Report No 4

REPORT OF THE CONFERENCE PRESIDENT

To the members of the Rochester Conference assembled on the Campgrounds at Chambers for the 117 th Annual Session:

Greetings in the name of our Lord and Saviour! Through the good providence of God we are again privileged to gather for another Annual Session of the Rochester Conference and how we should thank God for this privilege. It has been stated many times by leaders in various walks of life that we are indeed living in a complex age — an age fraught by confusion and frustration, perplexing problems, mounting pressures, with the international situation apparently worsening in

spite of the efforts of diplomats moving from area to area throughout the world in an effort to bring about a better understanding. However, how thankful we should be that differences between nations are still being negotiated around the peace table rather than being settled by gigantic military forces on the field of battle. While confronted with the alarming international situation we are also compelled to acknowledge the unreasonable emphasis being placed on the materialistic phase of life and it has been well stated that we are a people drugged by world pleasure and plenty until there is a spirit of lethargy and apathy which seems difficult to penetrate or arouse. Dr. Billy Graham's recent statement "God may be allowing us to view the conclusion of the age," or the statement by Dr. Frank Laubach, recently in Atlanta, "Christianity is practically dead in three-fourths of the world" should serve to awaken Christian forces everywhere to the great challenge. Could we, somehow, be so awakened and alerted that we could develop in our midst the crusading spirit which motivates the leaders of communism, we feel certain God would honor such an effort and that there is still time for Divine intervention to turn the tide which is now moving across the world. Let us here in this conference re-dedicate ourselves anew — both ministry and laymen — to greater efforts for the Master and His Cause; dare we ask Him to give us a crusading spirit throughout our Conference this coming year for souls and the growth of the Church. Let us be much in prayer for no longer is the phrase "The time is short" simply a phrase but a frightening reality. A wise Chinese Christian recently said, "The only solution for the world crisis is the submission of the whole world to Christ. This submission is not achieved merely by a change of sentiment but by an active and fervent membership in His Kingdom — the Church." As we come together for this Annual Session of the Rochester Conference we recognize it as a time of accounting — an accounting of the total work of the church — both Lay and Ministerial which causes us to focus our attention on the importance of the ministry of the whole church. Archibald recently stated that the work of converting the world, according to the New Testament methods, is to be done not simply by the clergy but by the whole membership. To this end let us in this Conference Session, Laymen and Ministers together, dedicate ourselves to this great and all-important task.

This has been a good year throughout the Conference and it is our opinion the reports will show marked progress. We are especially glad for encouraging reports of good and effective revivals in several of the churches for which we praise Him. Again, we note the program of church expansion continues in an effort to meet the growing needs and provide adequate facilities for all phases of church activities. It was our privilege to participate in these services of progress. There were two ground-breaking services; one at Avon for their splendid new modern church, and at Spencerport recently for their new parsonage. The opening service which filled the church to capacity at Avon was indeed a real high-light in the progress of expansion. The new church furni-

ture in the Baldwinsville church adds to the facilities as well as to the worship atmosphere of the church. The rededication service at Endicott marked the conclusion of a fine program of remodeling and redecorating which adds much to the facilities and attractiveness of the church. The splendid new parsonage at Willett gives a very fine arrangement and is a great asset. The fine new parsonage at Blachley is nearing completion. Plans are completed for and construction of the new church at Buena Vista and construction is under way, while the fine addition at Berrytown is well along and will soon be completed; plans are being arranged to complete the much needed addition on the Boylston Church while Pine Meadows is already enjoying the use of their new Sunday School rooms.

In some ways this has been a rather rugged year for you will recall that at the close of the last Annual Session of Conference there were four churches without pastors (including West Jasper where Brother Rider remained until the early part of September when he left to attend Seminary); also that soon following Conference Rev. Willard Steele resigned at Canandaigua to accept a church in another Conference; and that Rev. Bernard Gillette, Supply Pastor at Taylor, resigned in the early part of September to accept the pastorate of an independent church. We have diligently endeavored by letter, telephone and in person to work closely with the churches in an effort to provide satisfactory Supply Pastors and speakers; we have also made special effort to keep in close touch with them by way of personal visitation to business and committee meetings as well as taking several Sunday services. We express our sincere appreciation to all who have helped in supplying these churches especially would we mention Roger Rounds who served for a time as Supply Pastor at Endicott and for several months at Canandaigua; Arland Rees who has served several months in the Sunday Services at West Jasper as well as Canandaigua and other places; Dr. Frank Wright, Rev. Wallace Taylor and others; we would also like to express our thanks to Paul Lawrence who for the last several weeks before Conference did a great deal of pastoral calling in the West Jasper area. We feel it would be appropriate to express thanks to Professor and Mrs. Gary Swimley for their faithful work as members of the West Jasper Church. Brother Swimley is taking the evening service through the year.

We have endeavored to visit all the churches either on a Sunday or at a business meeting and with two exceptions this has been realized. We have participated in four funerals and arranged for official representation at another.

We are glad to report we believe our pioneer fields are progressing in a very encouraging manner; in our opinion this has been the best year in each field and the future is very promising. Let us continue to remember in earnest prayer these fields and the pastors who are laboring diligently and sacrificially to establish these new churches. The reports of progress from many of our churches which have been established for some time is a source of real encouragement. There are some areas which

are a real concern to us and we ask your earnest prayer that God will give wisdom and guidance in these places.

Recently we completed the purchase of lots at Fyler where it is anticipated a new chapel-parsonage will be constructed immediately following Conference and Camp. We have been able to secure an experienced pastor for this work in the person of Rev. Thomas Bogoshain who comes to us from the Champlain Conference. We anticipate good work in this community where, in the opinion of the Board there is real potential for a good self-supporting church. We have made a thorough study, together with the Building Committee and the pastors of Blatchley and Endicott, of available lots in the Binghamton area — located in a thousand acre plot which is rapidly being developed. There is no question about the location or the potential but only a little matter of money. We trust God will help us to work out some means by which these lots can be purchased while they are still available.

The Christian Life Book Shop, which is owned and operated by the Conference, has made real growth this past year but has also brought about some problems in the realm of personnel. Rev. Foot, because of ill-health, found it necessary to leave the business the 22 nd day of December and the management of the Book Shop became our responsibility and with the help of Mrs. Rees we endeavored to serve in this capacity for approximately four months when, through definite answers to prayer we were able to secure a fine experienced Christian business man who owns his own home in Liverpool, a suburb of Syracuse. He has now taken over this responsibility and we feel he is efficient and doing very well and will make us a very good manager. We would like to take this opportunity to express our sincere thanks and appreciation to Brother and Sister Foot for their work during the time they were with us — Brother Foot is a real salesman and did much to increase our gross business and made many valuable contacts for the business. The cooperation and patronage of our pastors and churches is indeed much appreciated. We will speak more of the progress of the business at a later date.

You will be interested to know the churches subject to conference approval are nearly all provided for this coming year with two possible exceptions. This information will be given in detail through the Pastoral Relations Report.

As we come to the close of another Conference year we would like to express our appreciation and thanks to Brother Bence, our Vice-President, for his counsel and warm cooperation in the various phases of the Conference work; to the Advisory Board, Board of Trustees and Building Committee for their counsel and fine cooperation; to the pastors and local churches who have manifested a fine spirit of team-work which has made our progress, as a Conference, possible. We would express our thanks and appreciation to Mrs. Rees who has served loyally both in the office and at the Christian Life Book Shop and has shared so faithfully in the burdens of prayer; our appreciation to our good neighbors, Brother and Sister Conley who have cooperated so loyally

as co-workers and friends. We would, above all, pause to express our thanks and deep gratitude to God for answers to prayer and for His help and guidance throughout the year. Let us go into the new year with an increased active faith in believing God for the unusual and move ahead steadily as a team with an ever increasing effort to advance the cause of the Master.

David A. Rees

RECOMMENDATIONS

1. That each church be requested to present annually, in a series of studies, the material known as "Preparation for Church membership"; that all prospective new members be requested to attend these classes and any others who are interested may also attend.
That this become Standing Rule number 28.
2. That the Conference President and the Advisory Board be authorized to plan for and set up work shops through the conference involving two and three churches at a time and that such help as may be needed be engaged.
3. That the Conference President be authorized to provide "Application Blanks" to be filled out by those who plan to take work within the bounds of the Conference. These blanks to become effective upon approval of the Advisory Board.
4. That the Conference adopt the following type of ballot in extending a call to the pastor. This ballot will provide an opportunity to vote for either a two or a one year call and will make unnecessary another vote should the pastor not receive a two-thirds vote on a two year call.

REPORT OF THE CONFERENCE PENSION PLAN TREASURER

Year Ending May 31st, 1961

Since your Conference Pension Plan Treasurer is only a clearinghouse we do not have specific financial report to render.

We appreciate the patience of each of the members of the Pension Plan who sent in assessments while the writer was ill last fall and waited for their receipts longer than usual.

It is our opinion that there has been improvement in the handling of Pension Plan details at our Headquarters in Marion, Indiana and that we can look for further improvements as more efficient business methods now in progress are adopted.

In this connection the writer feels that there should be adopted by the next General Conference a method of handling assessments which would eliminate the work of the Conference Pension Plan Treasurer. We feel that this has now served its purpose in assisting the Pension Plan to become self-sufficient and that the disadvantages now outweigh the advantages in that the receipt of assessments at Headquarters is delayed, due to third party handling, and the lack of complete records by the Conference Pension Plan Treasurer makes it impossible for them to do more than give advice in the case of problems which arise.

If the Conference concurs your Pension Plan Committee would like to recommend the preparation of a memorial to the next General Conference along the lines outlined above. Meanwhile we will continue to serve you, if that is your desire, to the very best of our ability.

Respectfully submitted,

E. J. Willett

REPORT OF THE SUNDAY SCHOOL SECRETARY

Your Sunday School Secretary has been in contact with the schools of the Conference this year through correspondence and the pages of "The Conference News." Met once with the Conference Sunday School board. Secured Rev. D. Kenneth Reisinger as speaker at the 1961 Conference Sunday School Rally. He will conduct a workshop and give an address of challenge.

Nineteen (19) schools showed an increase in average attendance over the previous year. Nine (9) of these were in the increase column the previous year. The total average attendance for the Conference increased over the previous year by 70. The average size school is 82, an increase of 11 in five years.

AWARDS

The three Conference Cups are awarded as follows: group 100 and up, to Rochester with 13% increase; group 60-99, to Baldwinsville with a 38% increase: group up to 59, to Millview with 44% increase.

The pastor or a key layman of these schools will each receive transportation in one car to the National Sunday School Convention, October 11-13, in Detroit, Michigan. In addition to transportation as specified, each representative of cup-winning schools will receive from the Conference fund \$10.00 toward other Convention expenses.

The 10% Ribbon of Merit is awarded to the following nine schools: Baldwinsville (38%), Boylston (14%), Horseheads (24%) Millview (44%), Odessa (26%), Onondaga (28%), Rochester (13%), Spencerport (20%), Buena Vista (14%).

THE AWARD STANDARD

The Sunday School Board recommends the following awards and standard for the coming year:

1. Each school in the Rochester Conference achieving a 10% gain in average attendance for the year will receive a Ribbon of Merit.

2. Schools competing for the Conference cups shall be divided into three groups: up through 59, 60 through 99, 100 and up. The grouping of schools will be established according to the average attendance at the end of the last conference year. A cup will be awarded to the school in each group achieving the greatest percentage gain.

3. The Pastor or a key-layman of each cupwinning Sunday School may travel without charge in one car at the expense of the Conference Sunday School fund to the National Sunday School Convention or a comparable one selected by the Sunday School Board. In addition, each winner who takes advantage of this will be given \$10.00 from the same

fund for other convention expenses.

4. The Denominational Perfect Attendance Award System is recommended to the Schools of our Conference.

5. Each School shall have the privilege of omitting from its record of average attendance any four (4) Sundays of the year. To be counted present, scholars must be in attendance at least half of the Sunday school session. Persons known to be in attendance at the Sunday morning service of our annual camp meeting, may be considered present at their local Sunday school for that Sunday or Sundays.

PASTORAL RELATIONS COMMITTEE RECOMMENDATIONS

That a full time president be employed by the Conference, whose duties shall be in accordance with those set forth in the Discipline paragraphs 147-150.

1. We recommend that the pioneer and newer churches shall be under the special care of the Conference President and his Advisory Board, until such time that they shall have assumed the entire responsibility for their indebtedness, and with other Pioneer churches by mutual agreement of Church and Conference President. The Con-

ference President shall be a member ex-officio of the boards of these churches and shall be informed of the meetings of these boards with the agenda for same. He shall be sent a copy of the minutes of these meetings. The Conference President shall visit these churches as often as necessary to counsel and encourage the pastor and people.

2. He shall be required to study and survey possible fields for new work and report annually to the Board of Church Extension and Evangelism. This board shall have the power to authorize further investigation and institute a definite plan of action.

3. The Conference President shall superintend the more established churches and shall endeavor to visit them once a year, preferably at a Sunday service. Each pastor shall adjust to the convenience of the President of the Conference so that his visit may be made with the minimum of time and travel.

4. He shall present the needs of the conference and church pioneer work on every proper occasion.

5. He shall enforce the provision of the Discipline, and uphold the standards of the church as need may require.

6. He shall seek to co-ordinate the evangelizing efforts of the various churches of the conference by suggesting to pastors a suited arrangement of meetings, and by counseling with reference to evangelists.

7. His Conference evangelistic dates shall be established by the President and his Advisory Board.

8. The Conference President is to be permitted to take two meetings per year outside the bounds of the conference.

REPORT OF THE WESLEYAN YOUTH PRESIDENT

To the members of the Wesleyan Youth of the Rochester Conference: Greetings in the Name of our Wonderful Lord! It has been a real privilege to serve as President of the Rochester Conference Wesleyan Youth for another year.

PROMOTIONAL WORK

I have sent out five circular letters to the WY Presidents, Counselors and Pastors promoting the WY Leadership Course, The Pioneer Drive, WY Subscriptions, The Quiz on the Gospel of Luke, and our Youth Camp.

LEADERSHIP COURSE

There were two courses given this year— One in Corning and the other in Baldwinsville. Classes were taught on the following subjects: "Why WY?", "How to Conduct a Business Meeting", "Support Your Conference WY Program", and a special class for Adult Counselors. The program for the day was closed with the film, "Teenage Challenge".

ORGANIZATIONAL MEETING

We added one new society to our conference last December when I was with the youth of the Endicott Church for an organizational

meeting.

HOUGHTON AREA COUNCIL MEETING

The Rochester Conference entertained the council for their meeting August 23-25. We met in Baldwinsville and spent one day at Camp of the Woods in Speculator, N. Y.

The Lockport Conference was winner of the Area Plague. Rochester Conference rated sixth among the seven conferences in the Houghton Area.

EXECUTIVE COUNCIL MEETING

The Executive Council met in Canandaigua to plan our program for the conference year.

OTHER ACTIVITIES

As WY President I have met with the Camp Meeting Committee and Policy Committee, and have participated in the work which they have performed.

I spoke at the Middle Atlantic States Wesleyan Convention May 19-20 in Paulsboro, New Jersey.

SINCERE APPRECIATION

I would like to give a special word of appreciation to Rev. Roger Rounds, Vice-President, who has shared the burden of this work and has met often with me in planning for a more effective WY program.

REPORT OF THE CONFERENCE W.M.S. PRESIDENT

Greetings to the members of the Rochester Annual Conference and to the members of the Woman's Missionary Society. The Scripture reminds us that ". . .there is a time to every purpose under the heaven . . ." Ecc. 3:1. And the we 'are to redeem the time' TIME, yes it is time for us to meet for business of our Annual Conference. It is time to take inventory of the year's work. It is time to cast aside the faults and failures of the past and to look toward the future with prayerful planning. Time for us is our earthly life. Someone has aptly written; "Life is a story in volumes three, The Past —The Present —The Yet to Be! The first is finished and laid away, The second we're reading day by day. The third and last of volumes three, Is locked from sight, God holds the key." How wonderful it is to know the GOD who holds the future in His Hands! The only requirement of us is, faithfulness. So let us be

up and about the task He has bidden us to do.

From September 11 — October 14, Dr. Prinsell, missionary to Africa, and Miss Carter, missionary to Jamaica, did deputational work throughout our conference. Several Missionary Conventions were held at this time also.

The new church in Endicott reorganized their Missionary Society into a Wesleyan Woman's Society in December. They have 12 active members, 6 subscriptions to the Wesleyan Missionary, and have raised \$76.00 for missions during the half year. This is a wonderful beginning. We welcome them to our Conference Family.

Gains were made by the following societies: in funds — Avon, Westfield, Chambers, Canandaigua, Haskinsville, Morris, Berrytown, Millview, Wellsboro, Rome and Corning. In Membership — Avon, Berrytown, Millview, Buena Vista, and Corning. In Magazine Subscriptions — Avon Canisteo, Baldwinsville, Millview, and Wellsboro. No doubt others had gains, but they were not reported.

In December, we sponsored the "White Gift" for the Turvereys at the Reservation. A total of \$978.21 was raised. \$111.59 was also raised for the project of the General W. M. S. Haiti.

In April, we received \$1,130.40 for Conference Pioneer through the "Self Denial" offering. \$91.05 was also received for the General W.M.S. project. The field support of both Robert and Norva Crosby has been paid from the funds sent in for General World Missions.

The Spring Conventions were held at Spencerport, Shady Grove, Baldwinsville, and Sandy Creek. These were all well attended. The total offering was \$26.89. We wish to thank the District Chairman and all others that helped. The theme followed in each convention was "I Must Work While It Is Day". We appreciate the Heart-burdening messages of both Miss Sheridan and John Edling.

Our speakers for Conference Missionary Night are Rev. Sedu Mans, pastor of the Wesleyan Methodist Church, Sierra Leone, West Africa; and Rev. Price Stark, former missionary to that field.

The total giving for the year is 19,838.19. Total Membership 894 and the number of magazines is 663.

I have counted it all joy to have served the Lord as your Conference Women's Missionary President for another year. May I express my heartfelt thanks to Mrs. Nora Woodhead, Vice President, for taking over for me during the winter months while I was undergoing and recovering from major surgery. Today I can say that 'the Lord is MY strength and My salvation.' My earnest prayer is "Lord, help me not to waste this day, lest it should be my last."

Respectfully submitted,

Gladys Newbury

It was my pleasure to be of assistance to our President this year during her illness. Hers is a heavy load and we can assist by prayer and cooperation.

I felt a very definite loss in not being privileged to attend the spring conventions, but appreciated the good reports which came to me. I am especially indebted to those who helped in handling the books in each of the districts. One hundred dollars went to the conference Book Shop besides over \$20.00 to Marion Headquarters.

MAGAZINE SOLICITOR'S REPORT

First of all, I would like to express my appreciation to the local solicitors who have been prompt, co-operative, and helpful. Our women are busy people. It takes real effort to discharge efficiently the Lord's work with which He intrusts us.

Eleven charges failed to send me their report this last quarter. Unless I had been able to get the information from other sources, I would be reporting a serious loss. As it is, I can report a gain. Subscription reported last year, 59-60, 639. Subscriptions in 60-61, 663 or a gain of 24. This is a great encouragement to us all.

Nine societies showed a loss in subscriptions. Eleven showed a gain. Those showing a gain are: Avon, Baldwinsville, Boylston, Buena Vista, Canisteo, Herrickville, Spencerport, Willett Memorial, Lyncourt, Taylor, and Waterloo.

Many solicitors do not use the Roc. numbers. If you realize their importance, I am sure you would. When your Conference minutes come out, your Roc. number will appear after the name of your charge- e.g. Avon Roc. 2. Let me explain the importance of these numbers.

The solicitor's job- whether local or conference- is an inglorious job. It will be drudgery unless it is done out of love to and appreciation of our wonderful Saviour. That will make the task worthwhile.

I have sent out 230 letters in the discharge of my duties. My financial

report is as follows:
