Standing Resolutions

1. The Conference President shall in his quarterly meeting see that adequate insurance is carried by each church on its property.

2. The Pastor's Statistical Report must be passed by the Conference Treasurer and the Committee on Character, and must be presented to the Statistical Committee before being read to the conference body.

3. The Conference shall elect a Nominating Committee for the conference year which shall be a standing committee of five members with the Conference President as member ex-officio. This committee shall nominate the chairman and members of committees and the third member of the Publications Committee. Each committee on this report shall be presented to the conference body separately and time allowed for nominations from the floor.

4. We recommend that the local treasurer's books shall close at midnight, June 30, and that the Conference Treasurer close his books effective midnight, July 7th, and that all statistical reports are to be sent in by that date to the Conference Treasurer, and that he in turn send them to the statistical chairman. All money received after that date is to be applied to a budget item on the following year. The Conference Treasurers of the Missionary Society, Wesleyan Youth and Y. M. W. B. send a report immediately after their books close to the Conference Treasurer, listing amount paid on each budget item from each church.

5. The Conference shall convene the first Monday night of August each year.

6. The Conference Trustees shall serve as the Committee on Church and Parsonage Location and Building.

7. All ministers and delegates attending the entire annual conference and camp are to be given rooms in preference to those not active in conference business.

8. No divorced person who has been remarried shall be ordained in the Kentucky Conference.

9. All Conference officials shall assume office in the next meeting following the election.

10. No charge shall call a pastor or a supply from other conferences or denominations as long as there are available ministers in our conference qualified for the work. The Conference President, after having exercised his prerogative in the reception of ministers coming from other conferences or denominations, shall immediately refer them to the Committee on Itineracy and Elders' Orders, which shall make a thorough investigation as to the ministry and life of such applicants and shall report their findings to the President, after which appointments may be made.

11. The vote on the pastor shall be taken by ballot the first week in June unless special permission is granted by the Conference President and his Advisory Board for another date; said ballots are to be prepared by the clerk and the results of the vote shall be reported at once to the Conference President.

12. Let all ministers have their membership transferred to their new appointment, and the Ways and Means Committee shall figure Budget Apportionment after the final reading of the Pastoral Relations Committee.

13. Since television in its present state is so radically demoralizing in its range, be it resolved that the Kentucky Conference register its disapproval of anyone within the Conference endorsing or owning a television set. Furthermore, be it resolved that Kentucky Conference will not license preachers or workers, ordain elders or station ministers who own or have a television set in their possession.

14. The Conference President and the Conference Secretary shall be members of the Publications Committee ex-officio.

15. A standing Committee on Ways and Means shall be elected at the regular conference election, of which the Conference President shall be a member ex-officio.

PRESIDENT'S REPORT

Members of the Kentucky Conference and friends:

With a deep sense of gratitude we gather for another annual conference to give God glory, to report and make plans for another year.

We insist that there must be earnest, individual, conscientious dependence upon the Spirit of God for His fiery baptism of love, renewed interest in Bible reading and standing on the immutable promises, a keener interest in salvaging the lost by a deeper and more determined effort, deeper loyalty to Christ and His Church, a venture into pioneer fields, a personal sacrifice to promote salvation work at home and abroad, renewed intercession for a supernatural revival for the conference and the world, and a greater confidence in one another.

State of the Conference

Over the Conference much material progress has been made. Buildings under construction last year have been completed and indebtedness reduced this year. Lexington has added a greatly needed new stone front addition for comfort as well as beauty. Holton has repaired the church foundation, redecorated and installed a furnace. Brooksbury has purchased a commodious parsonage in Madison and paid off about one third of the cost. Owensboro has purchased a parsonage beside the church which greatly adds to the church's standing in the community and provides for the pastor's comfort. In various places repairs and improvements have been made.

The pioneer field this year has been blessed of God with good advances. As is well known now, the Glasgow pioneer field developed in the spring and excellent progress is being made there. At Concord near Jamestown a new pioneer building is being finished. At Pekin, Indiana, an excellent frame addition has been built to the rear of the church for parsonage quarters at a very moderate cost. Notes payable for pioneer work have been reduced, but others made. Some spiritual progress has been made, revivals held and fires kindled; but there is room for a greater deepening yet. The Spirit of God is our greatest need.

President's Activities

This year the President has held 43 quarterly meetings, preached 142 times, taught six Sunday school classes, attended 33 conference committees, six pastors' pioneer rallies, four Marion College Board meetings, various revival meetings, the Ministerial Institute, edited the *Messenger* and cared for his own desk work and typing.

COMMITTEE ON MORAL REFORM

We urge the re-emphasizing of our Bible teachings of regeneration, sanctification and separation. The imminent return of our Lord is the greatest Biblical argument for a pure, unselfish, devoted, unworldly, active life of service.

Let it therefore be resolved that we vigorously protest against liquor and similar vices by every means possible, including a refusal to patronize merchants who handle the same.

We shall likewise oppose nudity and the wholesale prostitution existing in the Armed Forces and National life by exalting a virtuous life and instructing our young people and parents.

Be it resolved that all Christian parents seek to establish and maintain the family altar, and to create a spiritual home atmosphere, thus counteracting the insidious invasion of evil influences into the sanctity of the home.

Be it resolved that we strongly oppose the evils of our day such as the television, world conformity in dress, make-up, nudity, mixed bathing, divorce, questionable practices in our public schools, the use of tobacco, dope such as marijuana and heroin, etc.

SUNDAY SCHOOL REPORT

We thank God that our schools are carrying on. The attendance records show some growth is spots but there is not the conference wide growth that we ought to see. So let us in this new conference year set our goals higher and press on more faithfully to attain them. Rally Day was generally observed in the schools and with a few exceptions, every school contributed to the Thanksgiving Offering. The International Headquarters Building will still be the object of our coming Thanksgiving Offering, so let us do our very best in it.

The reports show that 120 Sunday School scholars were converted during the year, of whom 35 joined our churches. Six schools held Daily Vacation Schools with an attendance of 305. We would like to see a large increase in such schools next year.

Our average attendances show an attendance of about 70 per cent. That means that in a class of ten three scholars are absent every Sunday. Perhaps we can tighten up our follow up of absentees this year.

Our total receipts are higher than previous years \$11,000 plus. Eleven hundred and twelve dollars were designated for the Headquarters Building and another two thousand was given to other benevolences, of which much probably went to this same cause.

Only three schools list contributions to Foreign Missions amounting to \$111 and four schools list gifts of \$158 to Home Missions, which seems to indicate that we are not placing enough emphasis on Missionary education and giving in our schools. This we must not fail to do if we would take the lands of the heathen for our inheritance. Our expenditures for supplies totaled \$6218 and I would suggest that we use rigid economy in avoiding waste of helps or papers or in any way diverting funds that might be added to missions.

Respectfully submitted,
 Harrison Davidson
 Sunday School Secretary

PENSION PLAN COMMITTEE REPORT

We, your committee, report that since last conference the Board has approved and signed applications for superannuating C. G. Harrington and Susie Britton who are now receiving pension benefits.

This adds two worthy ones to our list which was formerly composed of C. M. Hewitt, Helen Barger, Marie D. Clement, and W. B. Dunkum.

We recommend raising a full budget that our worthy pensioners may receive full benefits. We further recommend our preachers' joining the plan and that their application fee be paid out of the old conference fund.

PRESIDENT'S REPORT

Dear Women of the Kentucky Conference W. M. S.,

God has favored us by granting the privilege of meeting together in another Annual Conference. As we review the activities and labors of the past year, and make plans for the coming year may we prayerfully seek His Spirit to be our guide.

It has been a delightful privilege to serve you these five years, and to be a co-worker with you, in God. Your support and cooperation, your prayers and words of appreciation have all been an encouragement to me.

We have continued the field support for the Rev. and Mrs. Malcolm Ellis this year. Now we are looking forward to having them with us for rallies in the spring.

The Rev. and Mrs. Ferdinand Witthuhn, missionaries to Haiti, will be with us for this Conference and speak in our Annual Missionary Service.

Following is the report of my official duties during the year:

Met with the Conference Mission Board four times.

Attended the Area W. M. S. Quadrennial Convention June 4-6, held on the Kentucky Conference Campground. This was a highlight of the year in that it was the first time we have been host to such a gathering on our Campground.

I have met with the Conference W. M. S. Executive Committee several times.

In the March meeting of the Mt. Zion W. M. S., it was my privilege to speak concerning the "Days Wages" for our Y. M. Building.

I have spoken in District Conventions at Milan, Rock Springs, and

Bloomfield.

I have written and solicited articles for the *Kentucky Messenger*.

I have traveled 990 miles for the Conference, and written 55 cards and letters. Appreciation is due Dorothy Basham who has so willingly assisted with most of my correspondence this year.

I have received \$9.59 for desk expense; \$15.00 Love offering last year at conference; \$23.10 offerings from District Conventions for travel expense; \$69.63 from Conference President's Expense Fund.

May we determine under God to live holy consistent lives, and each woman in our society seek personally to fill her God appointed place.

Respectfully submitted,
Lerada Walker

PRESIDENT'S REPORT

Dear Youth of the Kentucky Conference:

We have just closed and are reporting to you on our tenth year as Conference Wesleyan Youth President. This honor bestowed upon me has been humbly appreciated, and we have endeavored to be faithful in administering the affairs of the Youth Department in a way that would be pleasing to the Lord and helpful to the conference. It has been very encouraging to note in the conference that in many of our churches our youth are reaching out for a deeper spiritual life. The effect of this will be seen in the near future.

This has been a very busy year for your president. We have tried to keep in touch with our work on the local, district, and general levels. Much of this has been done by correspondence. My activities for the year have been:

1. June, 1956—Directed the Annual Youth Camp.
2. Edited seven issues of the *Youth News*.
3. October, 1956—Met with the Area Council in Marion, Indiana.
4. December, 1956—Met with the Youth Camp Committee and made plans for the 1957 Youth Camp.

5. April, 1957—Attended the Marion Area Youth Convention.
6. December, 1956—Attended the Youth Leaders' Conference in Marion, Indiana.
7. April, May, and June, 1957—Conducted Youth Rallies in every district in the interest of the Youth Camp.

We feel that good gains have been made in many phases of our work during the past year; yet there is still much room for improvement. We are grateful for the co-operation of each district and local officer and the pastors who have stood behind the work. The Conference Executive Committee and Youth Camp Committee have been a great help in promoting and assisting in the work of the year. We feel that we have had a special guidance of the Holy Spirit in every activity of the year.

As we look forward to a new year, let us go forward with confidence that God will lead us on to even greater achievements. We sincerely urge the youth of our conference to keep spiritual and to be a student of the Bible, and to be "strong in the Lord." This will produce a group of young people in our conference that will challenge the world to Holy character and living.

My sincere thanks to each of you that have made this a pleasant year.

Yours for our youth,
John W. Basham

LOUISVILLE, DISTRICT

We thank the Lord for the good services the Louisville District has had the past year. From the beginning with our first convention held on the Camp Grounds to the last convention with our Ky. Youth President, Rev. John Basham, the Lord blessed in each service.

We had eight conventions this year. The youth of our district were used in all of our services but one. The last week end in March we were privileged to have the Marion College Gospel Team with us for three services.

The final activity of the year was the Banquet honoring the graduates of the church of the district.

We feel that the year has been a good one. The services have been well attended. May the Lord continue to bless the Louisville District.

We wish to thank the Executive Committee and the local Presidents for their fine work in making this a good year.

MADISON DISTRICT

Greetings to the Kentucky Youth Conference and camp. We have had ten district meetings this year with an average attendance of about 85. There were good times of Christian fellowship. All of our conventions have been times of blessing and the visitation of the Spirit. At some of these conventions our Youth have found Christ precious to their souls. Our last convention was at Mt. Tabor with our Youth President, Rev. John Basham. God blessed in a wonderful way and we raised a total of \$107.44 this year and paid out \$45.13 for Home Missions and \$62.00 for Workers.

We appreciate every effort that was put forth by our youth and adults to make Madison District a success. Let us put forth a greater effort to make the coming year a great time of blessing to our Youth.

To the Youth of Ky. Conference:

The Owensboro District is very small and far apart: therefore we have had only one Youth Convention. This convention was May 29, with George Basham and Florence Burres in charge. The offering for a room at the boys' dormitory at Marion was \$14.92.

We pray the Owensboro District will be able to do more for the Youth in the next year.

WINCHESTER DISTRICT

The Lord's presence was very real in each service. We were challenged to a deeper and closer walk with God. We were also challenged to an enlarged vision for the needy fields around the world. Some have never been reached with the Gospel as yet. The response or faithfulness in attendance to these services were not that which we desired. We had 4 meetings this year and sent \$12.00 for the Ellis baby.
