CONFERENCE RESOLUTIONS

1. All Statistical reports shall be filed with the Statistical Committee not later than the second day of Conference.

2. Pastors shall equalize the amounts required for Budget before overreaching any one item, and it shall be the pastor's duty to inform his people at the beginning of the year concerning the amount to be raised, and he shall at once proceed to raise the amount assessed his charge.

3. Inasmuch as the work of the Conference demands the attention and the attendance of all its Elders and Licentiates, therefore we will not employ as pastor or evangelist any Elder or Licentiate or pass the character of any Elder or Licentiate except by vote, who does not attend the entire session of Conference. The Committee on Pastoral Relations shall not give employment to any preacher who does not meet the requirements of this standing rule, without bringing his excuse before the Conference for its action in the matter.

4. Any minister accepting work on a charge at the hands of this Conference who resigns or abandons it before the year is out without a good excuse or lawful reason, shall be considered by said Conference and it shall take a vote of Conference to pass his character.

5. When an Elder resides outside the bounds of the Conference but retains his membership with a church within the bounds of the Conference, a Delegate shall be elected from this church to represent said Elder, the seating of said Delegate in the Annual Conference depending upon the attendance of said Elder at the Annual Conference.

6. Inasmuch as the work of the Conference demands the attendance of Delegates as well as preachers, therefore we discourage the election of any person as Delegate to Conference who does not intend to attend the entire session. Information of the Delegate's intentions shall be incorporated in their credentials.

7. Any member leaving Conference must present his excuse to Conference.

8. We recommend that each church pay two dollars towards the board of each Delegate and pastor at Conference, said amount to be sent with the Delegate's credentials. Also that each church pay the traveling expenses to and from Conference.

THE OHIO CONFERENCE

9. The Secretary shall prepare blanks for Delegate's credentials, including the statement required by the last resolution. Said blanks are to be mailed to the pastors shortly before Conference, and when filled out by them, to be sent to the Chairman of a Standing Committee on Credentials, if possible, in order that they may be able to report immediately after the opening of Conference. Said committee shall be composed of two members appointed by the President.

10. The secretary shall send a statistical blank to the clerk of each charge having no pastor, requesting that the same shall be filled out with all available statistics and returned to the Conference Secretary.

11. For the future the Conference shall observe the disciplinary rule requiring each pastor to read his statistical report on the floor of the Conference.

12. Friday preceding Conference shall be set aside as a day of prayer for the Conference.

13. Robert's Rules of Order shall be the parliamentary guide of this body.

14. Wednesday afternoon and evening of Conference week shall be designated as Young People's Day.

15. Thursday evening of Conference shall be set apart for public missionary service.

16. We authorize the closing of the Treasurer's books one week before Conference.

17. We recommend that pastors, Sunday Schools, W. H. & F. M. Societies and Y. M. W. Bands remit all funds raised, quarterly.

18. Pastors shall preach on the subject of church benevolences at least once a year.

19. The first Sunday in October shall be set apart as a day for special prayer to be offered and efforts made to interest and enlist the young people of our Church in its work.

20. Be it required that all pastors of the Ohio Conference attend all sessions of the Camp Meeting unless providentially hindered.

21. All charges receiving a new pastor pay the moving expenses, the amount being agreed upon by the pastor and church.

WESLEYAN METHODIST CHURCH

22. We order that no money be paid from the Conference Missionary Fund except by written order of the Missionary Board.

23. Each year there shall be incorporated in the minutes a list of those who have died in the various churches during the year, the pastors being asked to provide the secretary with the necessary information.

24. The Conference treasurer, with all persons introduced to the Conference shall be honorary members of the Conference, and shall be accorded a seat within the Conference Bar.

25. Each occupant of the dormitory during Conference is to furnish his own bed linen and towels.

26. The new churches shall be assessed 25 percent Budget the first year; 50 percent the second year; and full Budget the third year.

27. Be it required that all our workers, preachers and singers on the platform at Conference and camp meeting, wear sleeves at least to the elbows, and all their apparel in accord with the Discipline.

28. We recommend that 1st, every church in the Ohio Conference be urged to enter every open door that may be found within its borders, and inaugurate a church extension campaign including a special evangelistic program, specializing on Holiness, Church Organizations and Church erection. 2nd, each pastor be encouraged to hold at least one revival meeting a year, for some nearby pastor or at some point adjacent to his charge, with a view to organizing a Wesleyan Methodist Church.

29. In view of the added labors devolving upon the Board of Trustees and Conference leaders, due to increased interest and attendance at Conference and Camp, and in view of many matters of comfort and proper entertainment which must not be neglected because of the same, therefore be it resolved, That a Camp Meeting Committee be elected, consisting of five elders one of whom shall be the pastor of the Africa Church, whose duties it shall be to have oversight and care of the camp ground and the securing of evangelists and all other workers for the camp and dining hall.

30. We shall have a traveling President who shall receive \$1200.00, the amount to be apportioned to the churches.

31. The Conference Secretary shall provide for the pastors, cards to contain the following quarterly report: Amount of salary received, Amount of Budget raised, Number of pastoral calls made, General condition, said report to be mailed to the Conference President quarterly.

REPORT OF THE CONFERENCE PRESIDENT

Under the providence of Almighty God we have convened for the 29th. annual session of the Ohio Conference of the Wesleyan Methodist Connection. The past year has not been without its battles and its trials, but we serve a God who is mighty and who will lead us on to victory as we trust in Him. Our battles are His battles and this work in which we are engaged is His work. We do not fight this warfare for ourselves, but for Him who hath called us out of darkness into His marvelous light. Therefore let us be strong in Him and in the power of His might.

While the year has not been without its conflicts, neither has it been without its victories. There has been especial effort put forth along the lines of Church Extension and Conference Missions. This has resulted in the opening of five different Wesleyan works. Of these five, two are still operated as missions and the remaining three have been organized into Churches. In addition to these three new churches, the work at Northridge which was begun more than a year ago, was organized into a church

WESLEYAN METHODIST CHURCH

body. This makes a total of four new church societies organized this year. More details of this work will be included in the report of the Missionary Board.

Some of our older churches have also experienced revivals during the year. But we feel that we have need of a far greater one. We heartily join with the call to a connection-wide revival. It is the only thing that will give us a full vision of the need around us and impart the adequate power to meet that need. May God revive us again! We know of nothing that will bring such a revival upon us except as God's people shall go down before Him in earnest and heart-felt entreaty and intercession. To your knees, O Wesleyans!

Although we have not yet been able to ascertain exactly, we are led to believe that this year will show a numerical increase over last year. This is as it should be. When the Church was living its closest to God, there were added to the Church daily those who were saved. Sometimes we have almost appeared to think that it was more religious to subtract than to add. We have so feared to make the mistake of popular religion that we have leaned the other way. We believe firmly that we ought to be able to show a constant increase numerically. Numbers alone mean nothing, but when they stand for souls who have been redeemed and washed in the blood of the Lamb prior to their being received into the church, they mean a great deal. We advocate the greatest of care in the reception of members, that none be received contrary to disciplinary requirements, and frequent revising of the church roll that those who refuse to walk with God should not appear to receive our sanction. We feel that it should mean something to be a Wesleyan. When our rolls are thus guarded, the numerical gains which we report will stand for real gains.

While we bespeak the heartiest coöperation of our people in every arm of denominational activity, we especially desire to urge them to greater endeavors along lines of Conference work. In the past this arm of the work has been neglected more than the others. We feel that it is just as important and just as worthy of support as any other part of our work.

There lies before us a great field of activity in Ohio. The fields are white. The precious grain is perishing. We have the opportunity of being fellow-laborers with God in the great harvest field. To make the most of this open door will require the coöperation of us all. So let us all pull together in the great work of spreading scriptural holiness over Ohio.

I entered upon my duties as Conference President soon after being elected to that office. I have endeavored to the best of my ability to further the interests of the Conference and to discharge my duties in the way

THE OHIO CONFERENCE

that would most contribute to the upbuilding of God's kingdom in the hearts of men.

During the year I have held 22 quarterly meetings besides one meeting in each of our missions at Westerville and Verona. I also officiated at the organization of the church societies at Northridge and Piqua. In addition to the traveling necessary to hold these meetings, I have toured a large part of the conference in company with Brother Lewis, in the interests of conference mission work. I have also had to make a number of other trips at various times. Altogether I have traveled in the neighborhood of 7000 miles this year in the interests of the Conference.

I have received from the churches a total of \$130.77, from the Conference Treasurer \$85.50, from other sources, \$2.50, making a total of \$218.77 received. Of this amount \$121.44 went for traveling expense, \$8.56 for postage and stationery, and \$4.48 for telegraph and telephone expense, leaving a balance received for my services, of \$84.29.

My official actions have been as follows:

1. Aug. 10, on recommendation from the Committee on Itineracy and Orders I granted John Hunter a Conference Preacher's license, appointing him to the pastorate at West Dayton.

2. Aug. 17, I received the transfer of Elder E. VanHoughton from the Indiana Conference.

3. Aug. 21, I granted the request of Loran Irby for a transfer from the Ohio Conference to the Indiana Conference.

4. Aug. 30, I received the resignation of Fred Fields from the pastorate at Senecaville. On Sept. 14, Walter Jeffries was appointed to succeed him.

5. Sept. 11, I granted the request of W. E. Ballenger for a letter of standing.

6. Sept. 15, W. C. Graves organized a class at Olive Green. Upon my being apprized of the fact, I consulted with the Advisory Board and with the consent of at least one member, received the new society as a church. Edgar Bagley was appointed pastor but upon his abandoning the work, H. B. Wilson was appointed to supply. The work suffered some reverses and finally, in order to clarify matters, the society was reorganized by Brother Wilson on June 21. At present there are 14 members.

7. Oct. 25, I authorized the rental of the building at Marion for the period of one year, to a group from the city mission.

WESLEYAN METHODIST CHURCH

8. Oct. 27, I organized a church at Northridge. John Woodhouse, under whose ministry the work had been opened, was continued as pastor.

9. Dec. 16, I received the resignation of C. E. Knight from the pastorate at Baker Chapel and appointed Fred Fields to succeed him.

10. Jan. 12, I organized a church at Piqua with 23 full and 3 associate members. Rev. A. F. Mahler was secured to supply the work.

11. Feb. 6, I authorized T. B. Bailey to organize a second church in Cincinnati. On Feb. 19 I was notified that he had effected the organization. After consultation with the Advisory Board, the new society was received. The new organization is known as the Vine St. Church. At the time of organization it had 20 members. While some of these were transfers from the Fairmount Church, yet that body still had 15 members. T. B. Bailey was appointed pastor of the new church, while at the same time he was to retain the oversight of the Fairmount Church for the balance of the year.

12. Feb. 18, I accepted the resignation of John Hunter from West Dayton. On Mar. 25 I sanctioned the choice of the church by consenting to the service of Loran Irby as pastor.

13. At the Dunkirk convention I asked the Committee on Vacancies to appoint some one to fill the office of Educational Secretary made vacant by the illness of John Hunter. On May 13 I received word from Brother Wright naming R. J. Stratton to that office.

Finally we wish to thank our people for their coöperation which alone has made possible such advances as have been made during this year. We feel that especial credit is due to Kenneth M. Lewis for his untiring efforts in behalf of the Conference Mission Work. Most of our other brethren too, while they may not have occupied so prominent a place in the work, have labored with us nobly.

Above all, we desire to render praise to God for His blessings during the year. Paul may plant, Apollos may water, but God alone can give the increase. To His name be all the glory!

Respectfully submitted,

LESLIE D. WILCOX, President.

REPORT OF THE MISSIONARY BOARD

For the Year Ending Aug. 1st, 1936

Your Missionary Board desires to submit the following report:

We entered upon our duties immediately after election to office and in September the full Board met at the camp ground and discussed the need and some prospective fields. Being engaged in general evangelism which necessitated traveling over several states we have not had the counsel and advice of Brother Graves through most of the year and much of the work has devolved on the remaining members of the Board. With the exception of Brother Graves we were both new to the office and had had no previous experience in extension work. Therefore we sought to acquaint ourselves with the needs of the territory covered by our Conference and began at once to gather statistics and information as opportunity afforded.

Upon investigation we found 35 cities of over 10,000 population and approximately 250 towns with 1,000 or more people within the territory of Ohio Conference and were amazed to find that over one-half or about 130 of these towns have no church of a definitely holiness denomination.

We might summarize our policy for the year as follows:

- 1st, We have sought to occupy as many fields as possible.
- 2nd, In occupying these fields we endeavored to enter the place or places which seemed most promising at the time.
- 3rd, Having once entered a field, we have made it a policy to persist in face of all difficulty.
- 4th, We have sought to keep at a proper distance from all other holiness denominations. Our aim has been to be coöperative, rather than competitive.
- 5th, We have used a definite "pay as you go" financial policy and have kept within our income.
- 6th, We have strictly adhered to a plan of having all moneys handled through the Conference Treasurer and for an accounting of moneys received and disbursed see the report of the Conference Treasurer.

At the time of Conference and Camp last year Rev. W. C. Graves was engaged in Conference Extension work in Fairview Village, Ohio which meeting resulted in several accessions and great encouragement to our work there.

WESLEYAN METHODIST CHURCH

From Fairview the Graves party moved to Olive Green where they continued for about five weeks in the tent and in an abandoned M. E. church. At the closing service this work was organized and Brother Edgar Bagley was appointed pastor, being later succeeded by Brother H. B. Wilson.

The party removed to Westerville and after securing a hall and continuing for two weeks were obliged to leave for other evangelistic labors. Others were secured and we continued the meeting. The work has been carried on as a Wesleyan Mission under the direction of Brother C. L. Wright. On June 14 a mission organization was effected with 12 members.

Near the middle of October negotiations with an interdenominational tabernacle group in Piqua were begun and in December Brother A. F. Mahler was engaged to conduct an evangelistic meeting. A contract was drawn up with the owners of the tabernacle and a temporary organization made operative while plans were being completed. On January 12 the church was organized with 23 full and three associate members, and Brother Mahler was made permanent pastor. The building has been further improved by the addition of a new concrete floor and a new coat of paint.

We engaged Miss Nellie Hamilton to preach for us in an abandoned mission at Verona, O., 35 miles northwest of Dayton and this meeting continued several weeks beginning May 27th. Souls were blessed in this good meeting, money came to pay all bills and the original amount paid from our treasury for handbills was returned and a balance left in the local treasury.

Wesleyan work was unknown there and when seeking to organize we saw they were not ready and hence established a mission church on June 20th under the direction of the Missionary Board. Brother Wm. Mahler was appointed to conduct services until Conference.

We soon found the amount of money apportioned to us by last year's Budget Committee was insufficient to finance a program such as we had in mind and therefore arranged for a Missionary Board tour to arouse our people and enlist their dollars to back us in extension of our borders. Being pastors, we had to arrange a time when we could best be away from our respective fields. In several places the weather prevented our getting a very representative hearing from our people.

In the week of December 2-6 your Missionary Board visited Athens, Coshocton, Greer, Senecaville and Harrison Chapel churches.

Later from January 13-16 we visited Cincinnati (Fairmount), Dayton (Belmont), West Dayton and Northridge.

THE OHIO CONFERENCE

From Feb. 16-27 in company with John Woodhouse, Young People's President, we conducted Young People's Rallies and Missionary Board Meetings at Fargo, Olive Green, Africa, Westerville, Shadley Valley, West View, Fairview, Findlay, Dunkirk and Kenton. With two or three possible exceptions we visited every church within the Conference.

In March we completed the tour by a return to Athens county, at Bakers Chapel and personally visited Brother Sedgwick at Sugar Creek.

Total cash and pledges received from these trips amounted to about \$320. We have travelled approximately 4000 miles in the interest of Conference Missions and at least 1500 miles has been made at no cost to the Conference.

We have endeavored to do our best in the task assigned us and eternity will record our problems and how well we, with your help, have wrought. We have appreciated your assistance, your gifts and your prayers.

Respectfully submitted,

LESLIE D. WILCOX,
KENNETH M. LEWIS.
