Your committee to whom was referred the matter of Memorials and Resolutions beg leave to submit the following report.

## 1. James Matheny.

Whereas in the providence of God, our esteemed brother, Elder James Matheny, has been called to his heavenly reward during the past year, we desire to record our submission to the heavenly father's will, our sympathy with the bereaved family, and our conviction, he who has gone from us, was one of God's noble men.

Brother Matheny was one of the charter members of the Wesleyan Methodist Church, going into the organization some time in the 40's.

We found one license issued by the Pleasant Grove Church, of

Camden Circuit, dated Sept. 1st, 1849. This license bears the name of Daniel Worth as president, and William Gladding, secretary of the Quarterly Conference.

The aged widow was unable to find his ordination<sup>s</sup> parchments, but he was ordained doubtless in the early 50's.

He traveled a number of circuits under the direction of the conference, supporting himself by working on the farm, as did many of the pioneer ministers of the Indiana Conference: but few people realize at this present time, what the early ministers endured, following blazes on trees through the woods, and preaching in cabins and barns; but our beloved brother continued faithful until the infirmities of age compelled him to relinquish the work, that had been so dear to his heart for more than half a century.

He had an unflinching fidelity to his convictions, and no power of earth could turn him from the path of duty, when it was made plain by the word of God.

He was one of the pioneer abolitionists of Marshall Co., and the bond-men of the south had no truer friend than was "Uncle Jim," as he was familiarly called.

He was faithful to answer roll call at conference until too old to travel, and meet his brethren in their annual gatherings.

The world has been made better by his consecrated life, and his influence will be a power for God through all the coming years; his spirit lives in the paradise of God, the body, resting in the grave, will some day come forth to be clothed with glorious immortality.

## 2. The state of the country.

We regret and deplore the fact that degeneracy still exists in an alarming degree in the government, and that by political intrigue and manipulation, great and distressing inequality exists.

This was not the design of the founders and early leaders of this great country, but rather that all should be free, and be given equal opportunity, physically, mentally, and spiritually.

Therefore be it resolved:

1. That we deplore, and will lift our voice, vote, prayer and influence against the accursed Liquor Traffic, which the government is not only very evidently and effectually in partnership with, but miserably and hopelessly enslaved unto.

2. We as a church, and especially as ministers and representatives of Jesus Christ (by whose precious blood, were made sacred to him the bodies and souls of men, the peace of the home and the purity of the church) ought to be in the front rank in an unrelenting warfare, using every possible weapon against this Goliath of Hell who stands with drawn sword and contemptuous scorn against the womanhood, manhood and childhood; against God, his church, and his holy day. In a word, we believe every man should, and he

who does as God wants him to do, will cast his ballot with that political party whose emblem is the Rising Sun, whose watchword is Prohibition.

We favor that an hour be set apart in our next annual conference for a public discussion of this subject.

3. Too much can not be said in regard to the official corruption and graft in the dominant politics from the lowest to the highest departments of the government: the fearful and appalling increase of divorce cases: the trifling respect that both men and women have for marriage vows, and family ties: the disobedience of children to parents, the lack of natural affection of parents toward children: in that for their own pleasure's sake, the parent neglects the child, the world forsakes it, and the devil destroys it. These all tell us that the prophetic "perilous times" are here: will we not for humanity's sake, for Jesus' sake, for heaven's sake, as voters, as Americans, as a church, as Christians, use every force and agency and grace to defend the weak, to protect the helpless, to tear down the kingdom of the devil and to build up the glorious kingdom of God.

4. We believe in the principle of settling all questions of state and nations by arbitration, and sincerely pray for the time when the nations shall learn war no more, but with the Prince of Peace enthroned, the kingdoms of this world shall become the kingdom of our Lord and his Christ.
