compromise let us maintain Bible standards and use the Word of God for our guide. Compromise has always caused a loss of power and will defeat us. Little foxes spoil the vine and little compromises make inroads for grosser downfalls.

The low ideals of home life, worldliness of dress, wearing of jewelry—including engagement and wedding rings—permanents, short sleeves, short skirts, manish dress, and the use of cosmetics are all being practiced by professed holiness women. God forbid that we as Wesleyan Methodist women should ever become tolerant of such standards. May we, as mothers, not only adorn ourselves as becometh godliness, but also train our children from infancy by dressing them as becometh godliness. Let us remember—that the use of sun suits, anklets and abbreviated dresses only cultivate pride in baby hearts and destroy modesty before the child is accountable; that our mothers should not withhold information from their sons and daughters concerning proper conduct with the opposite sex; that the conduct in the home, on the street, and in public gatherings must be properly restricted. We recommend two books entitled: "A Virtuous Woman" and "Youth Problem No. 1."

Tap dancing, bathing pools, movies, card parties, popular music, popular magazines and fiction, intoxicating beverages, and habit forming drugs—tobacco and dopes, such as Marijuana—"The Assassin of Youth" are indeed sinful and cannot be indulged in by Christians.

We implore our women to turn away from everything that in any sense cripples our faith or hinders our prayer life. We urge strict observance of Sabbath and attendance of children at preaching services as well as Sunday school.

Let us be doers of the Word and not hearers only.

IRENE MILLARD,
ELLA BISTLINE.

Y. M. W. B. SUPERINTENDENT'S REPORT

"Unto Thee, O God, do we give thanks."

As we look back over the past year surely we do have much for which to thank God. We praise Him for what has been accomplished but as we

THE KANSAS CONFERENCE

look over the wasting harvest field we say Lord help us to be more diligent in fulfilling Thy last command, more willing to spend and be spent for the spreading of the glorious gospel. Surely "God has placed in our hands a great commission with a grave responsibility." As we think of our youth we realize anew the opportunity of helping them, through the Y. M. W. B., to see the blessedness of joyful, wholehearted service for the Lord. Some one has said, "Let us go, and help go, and let go."

We planned a state Y. M. W. B. convention at Miltonvale during commencement week.

I have written 74 letters and 44 cards. Postage, \$2.66.

RUTH HOTCHKISS.

2. We thank the people of Miltonvale and those in charge of the Dining Hall for their kindness and hospitality in entertaining the many representatives of the Missionary Societies, and for the warm reception we have received.

Mae Clark, Vice-President, for her willingness and ready response to assist in every possible way. To Mrs. Bessie Campbell, Recording Secretary for her competent and faithful service.
