REPORTS OF COMMITTEES

Report No. 1

PRESIDENT'S REPORT

Under the direction of Almighty God we have tried to mind our convictions during the last year in the Kentucky Conference.

The task has been somewhat abnormal in carrying different responsibilities and looking to the natural, but looking up the outlook was just as bright as the promises of God.

We have been made to realize in working in the various parts of the Conference the essential needs, such as consecrated laborers, men and women with a vision and conviction to carry out a thorough pioneer evangelistic program, a hearty coöperation with the Conference program, all doing their best to bring up each arm of the work assigned to us as Wesleyan Methodists.

Realizing that a well equipped and spiritual Camp Meeting would be a great asset to our Conference, much of our time and effort has been spent in raising means for this purpose and assisting in the development of the same, preachers and workers from various parts of the Conference helping for which we are thankful.

There has been marked spiritual and material progress in most of the older churches during the past year, and three new ones organized.

Three churches have a building program and two new parsonages have been purchased.

We believe great results in soul winning and the establishment of souls in the Grace of our Lord will be obtained, if all pastors and local preachers will reach out from their different locations, and start a work for the Lord.

During the Conference year we have made two Quarterly Meeting rounds giving two night services, or week end services to each church.

We have organized two churches and a mission, these churches having grown out of efforts of pioneer evangelism, through local preachers and exhorters.

Besides our Quarterly Meetings and Camp Building Program we have held four pioneer meetings and aided in other meetings.

We are thankful to our people for their coöperation to make the work a success in the Kentucky Conference.

May God give us more laborers with a vision to carry out the work dear to my heart.

REPORT OF COMMITTEE ON RESOLUTIONS

We, the Committee on Resolutions, submit the following report:

We wish to express our gratitude and praise to our Heavenly Father for His mercy and loving kindness bestowed upon us during the past year. Therefore be it resolved:

1. We do urge our women to intelligently familiarize themselves with the teachings of the Church: First, concerning doctrine and personal experience. Second, that we conscientiously devote ourselves to the promotion of our Church interests, that we become familiar with our Plan of Work, and that we set ourselves to the task of efficiently applying said Plan. Third, concerning dress as instructed by Peter and Timothy (1 Peter 3:3, 4; 1 Tim. 2:9, 10). And as exemplary Christian mothers, we train our children and youth to modesty and proper respect for the sacredness of their bodies; that we teach them not to wear the low cut, sleeveless dress and the short skirts which expose the limbs of children; that we teach them the facts of life. Deploring the tendency to nudity of body and limbs at bathing beaches and pools, on the streets, in the schools, and even in the churches of our land—we do urge that our children avoid all garments which accentuate the suggestiveness of sex.

2. We do deplore the low standard of morals existent in the common ranks of society which destroys the sanctity of marriage and encourages divorce which tends towards promiscuity and free love. We do deplore the present attitude toward sin, Sabbath desecration, drinking, cigaret smoking and the increasing use of the Marijuana drug.

3. We deplore the anti-Christian and blasphemous trend of the modern school program, wherein God is insulted and despised, and in which natural appetite is deified; the tone of the present day literature which lifts the degrading practice of smoking and drinking on to a plane of legitimate art; and which features flirtation and courtship between the married as a matter of course. We urge our strongest opposition to profane literature and ungodly amusements which do now corrupt our land.

4. We pledge to refrain from patronizing restaurants and stores that

THE KENTUCKY CONFERENCE

sell liquor if it be possible, and in every effective way show our disdain for the liquor traffic.
