 21. The budget, not including Sunday School assessments, shall be figured on the full membership as reported in Item III of the Statistical Report of the current conference minutes. The Sunday School assessments shall be figured from the total number in the main school as reported in Item IV of said minutes.
 22. The conference secretary is authorized to prepare short form blanks of pastor's report on conference floor each year.

PRESIDENT'S REPORT

Mr. Chairman, Dr. Liddick, delegates, pastors, and friends of the Sixty-Second Annual Session of the Oklahoma Conference of the Wesleyan Methodist Church of America, greetings.

We are indeed thankful to the Lord for His guidance, blessings, and enablement throughout this year. Also, we deeply appreciate the prayers, cooperation and services both of our devoted ministers and consecrated laymen over the Conference. Our thanks must go to each one who has helped to make this year the degree of success that it has been. The various arms of the Conference such as the Sunday School, the W.M.S., and W.Y. are to be commended for the splendid work done.

Out of necessity last year we assumed the pastoral responsibility of the Tulsa Church. Because of the distance involved, our activities over the conference were somewhat curtailed; but for the most part everyone was considerate and understanding.

One of the highlights this year was the organization of the Guymon Church. Pastor Ernst is to be commended for the very fine preparation of the people for organization. The present total membership is 27, with 19 full members, 2 associates, and 6 juniors. In addition to spiritual progress, the Guymon Church has been a pace-setter in missionary vision and total finance.

According to reports, we have had a gain of 54 during the year. We are thankful for this gain, but we feel it could have been better. The records also show that there have been 105 conversions, 57 reclaimed, and 74 sanctified. This is a good report. As related to church membership, however, of the 105 converted where are the

other 51? It would seem to me that neglect in this area is much too common. I call attention of each pastor to an article in the Wesleyan Methodist, June 30, 1965, issue by C. Wesley Lovin entitled "Attention: Pastors." This article deals with these very problems.

In the area of finance there has been a gain in total income for all purposes indicating growth and progress. Almost 100% (less than \$100.) came in and 89% of General Budget was met. We deeply regret a shortage in our General Budget and strongly urge each pastor to see that these obligations are met this coming year.

The General Board of Administration in June voted to add the state of New Mexico to the boundary of the Oklahoma Conference, comprising five states. This places on our conference still greater responsibility as well as the tremendous challenge of presenting the message of Christ and full Salvation to new areas. Some progress has been made toward enlargement as related to Albuquerque and North End. These areas as well as others must be brought into fruition. Greater growth is anticipated in Dallas upon relocation this fall and the purchasing of a new church plant.

The denomination has felt keenly the destruction of the World Headquarters by the tornado. Out of an historic General Board Meeting of the General Board in June came action calling for a special meeting of the General Conference next year. Let us pray earnestly for God's will and guidance for the Church.

Even though there have been gains and progress in many areas over the Conference, we have not been without our problems and concerns in some of the churches. Seemingly more than ever, Satan is endeavoring to hinder and destroy the vital work of Christ in these last days.

However, we face a new year and say with Paul, "We press toward the mark," with the unlimited power of the Holy Spirit to see us through from victory to victory. We must redouble our efforts to enter new fields and enlarge our borders. Whatever it takes to move faster and get a greater job done, we must find it. We must guard against the "containment" theory and instead continue to thrust ahead by faith. Some churches having received assistance over a period of time must assume more of their load, thereby releasing funds for extension in other areas. We commend the Rogers Church for assuming their full financial obligations this past year.

The triennial theme, "Evangelize Now," focuses attention on "The Process" and "The Purpose" of evangelism. The process involves dynamic preaching and teaching in this day of national crises, mounting materialism, deadly modernism, and godless communism. The purpose is that of witnessing, that we might lead others to reconciliation through Christ, thus completing the Body of Christ and hastening His coming.

Report No. 7

REPORT OF CARD CALL SECRETARY

There has been a decrease in the number of Card Call subscribers in the Oklahoma Conference during the last five years, while at the same time we have had an increase in church membership. Perhaps the reason for this is that the cause of Card Call has not received adequate promotion in the local church. It is the responsibility of us as pastors in cooperation with the Conference Card Call Secretary and with the Department of Church Extension and Evangelism, to faithfully promote this great work of our church. I would ask each pastor to examine the records of his church and strive for 100% participation. In the report of the Committee on Evangelism and Church Extension at the 1963 General Conference, several recommendations were made concerning Card Call. Two of them which apply to the local church are as

follows:

3. Encourage each church to conduct an annual service in the interest of Card Call.

4. Each church should appoint a local secretary to promote Card Call. (1963 Gen. Conf. Minutes, p. 283)

May we each apply these recommendations in our own local situations to increase interest and subscribers to Card Call.

The building of many of the fine churches in our own conference has been greatly assisted by Card Call dollars. Let us share the blessing and help others build for the glory of God.

Respectfully submitted,
Gordon Hada

REPORT OF TEMPERANCE SECRETARY

The problem of Temperance stands before us like the mighty walls of Jericho which hinder the progress of individuals and nations a-

REPORT OF TEMPERANCE SECRETARY (Cont)

like. This nation, as never before, is plagued with a continual mountain of moral decay. The enemy of God and nations uses all media of advertising to spread its venom into every home.

Where is the answer? What is the solution? Possibly the destruction of Jericho would supply a four point plan that would aid in her hindrance or total destruction. FIRST, know what the will of God is, which would destroy this known sin. SECOND, Obedience to His divine will and plan. THIRD, Faith in the promises and provision which fortify His will. FOURTH, Effort on our part to accomplish what He desires. The plan at Jericho proves, beyond doubt, that when God has the will of man and man has the provision of God, victory is sure.

Let us apply this plan both individually and collectively, wherever and whenever possible. To us will go the victory and to God will go the praise and glory.

WESLEYAN MEN'S FELLOWSHIP

According to reports received there were two active groups of Men's Fellowship in the conference, Ponca City and Oklahoma City reporting. Perhaps there were others who did not report who have active Fellowships. The Oklahoma City Men's Fellowship took on the project of underwriting the newly organized C.Y.C.

Due to the several responsibilities of the local church and the responsibility of making a living for my family, I have found it impossible to devote the time needed to promote the Men's Fellowship as I would like to have done. I do want to thank you for the opportunity to have served in the church program, but in all fairness for the good of the organization I would rather not be considered for the job this conference year.

Respectfully,
Henry Carver, Secretary

REPORT OF SECRETARY OF EVANGELISM

Evangelize Now - - Evangelism must be the creative art of every dedicated minister and layman who is interested in reaching the average American for Christ today. It must be this daily challenge which will motivate the local conference to walk out in faith to meet the needs of Americans seeking for an answer to this generation's problems. With this purpose of challenging today's community for Christ, each pastor has been contacted personally or by mail concerning announcement of revival meetings in their local church. These announcements have been reported in the Conference Beacon. We have been encouraged with the many reports of spiritual victories in the churches of the Oklahoma Conference during the previous year. May the spirit of revival continue during the coming year.

REPORT OF BURIAL ASSOCIATION SECRETARY

The Burial Association is an organization within the Wesleyan Methodist Church of America. Its sole purpose is to help provide assistance toward the burial of its membership. The assistance is not intended to be sufficient to cover the total cost, but to help carry one over a period of burden. We all are grateful for any help that we receive at such a time.

We would urge upon all members of this Annual Conference to become a member of this Association. Pastors, do your people a service and inform them of this wonderful work.

CONFERENCE MISSIONS (Cont)

The high calling to God to the harvest fields of the world has many places to be filled. The nature of the work according to the assignment is the need of the places concerned. We have the assurance of the Lord of Harvest that He will be with us at all times. We thank God for a small place to labor in His vineyard during the past year. We know that His word will never return void but accomplish the great purpose the Lord of Harvest may have.

We carried on a ministry during the past year as the needs seemed to be mounting continually. A mission letter was sent out to all the pastors together with tracts and literature. One note was given to the Beacon as a booster for the work of missions in the Conference. God is able for great projects if we will labor, pray, and believe.

REPORT OF EDUCATION SECRETARY

The concern for Christian education should be a vital concern of each member of the great body of Christ. Our country and our communities need sound Christian leadership. For the most part, this type of leadership training is not being offered in our secular schools today.

Miltonvale Wesleyan College is our area Christian training center. Let us back Miltonvale with a loyalty that is unwavering. Phase II of the Miltonvale enlargement program is moving along nicely, but will require sincere prayer and faithful giving.

Education is a life long process. Diligence is necessary in the home, school, and church. If the Christian church is going to move forward tomorrow, we will need to train today.

NOTES: All budget EXCEPT Sunday School Work items is figured on the number of FULL MEMBERS in the church as reported at the last Annual Conference. Sunday School Work items are figured on the POTENTIAL REGULAR ATTENDANCE of the Sunday School as shown on line 5, Item IV of the last Statistical Report. It is suggested that the Sunday School of each church assume the payment of the Sunday School Work assessments. This will simplify your budget records since the two groups are figured on different bases as noted above. This year, 80% of the Missionary Service and Missionary Tour faith pledges may be counted on budget. Of these pledges, 40% is for World Missions, 15% is for General Church Extension and 25% is for Conference Extension. The W.M.S. Conference Treasurer will show this distribution on her receipts. The remaining 20% will be shown on her receipts under "Other Objects" and should be shown on your statistical report as an "OTHER OBJECTS" Benevolence.

W.M.S. PRESIDENT'S REPORT

Again this year our hearts are rejoicing in the wonderful working of our great God. The kingdom of God has been expanded to some extent because men, women, and youth of our conference have heard the call to "Prepare the King's Highway."

Year after year we are seeing greater missionary vision in our conference churches. All have cooperated in the fall missionary conventions which bring missionary information and interest to every local church, and give every individual an opportunity to share through the faith promise pledges. The Scripture says, "Ask, and ye shall receive." Last year our conference asked the Lord for \$10,000 in mis-

sionary convention pledges. God has surely rewarded your faith and obedience, as \$11,000 in cash has been received. This amount is divided between World Missions and Church Extension, with a part for missionary travel and project. This also included a \$1,200 share in the support of Harris Earl, our missionary to Colombia, and other shares of support taken by local churches choosing their own missionaries.

This missionary plan involves more than our loyal women. It involves the entire church, every family. With this wonderful cooperation of pastors and churches, and the WMS serving as a channel for funds and promotion, God has brought this year's total giving for missions to an all time high. Last year's report showed a very fine total of \$12,443, a gain of 25% over the previous year. This year the grand total has topped \$16,558, which is a gain on \$4,115, or 33%. All praise to Him who is worthy!

Most of our churches have shown very good gains this year. The highest increase was a gain of \$793 by Enid Westside, which was a gain of 60%. The highest percentage gain was our newest church at Guymon, which showed an increase of \$754, or 270%. These are surely remarkable increases, and other churches are not far behind. Churches with the highest grand totals are Enid First, \$3,044; Houston, \$2,342; Enid Westside, \$2,101; Alva, \$1,511; and Guymon, \$1,027.

In the area of WMS membership there was a gain of 20, making a total of 325 members. There was a gain of 7 in Missionary Magazine subscriptions.

Activities of this past year have included the following: Issuing the WMS Helper for local presidents, Planning the fall missionary conventions with Lois Sheridan and Harris Earl, Traveling on missionary tour with Harris Earl and Mrs. Beulah Landrey, Preparing the Missionary Page for five issues of Conference Beacon, Attending four meetings of the WMS Executive Committee, Attending Spiritual Life Committee meetings and other conference committees on call, Sending out 180 pieces of mail with postage reimbursed by WMS Treasurer.

The Lord has done great things. May He give us as missionary women the strength and courage to "Evangelize Now" in our own neighborhoods and to send the glorious message abroad.

Faithfully submitted
Bethel Sawyer

WOMEN'S WORLD FELLOWSHIP REPORT

For the new year ahead, may we encourage the formation of new prayer circles.

Christian fellowship, spiritual growth and maturity will come to all who participate. "The Word" and "The Watch" draw us closer to God and to each other. It takes real effort to start a prayer circle but it can be done.

Let us ever strive to reach higher goals, to do our "utmost" for "His highest".
