"Whereas, we the South Carolina Conference of the Wesleyan Methodist Church of America wish to express our unqualified belief in the principle of separation of Church and State as guaranteed by the Constitution of the United States and upheld by our best traditions and,

Whereas, we have authentic information that renewed pressure is being brought on the President of the United States by the Roman Catholic Hierarchy to appoint a successor to Myron C. Taylor as Ambassador or Envoy to the Vatican,

Be it resolved that the South Carolina Conference of the Wesleyan Methodist Church of America, now in session at Greer, South Carolina views with grave alarm this move as well as the ten years illegal Ambassadorship of Vatican which still exists on paper.

Standing Rules and Resolutions

STANDING RULES AND RESOLUTIONS

1. That no member of the Conference shall have his character passed who fails to carry out all the rules and orders of this Conference, unless providentially hindered, except upon a three-fourths vote of the body.

2. That we affirm our faith in the soundness of the position taken by the Wesleyan Methodist Church of America in denying any of its members membership in any secret society. Hence we as a Conference require that our pastors and churches shall not elect, or suffer to be elected, superintendents if they hold membership in secret societies.

3. That we earnestly urge all our Licentiates not receiving any appointments to pastoral or evangelistic work to preach at least once a month, and also to hold if possible a two-weeks' revival during the year.

4. That no person be licensed to preach who does not tithe his income; that all our licentiates be required to faithfully tithe their income; and that the license of no preacher be renewed, who fails to tithe.

5. That it is the sense of this Conference that our houses of worship shall not be opened to any evangelist or minister of any other Church to hold a series of meetings or to maintain a regular appointment for another congregation; provided, however, that usual denominational courtesies be extended to other ministers in occasional appointments.

6. We recommend that all charges and stations to which the pastor moves pay the moving and transportation expenses of said pastor, the same to be done in addition to his salary.

7. That the pastors be required to raise their Minute Money and send to the Conference Treasurer within sixty days after they receive their Minutes.

8. That this Conference elect a Tithing Secretary, as provided for in our Discipline, whose duty it shall be to visit each charge at least once a year, if possible. Each church visited shall raise at least the traveling expenses of the Secretary at the time of his visitation.

9. That each local church or charge elect a Tithing Secretary, whose duty it shall be to thoroughly canvass the membership of the church or charge each quarter and labor most carefully to induce each member to strictly tithe his income and to place the same in the church treasury for the purpose of meeting all the claims of the church, both locally and generally. The Secretary shall report at each Quarterly Conference the percentage of the membership who are tithing in keeping with this plan, the percentage who are giving in other ways, and the percentage who are not giving at all. Each pastor and church shall co-operate with these Secretaries in every possible way in order to make the entire membership of this Conference strict tithers.

10. That we as a Conference put forth every possible effort through education, pulpit, preaching, voting, and other means to advance the cause of temperance and to secure legislation for abolishing the sale of beer, wine, and whiskey for beverages.

11. That the Trustees of the South Carolina Annual Conference, together with the President of the said Conference, be and they hereby are empowered to execute all necessary papers, mortgage deeds, and papers of a like character, when necessary to secure loans to the South Carolina Annual Conference or to any church needing funds to liquidate Conference, church, or parsonage indebtedness, provided that the party or parties requesting such action shall set forth in writing the true nature and purpose for which the loan is requested (and that the Trustees and President of said Conference are satisfied that the object for which said loan or loans is sought is both necessary and desirable. And the Trustees of said South Carolina Annual Conference are also hereby empowered to sign any or all deeds and papers for the transfer of real property that is now or hereafter may be held in trust by said trustees, where the sale of Conference, church, or parsonage or other real estate has been approved or authorized by the President of the Conference with the concurrence of his entire Advisory Board.

12. During the interim of Annual Conference the Missionary Board shall be duly authorized to draw on the funds for Conference Work, and Conference Missions, as it deems best for the interest of the Conference, and the Treasurer shall be authorized to make payments from these funds upon written order signed by the President and at least one half the other members of the Missionary Board, or signed by the President in behalf of the Missionary Board.

13. Any church which engages in a building or remodeling project or which purchases a parsonage, church building or a lot on which a church or parsonage is to be constructed, regardless of whether the property is to be owned by the local church or the Conference, is required to have the plans approved by the Conference Board on Church and Parsonage Building and Location.

Any church which secures aid from the Conference must have its property deeded to the Conference Trustees, as is required by our Discipline; and any church which engages in a building or remodeling project must have the plans approved by the Conference Board on Church and Parsonage Building and Location, according to the requirements of our building projects.

14. All pastors shall have their Statistical reports in the hands of the Statistical Committee by 8:00 a. m. Wednesday of Conference.

15. The salary of the outgoing pastor shall close on Sunday preceding the opening of Annual Conference and the church is required to include the week of Conference in the incoming pastor's salary.

If other arrangements are made the Board of Trustees must approve them before they are considered satisfactory.

Reports of Committies

Report No. 1

PRESIDENT'S REPORT

Through the providences of God we are permitted to assemble for this fifty-eighth session of the South Carolina Conference. We are here to report our activities, worship the Lord, renew Christian fellowship, and to devise plans that will mean better days in the future. It is hoped that this session will be characterized by the presence of God, Christian courtesy, brotherly love, and unity in all of our deliberations and aggressiveness and efficiency in all of our planning.

It is with a sense of unworthiness that this report is given. The services rendered has fallen short of what you and I desired. However, in spite of this the Lord has given a wonderful year materially, financially, numerically and spiritually. The Lord has verified the promise He gave me at the beginning of the year: "When thou goest thy way shall be opened up before thee step by step." (Proverbs 4: 12 free translation.) To Him be all the glory!

Appreciation

I feel that I have been sent "To reap that whereon I bestowed no labour: other men laboured and I am entered into their labour" (John 4: 38). As I traveled the conference I was impressed with the godly life, good influence, and the great work done by Brothers Keeler, Correll, Kendrick, and Mullinax, as well as others who have preceded me. They did a good work and today we are reaping the harvest as a result of the efficient sowing done by these brethren. All officers have been most co-operative and helpful. As far as I know every committee, pastor, and layman have blended their efforts to make the work prosper. The unity that has existed among the brethren has been like "the precious ointment that was poured forth on Aaron's beard."

At the time of this gathering we have seen the "cold war" which has existed more or less since "V. J. Day" between Communism and democracy turn into a hot war. The blood of the American Youth is again being spilt upon foreign soil. It is sincerely hoped that this shall soon cease and that a third world war shall not develop. In spite of the international crisis, the leveling off economically, and the threats of another war the Lord is giving some gracious revivals throughout the United States.

In our own Conference we have seen revival fires that fell on our camp meeting sweep out over the conference to reach a number of our churches. These revivals not only brought spiritual victories to the

churches, but there was a goodly number added to our church rolls. The Sunday schools have had a fine increase likewise.

Many churches have engaged in building programs. The value of our property will show a great increase, but since some of the property involved considerable indebtedness the indebtedness on church property will likewise show a decided increase. **Greenwood** has built a fine brick church on Phoenix Street. The building is 30 x 70 with Sunday school and rest rooms. The building is valued by some at \$25,00.00. There is some indebtedness. **Calhoun** has recently begun erecting a new church in a new location. **Carlisle** added additional Sunday school rooms, built a youth chapel and rest rooms, and redecorated the interior of the church, at a cost of \$9,000.00. **Westminster** re-roofed the church, added Sunday school and rest rooms, re-arranged the auditorium, installed a gas heating system and bricked-veneered the entire building. There is considerable indebtedness. **Smith Chapel** has added Sunday school rooms, brick veneered the entire building, installed new pews and a gas heating system with only a small indebtedness. **Pickens View** has added additional Sunday school rooms and installed an oil furnace. **Eastley, First** has added additional Sunday school rooms without any indebtedness. **Eastley, Greenwood** is adding additional Sunday school rooms and have installed a Hammond organ. **Spartanburg** has redecorated the auditorium, laid a new carpet, and installed an oil furnace. **Central, Second; Eastley, Alice and Clifton** have installed gas heating systems. **Greer** has installed a Hammond organ and re-decorated the parsonage. **Providence and Knighton Chapel** have installed new pews. **Greenville, First** has laid a new carpet. **Welcome and Mountain View** each is adding Sunday school rooms. **Florence** has purchased a parsonage. The payments to a little more than the rent they were paying on the apartment occupied by the pastor. **Buck Creek** has erected a new parsonage. **Lyman** improved their parsonage by weather boarding with asbestos siding. **Piedmont** is to be congratulated on paying off the indebtedness (\$1,805.83) on their church. Improvements have been made by Fountain Inn, Chesnee, Whitmire, Glendale, Iva, Tucapau, Liberty, and perhaps others that I do not recall.

The total raised for all purposes no doubt will be the highest in our history. Our pastors are being paid an all-time high, but this is not as much as it should be. Many of our churches raised the salary of their pastor during the year and others plan raises for the new year. We raised 98% of the total budget, but certain items were over while others were under. We increased the amount for pension plan to 85% which will give our retired ministers an increase of 11% in their income.

Admonitions

If our pastors and churches will be more diligent, systematic, and aggressive in this matter a full budget can be raised. The Conference can-

not successfully operate without a full budget. Our ministers need to be better trained, better paid, more sacrificing, and harder working. There should be a better understanding of, and a better discharging of the duties of the pastoral office as is required by our book of discipline. There must be a closer adherence to the discipline and conference rules. As one example: attention is called to paragraph 168B in our book of discipline and standing rule 14 of the conference. If our pastors will consult the proper officials before engaging non-Wesleyan evangelist it will save embarrassment. Several churches disregarded or overlooked the matter of having the plans approved by the proper committee before improvements were made on the church property. The churches should give attention to better care of church property, and pastors and churches should fully co-operate with the entire conference program.

I attended the North Carolina Conference, Greer Camp Meeting, the formal ground breaking and opening service of the Greenwood Church, the opening, harvest day, and commencement exercises of Central College, 6 district W. Y. P. S. rallies, the state W. Y. P. S. convention, 1 W. Y. P. S. council meeting, the southern area W. M. S. convention, the southern area Youth Bible Camp, the southern area Ministerial Institute, the Leaders' Conference, 2 district ministers and missionary conventions, the state Ministerial Institute, assisted in the Alabama Conference Ministerial Institute, and was convention speaker of the South Georgia Conference W. Y. P. S. Hours have been spent in private and business consultations, committee meetings, and putting up and taking down the tent. I held two quarterly meetings on each charge, one of which was the fourth. I have consulted with the stewards of local churches and in some cases raises in pastor's salary were realized and vacations were granted to pastors.

Advancement

The W. Y. P. S. of the conference showed their interest in and concern for the conference advancement program. When given the opportunity to purchase a tent they gave in cash and pledges enough to buy the best tent that is made. The pledges came in sufficiently to enable the W. Y. P. S. Council and the Missionary Board to make arrangements to purchase a 40 x 60 steel cable tent. We are counting on the balance of the pledges coming in which will enable us to take care of the money for which we had to arrange. The Columbia District W. Y. P. S. made it possible to hold a tent meeting at Newberry by contributing the major part of the finances of the meeting. Brothers Elrod, Johnson, Alexander, and Lackey were the efficient workers. There was considerable expense involved, but they served for their expenses and were given a small love offering. Some of the party have already volunteered their services in a further extension program. The Missionary Board supplemented the meeting to the amount of \$138.00. A preaching point has been started as a result of the meeting, and we are hopeful that eventually a Wesleyan work can be organized. The Catechee-Central Second Charge used the tent in Pendleton for 18 days. The meeting did not accomplish what we had hoped, but the charge is to be commended for their evangelistic fervor. The Spartanburg and Carlisle churches will be using the tent in a new field in Spartanburg immediately after conference, and other churches have expressed a desire to do like work in territory adjacent to their churches. It is hoped that other churches will imbibe this spirit and go and do likewise.

We are still giving aid to some of the new churches. The time should soon come when they are able to finance their own program, but until such is the case some aid will have to be given. Brother Giles has been most helpful and co-operative in the extension program. The pastor and good people of Whitmire did much to make the Newberry meeting successful.

Official Acts

The action of the Advisory Board was unanimous in those cases where they acted.

July 25, 1949, I gave the Laurens Church permission to secure Rev. Wolf of the Pilgrim Holiness Church as evangelist.

9. That A. E. Belk be paid a maximum of \$50.00 per month until such time as his salary exceeds \$20.00 per week, provided that if a suitable house can be rented for less than \$50.00 the difference is to be deducted from the payments.

Report No. 4

MISSIONARY BOARD, 1949-1950

On November 5, 1949 a majority of the members met with the Conference Trustees to consider a petition from the Florence Church, asking that the parsonage lot be deeded to the pastor in order that a larger loan be secured for building.

After due consideration the Board decided not to grant such request, but that the regular procedure be carried out. It was also the mind of several members of the Board that the cost of building was not to exceed \$6,000.00.

On February 7, 1950 the Missionary Board met at the First Church in Greenville, S. C. (all members present except Rev. W. D. Correll) and the following business was transacted:

By motion the Board voted to buy an electric switch box for electric stove at president's parsonage.

The Conference President and the Conference Treasurer were instructed to make needed repairs on the President's parsonage and have same repainted as soon as able.

The Conference President was authorized to draw on the treasury for South Carolina Conference's part of expense of Leaders' Meeting. This money to come from Conference work.

The matter of paying the Williamston Church \$100.00 on their improvements was discussed. It seemed somewhere in the past they had been led to expect such help. After due consideration the Treasurer was instructed to pay this as soon as able.

The Board voted to allow the Conference President to retain his evangelistic offering above his regular salary provided he spent all of his time inside the Conference.

By motion the Treasurer was instructed to pay traveling expense of Brother Giles which had been incurred in interest of Conference up to this date February 7, 1950. After this if he is called to a place that church shall pay his expense.

On March 30th, 1950 the Board was called to meet at the home of the Conference President.

After prayer the following business was transacted. The Conference

President was instructed that if the Florence Church asked any further advice as to building parsonage, that he advise them to go ahead provided they be responsible for the deal and that we as a Board would continue to aid in the amount of \$15.00 per week until Annual Conference.

The Board voted to be responsible to the extent of \$200.00 if necessary for a tent meeting at Newberry.

By motion the Joint Board and W. Y. P. S. Council made the Conference President and President of W. Y. P. S. Custodian of the tent and also voted that an established church who uses the tent be charged \$1.50 per day except by consent of the Missionary Board and W. Y. P. S. Council.

J. A. Giles and E. L. Shigley, Jr. were elected a committee to purchase tent.

EDUCATIONAL SECRETARY

I am sure that you have an inward God-consciousness of the crucial times of uncertainty facing us. In the midst of advanced living costs, higher prices for school supplies and equipment, we face a great challenge to carry on for our Christ and to save our school for the future. We must save our Church for the cause of spreading scriptural holiness. If we save our Church we must save our youth. If we save our boys and girls for the future of the Church, we must preserve our schools as feeders for the Church. To save our youth we must assist them to get a Christian education. Central College is rendering a valuable service to the South Carolina Conference and to the Church at large. In order to accomplish some worthy objectives for Central College and to make it a stronger force for God and Holiness, It is recommended:

1. That you pray for a deepening of spirituality.
2. That you pray for and stand by the constituency of the school.
3. That you inform your people of the program and work of the school.
4. That you urge your people to visit the school as often as possible

and that you arrange to have musical groups, etc., from the school to visit your church.

5. That your church raise a full educational budget.

6. That you use your influence and assist in securing prospective students in reaching the 300 goal set by the Board of Managers for the school year opening September 5, 1950.

7. That you PRAY—BOOST—GIVE—in the continued effort to liquidate its final indebtedness.

Yours for Central College,

C. T. Bryant, Educational Secretary

CENTRAL DISTRICT MINISTERS' MEETING

The Central District Ministers' Meeting had two gatherings during the Conference Year. Each session was a joint meeting with the Ladies Missionary Societies of our District. Our first meeting was held at Glenwood Wesleyan Church, with the Rev. G. C. Cockrell, President of Oklahoma Conference, and the Rev. Robb French, General Evangelist, as guest speakers.

The second meeting was held at Piedmont, with the Claus Indian Family furnishing the special music. The various pastors of the district spoke on different phases related to "THE MINISTER AND HIS CHURCH." Both of the meetings were well attended and the blessings of God were upon the services.

The committee feels that every pastor should avail himself of the opportunity to attend the Ministers' Meetings. This is one way that pastors can qualify themselves to be better informed as to methods and ways of enlarging God's Kingdom.

Committee: C. T. Bryant,
E. L. Gunby.

FIFTH SUNDAY HOLINESS CONVENTION

The Fifth Sunday Holiness Convention was held at the Wesleyan Methodist Church, Lyman, S. C., April 28-30, 1950. The host pastor and church gave us such a warm reception that we all felt at home. The various preachers of the Conference spoke on the different aspects of the theme: "HOLINESS IN RELATION TO REDEMPTION."

The anointing of the Holy Spirit was upon the entire convention. A good time of Christian fellowship was enjoyed by all who attended. It was the consensus of opinion that the convention was very profitable.

C. T. Bryant, Secretary;

Report No. 12**SUNDAY SCHOOL SECRETARY**

To the members of the South Carolina Conference of the fifty-eighth session, we are grateful to the Almighty God for His kindness and protection through another year. It has been my delight to visit a number of church schools over the Conference. I feel that our church schools have made noted gains in every department. Each Sunday School seems to have the evangelistic spirit in their midst.

I have visited 48 schools; Traveled 3,346 miles; and Received \$462.55 in offerings.

Recommendations

1. That every Sunday school plan well and work hard to make Rally Day a real success. That the attendance be reported to the Conference Sunday School Secretary at the earliest possible date.
2. That each local Sunday school work and plan to put their school on the gold star list for the Thanksgiving Offering and that the amount of offering be reported to the Conference Sunday School Secretary.
3. That a daily vacation Bible School be conducted in each local Sunday school if practical.
4. That each church have a teachers' training school in the Conference year if possible.
5. That each Sunday school scholar be urged to bring their Bibles to the church school.
6. That the Sunday school teachers urge their scholars to remain for the regular church service.
7. We recommend that when you invite the Sunday School Secretary for a service that an offering be given him.

Signed: C. M. Elrod,
W. S. Allred,
E. W. Cartee, Chairman.

Report No. 1

PRESIDENT'S REPORT

To the members of the South Carolina Conference W. M. S. now convening in this forty-fourth session, greetings in the name of Him who loved us and gave Himself for us! It is with a deep sense of gratitude that I acknowledge His help and guidance through the transactions of the year. For the work to be so suddenly shifted from the shoulders of the experienced to the inexperienced has caused me a great deal of concern and realization of my dependence on God and on you as a group. He has not failed in any part and you have been a loyal group to stand by and encourage for which I express heartfelt thanks.

I have endeavored through the year by correspondence and personal contact to stress the four areas of our work as presented to us by our General W.M. S. President at our last Conference session, which were: Prayer Partnership, Study Program, Subscription Goal and Enlarged Membership.

My correspondence has included several hundred pieces of mail. I also attended the Southern Area Convention held at Gastonia, N. C. in October of 1949. This Convention was indeed blessed of the Lord and each of our hearts felt a new challenge as we went back to our homes.

I want to express my deep appreciation to the many who have helped and co-operated so splendidly in the work this year. The Treasurer and Secretary have faithfully filled their places and been of great assistance to me.

It would be of interest to note that there has been an increase in membership during the year as there are now 834 active members as compared to 769 of last year. Also the total amount raised this year is \$14,995.96 as compared with \$12,736.47 of last year.

I recommend that your pledge for the work of Mountain Missions exceed that of previous years in order that we may continue to give assistance to the workers already on our list and to add funds for new projects.

I recommend that the election of officers be the next item of business taken up.

Respectfully submitted,

Mrs. J. B. Hilson, President.

Report No. 2**REPORT OF THE AUDITING COMMITTEE**

We, the Auditing Committee, have examined the W. M. S. and Y. M. W. B. Treasurers' books and find them correct.

Respectfully submitted,

Mrs. R. C. Kendrick,
Mrs. J. C. Lackey.
