RELIGIOUS SERVICES

The Religious Services were the outstanding features of the Conference. The Camp Meeting being held in conjunction with the Conference it added much to the spiritual atmosphere. Many souls were happy finders of the Grace of God in the forgiveness of sins and the cleansing of their hearts. Rev. Rolla D. Wise very ably preached the Word under the anointing of the Holy Ghost. Sister Golden L. Young was at her best in the leading of the song services and her specials were soul inspiring.

The opening sermon of the Conference by the President, F. C. Hill, was greatly owned and blessed of God. He brought to the vision of the Conference some of the glorious possibilities and privileges of "The Church."

The W. Y. P. S. services were one of the special features. There was a splendid group of young people present and their lives were living monuments to the grace of full salvation.

The W. H. & F. M. Society and Y. M. W. B. programs were inspirational. The dialogue depicting the native life in India and the relative indifference of many Missionary organizations at home was impressive, and made one feel that he surely did not want to fail those hungry hearts. They were fortunate in having Sister Grace Wood present and her message in the service was appreciated. Rev. E. F. McCarty was present and gave his able assistance to the Missionary and Evangelistic services. He also brought a helpful message to the Young People, and in another message brought to our thought the vital interests of the Connection.

The 6 o'clock morning prayer meetings were seasons of unspeakable blessing. One of the services was given to special prayer and anointing for healing. God's blessing was graciously outpoured in this service. On Sunday it was given to the administration of the Lord's Supper.

The Educational Interests were ably presented by Prof. O. G. Wilson. The need of Christian influences in the school life of youth in this day when so many enemies of faith are at work was emphasized.

One hour was given to the discussion of tithing. The question of the Store-House Plan was discussed.

Another hour was given to the Sunday School. Some helpful and practical suggestions were given.

And last, but not least, we would mention the children's services which were held daily under the direction of Sister Dorothy Dunbar. These services are of vital import, for some of the boys and girls are getting real experiences that will go with them through life.

Surely the days were full of good things. It makes us hungry for next year's services even now as we remember these.

PRAYER LEAGUE

We praise the Lord for the ever-loving intercession of the Lord Jesus in our behalf, through whose merits we receive the answer to our own petitions and have the privilege of sharing in the labors and trials of our brothers and sisters in Christ.

“Though sundered far, by faith we meet
Around the common mercy-seat.”

Numerous revivals have been held over the Conference, in twelve of which the Prayer League coöperated. There was also one request for prayer for the sick. In summoning the fellowship to prayer the Secretary has written 390 letters or cards at a postage expense of \$4.05.

ROBERT C. TIGAR, Secretary.

HOLINESS CONVENTION DISTRICT NO. 1

We have conducted three Conventions during the past year on the east district. These were held at Kansas City, Gage Park and Fairview, being joint Conventions with the W. H. & F. M. and Y. M. W. B. and W. Y. P. S. Societies. At each Convention the programs of the different Societies were each very efficiently provided for and the blessing of the Lord in a marked way was felt in every service.

The interest manifested at these Conventions by all has been very inspiring and we feel the Lord has made them a blessing to all.

J. A. STANSBURY, Chairman.

HOLINESS CONVENTION DISTRICT NO. 2

While there are but six charges included in District No. 2, we have been unable to arrange for and hold but two Holiness Conventions in the past Conference year. One was with Brother Coates on the Chapman Creek Charge and the other with Brother Hinchsliff on the Hall Charge. These gatherings were manifestly blest of the Lord, by the presence of the Holy Ghost.

We are sorry not to be able to report one or two Conventions on every charge because we feel that all of God's people should be encouraged to enter the fullness that awaits them. We are commanded

WESLEYAN METHODIST CHURCH

in His Word to "grow in His grace" and it is so evident to God's holy people that the growth prior to the receiving of the Holy Ghost if it exists at all, is faint, fitful and feeble, marked with no steady progress. It occurs to me it would be a very helpful way to arrange a schedule governing the holding of our Holiness Conventions. Some one of the brethren suggested something of this nature, mentioning the idea of holding the Holiness Conventions in connection with the Quarterly Meetings. This thought appealed to me very favorably.

Beside attending the above mentioned Conventions, we have attended other all-day meetings of the holiness people. One very noticeable feature of the holiness people where I have been privileged to attend was there seemed to be the especial presence of the Holy Ghost. That thought inspires me and encourages me to greater activities along the lines of the holiness movement.

I think it was Daniel Steele who said that one thing that convinced him that there was much to the experience of holiness was that those who experienced this great blessing afterward became one idea people. Many of them who were very fickle in their religion until they were sanctified afterward became stable and dependable. It occurs to me that being given to God soul, body and spirit, and seeking first the kingdom of God and choosing the one thing needful, would constitute a man or woman as a one ideaed man or woman—a peculiar people.

HENRY B. PARSONS, Chairman.

HOLINESS CONVENTION DISTRICT NO. 3

We have only conducted one Convention on this district, this was at Phillipsburg. We had bad weather and not many from out of town were present, but God gave us a gracious time, the Holy Ghost settled down on our services and I believe that every one present was helped and blessed. Praise God!

We have in our district two different county holiness associations and they each have a meeting each month, one the first Friday and the other the second Friday, so it is rather a difficult problem to get calls for a convention.

I can say I feel the presence of God and He abides.

G. A. DUNCAN, Chairman.

THE KANSAS CONFERENCE

SUNDAY SCHOOLS

The Sunday School is an established principle of Christian education and is received as an authoritative institution for imparting a knowledge of God's holy Word. It is that department of the church that takes the young life of a community and lays the foundation for character building and contributed to the development of that character for a life of service for Christ and His church. In the Sunday School the material for the maintenance and perpetuity of the church is largely to be prepared. Here the Word of God is taught; the scriptures explained; Christ revealed; His claim urged; followed with exhortations to accept Him and a consecrated effort to lead all to Christ who will make Him their choice.

Our book of Discipline says, "For the moral and religious instruction of our people and for the promotion of Bible Holiness, and the propagation of other doctrines essential to the development of Christian character, we consider the Sunday School a necessary and indispensable institution of the Church."

As we view the importance of the Sunday School we strongly urge the heartiest coöperation of both old and young to make our Schools the most efficient possible. We also urge a careful selection of teachers and officers.

Above all other material we heartily recommend the use of our own Sunday School literature.

E. H. COOK,
IRENE HUGHES,

MINISTERIAL ASSOCIATION

At the kindness of the Bethel Charge the Ministerial Association met with the above Church. The Chairman, Rev. V. C. Martin, had prepared an excellent program and the ministers of the Conference, as a whole, responded real well to the subjects assigned. The local Church manifested a splendid interest and the attendance throughout was very good. We were very kindly entertained by the people on the Bethel Charge.

We regret to report that very few of our Ministers remained over the Sabbath. Since the Association has been planned for only a brief period of time and since the services are of such importance and interest we would be glad to see our Pastors remain until the close.

E. H. COOK, Acting Chairman.

WESLEYAN METHODIST CHURCH

BOOKS AND PERIODICALS

In the perfection of the printing press, science and invention has made a powerful and influential contribution to mankind. The press has become a most important and mighty factor for molding public sentiment and exercise a great influence in Church and State. The cheapness and abundance of literature has placed within the reach of all an opportunity to read and absorb the current of events in the community and the world at large. Good reading has proven to be a blessing, while bad reading has left such a curse.

We deplore the display of that class of literature so extremely detrimental to society. Newstands are displaying unwholesome reading which is readily devoured by both young and old, and pressure and influence should be brought to bear against the display of such literature.

We warn our people against the book agent who is seeking to promote the interests of false doctrines and isms. Parents should safeguard the home by keeping all papers, magazines and books that are of a low, trashy nature from the reading table, and should instruct them concerning wholesome literature which will not only satisfy the natural craving for reading, but will stimulate to noble emulations and result in the formation of sterling Christian character.

We urge the use of our own publications and the patronage of our Publishing House for literature and books.

We would most heartily recommend the Bible as the Book of books, and spiritual literature should be constantly read.

MORAL REFORM

Your Committee on Moral Reform submit the following report:

We are living in an age of moral decay. Family life, social life and commercial activity is permeated with a looseness and a disregard for moral integrity which threatens both Church and State. Modernism, which is fast ripening into Atheism and Anarchy, is rampant throughout the world.

We deplore the apostasy that is sweeping through the church in its

THE KANSAS CONFERENCE

departure from the commands of Holy Writ; the worldliness of many, in dress, habits and the practices of life; we deplore the growing desecration of the Holy Sabbath, in doing business thereon and in making it a day of pleasure; we deplore the manifest determination of Secret Societies, Atheistic Associations and ungodliness of all kinds, to ignore the Church and bring swift retribution of God upon the earth; we deplore the determined opposition of the masses against Prohibition and Law Enforcement, as well as the lack of aggressiveness of many good people in favor of the same.

The old-time Gospel, preached, possessed and practiced among all professed followers of God, is the great need of the hour. We implore all our brethren and sisters in the Church to rally to the doctrines and standards of the Church, and to maintain a Christian life and walk in the fullness of the blessing of the Gospel of peace, that we may bear a testimony against all ungodliness and sin and lift up the banner of full salvation, as the only hope of a lost world.

CONFERENCE TRUSTEES' REPORT

The annual report of the Trustees of the Kansas Conference for 1930-1931.

The mortgage of the Belleville Church came due and payment was demanded. The mortgage and interest amounted to \$671.64. A discount of \$171.64 was made by the Mortgage Company and a new loan was made for \$500.00 at an expense of \$25.00, which was met by that amount which was in the treasury for Belleville.

Owing to the depression the Kansas City property has not been sold. The Church of Kansas City has been keeping up and improving said property without expense to the Conference.

STATE OF THE WORK

We, your Committee, beg leave to submit the following report:

The past year has brought many blessings to the Conference and we thank God for giving us as a people a place in the salvation of a lost world. As we take a retrospective view of the Conference year we are truly thankful for the good revivals which have been held on the various charges and for the accessions to the various churches.

The Ministerial Institute and Convention was held at the Bethel Church.

WESLEYAN METHODIST CHURCH

Two churches have been added to the Conference this year, one at Phillipsburg, the other at Iowa Union, near there. A new church has been erected at Inglewood. Also extensive repairs have been made on the churches and parsonages. Some repairs have been made on the Dining Hall, and a floor has been put in the basement of the Tabernacle for a Men's Dormitory.

Our young people are still taking advanced ground in the work of the W. Y. P. S. The action of our last General Conference in adopting a Connectional Constitution for the W. Y. P. S. and appointment of a General Superintendent is a progressive step in which we are glad to share.

The Camp and Conference is growing both numerically and spiritually. The Lord is wonderfully blessing the Conference and a blessed spirit of unity exists among the Brethren.

Respectfully submitted,

F. E. SHIVERS,
W. S. HOTCHKISS,
E. R. HUNTER,
LEAH MACY,
Committee.

INSURANCE COMMITTEE

We, your Committee on Insurance, wish to submit the following report:

It is the judgment of your Committee that a mutual insurance arrangement among the Churches of the Kansas Conference would be feasible. We do not find sufficient interest to warrant definite action at this time, but we recommend that our Ministers mention the proposition to their classes and be ready for further action at our next Conference.

To assist in taking care of this matter we recommend the following resolution:

Be it resolved, That it is the sense of the Annual Conference that the Conference President and Quarterly Conference Evangelist should inquire at each Quarterly Conference whether the local church property is properly repaired and insured.

Signed by Committee,

WM. A. SMITH,
CHAS. F. POMEROY,
S. B. BURGAN.

VOTE OF THANKS REPORT

Realizing that all life's blessings find their source in God our Father, we wish first of all to render thanks to Him, Who in His infinite love and mercy has allowed us to once more meet together in our annual Camp Meeting and Conference and enjoy His gracious presence while sitting together in heavenly places.

We wish also to express our sincere thanks to the following persons for their very efficient help rendered:

Brother and Sister Holloway and their helpers in the Dining Hall, all who contributed in cash and provisions toward the furnishing of the splendid table board, to the friends who so generously and kindly opened their homes for the entertainment of Delegates and visiting brethren and sisters and their families, to Rev. Wise for his faithfulness in delivering God's messages, to Sister Velma Gathers for so ably presiding at the piano, to Sister Young for her leadership, also for her special messages in song, and to her noble band of singers, and all others who in any way by their help made possible this wonderful meeting of God's people at this time. May God's blessings continue to abide upon you, making you faithful unto every good work.

C. E. HUSCHER,
LESTER TASKER,

WESLEYAN METHODIST CHURCH

REPORT OF COMMITTEE ON STATISTICS

We, your Committee on Statistics, have made the following observations from the reports of the churches:

The increase in membership for the Conference is 69. It took 7 of us to get one converted and 16 of us to get one to join the church.

We have one subscriber for the Wesleyan Methodist for each 5 members of the church.

There are 10 organizations in the Conference that paid their Pastors more than the previous year.

The average total receipts for the Pastors, for those not otherwise regularly employed, was \$772.12.

The reports reveal the fact that our people have contributed in the past year to the extent of \$35.83 per member. With 994 members as reported last year we contributed for all purposes the sum of \$36,557.69.

There is a deficit for Missions according to the budget assigned of \$559.00, in the Conference Fund of \$432.00. In the Educational Budget we went over the top by about \$36.00.

A. F. MESSER,
J. H. HINCHSLIFF,
E. R. PITTS.

WESLEYAN METHODIST CHURCH

REPORTS

PRESIDENT'S ADDRESS

Dear Sisters of the Conference Missionary Society:

I think it well to preface these few remarks with the slogan, "The Mission of the Church Is Missions." In 1 Cor. 1:21 we read, "It pleased God through the foolishness of preaching to save them that believe." And in Rom. 10:15, "And how shall they preach except they be sent?"

Coupling as we well may these scripture passages, we are bound to conclude that preaching is God's plan for bringing His message to man, and that man is responsible for giving or sending this message. In Acts 1:8 we find how far the command reaches. From Jerusalem to the uttermost parts of the earth.

It is the business of the enemy of all righteousness to defeat this God-given plan, in ways too numerous to mention in this brief message, but our Commander has provided wisdom and grace in abundance at our disposal, for the asking, and we alone can defeat God's purpose in our lives. No, not even financial depression can hinder the spread of the gospel message—if God is first in our lives. Nor will any seeming defeat prove disastrous, so long as our eyes are not on the things which are seen, for He giveth more grace and so makes the cross resplendent with His glorious presence. Repeating the admonition given in my message of last year, I would say, "Let us not be weary in well doing, for in due season we shall reap if we faint not."

N. MAE CLARK, President.

PRESIDENT'S OFFICIAL REPORT

My official report is as follows: Attended the usual duties of this office with the added privilege of attending another quadrennial session of the General Conference at an expense of fifty dollars (\$50.00). Paid for Wesleyan Missionary Campaign supplies (to be used in Conference and Conventions) at an expense of one dollar and fifty cents (\$1.50).

Number of letters written, 116; Cards, 75.

Respectfully submitted,

N. MAE CLARK, President.

THE KANSAS CONFERENCE

DISTRICT ORGANIZERS' REPORTS

District No. 1

The first Convention of the year was held at Kansas City in November. Our revival meeting was in progress and I felt it my duty to remain at home. A good Convention was reported.

In March we had a Home Missionary Convention at Gage Park. Brother Baker was with us and lent his usual amount of inspiration and blessing to the services. We arranged for Brother Baker to go to Eskridge and Ottawa for one service, at the close of the Convention. We feel that Brother Baker's visit to the East District was very profitable.

The Foreign Missionary Convention was held on the Fairview charge in May. We drove most of the way from Willis in the rain, but the roads were dry when we reached our destination. The attendance at the Convention was good.

I went to Kansas City in the interests of the Missionary Society July 28.

I have copied and mailed out letters from the missionaries to the Societies—altogether have written 30 letters.

Travel and Expense.—I have traveled a total of 640 miles. Three days have been spent on the field. Postage on letters mailed amount to 60 cents. Sister Clark donated 78 cents for gasoline. My own donations amount to \$2.42.

IRENE MILLARD.

District No. 2

Two Conventions were held on this District.

In January the Foreign Missionary Convention was held at Wesley Chapel, the home church of Brother and Sister Albert Macy, former Missionaries to Africa, also of Vera Macy, who is now on that field. The Convention was a season of blessing and inspiration. Every one who was assigned subjects was present with well prepared papers and talks. The presence of the Holy Spirit witnessed God's approval of the Convention. The Wesleyan Young People's Society and Holiness interests were well presented by the District organizations.

The Home Convention was held at the Miltonvale Wesleyan College Chapel in March. It was in our thought to reach the young people in the School with these interests. The weather was unfavorable for a large attendance from the Charges, but a good crowd was in attendance. The favor of the Lord was graciously outpoured. Brother

WESLEYAN METHODIST CHURCH

Baker was present and his able and instructive addresses added much to the Convention. The various subjects were handled in a masterly way.

I have appreciated the hearty coöperation of the Societies in the year's work.

One and one-half days and two evenings were spent in Convention work. Postage and car-fare one dollar (\$1.00).

EVA M. COATES, Organizer.

District No. 3

Beautiful for situation is the new Inglewood Wesleyan Chapel, nestled in the hills of Phillips County. This was the seat of our first Missionary Convention held March 24th and 25th. A most blessed gathering together was experienced. The Holy Spirit was in our midst. With but one exception, every one whose name appeared on the program was present or sent his paper.

Because of the large territory this District covers, two Conventions were planned. The second was held at Belleville. We battled with the worst storm of the season to reach the place of Convention and because the storm increased in its fury we remained for only one service.

A Missionary Rally was planned for the Sabbath at Concordia. Again our plans were frustrated, this time by bad roads, but in spite of that fact a fine congregation gathered. Several delegations from nearby charges were present.

Rev. T. P. Baker was present for all of the services. Because of exposure in the storms he contracted a very severe cold, nevertheless he gave his services unstintingly while among us, and presented very vividly the need of evangelism in this fair land of ours.

We truly appreciate the hearty coöperation of the Societies, also the splendid assistance given by the Pastors in arranging the Conventions. The Lord be praised for the success of the work.

Besides outlining the Convention Program and planning the Convention and Rally, I have written 62 letters and 12 cards, also made 50 copies of news letters from Sisters Macy and Davis to be sent to the Societies.

I spent 2½ days in the field in Convention work. Stationery and postage, \$2.25; telephone calls, 50 cents; traveling expenses donated by the District Leader's good husband.

Respectfully submitted,

MARY DUNBAR, District Leader.

THE KANSAS CONFERENCE

Y. M. W. B. SUPERINTENDENT'S REPORT

It is with a feeling of deep gratitude that I bring to you this report from the Y. M. W. B. Gratitude to our Heavenly Father for the blessing which has rested on the Band work this year. Two new Bands have been organized and one old Band reorganized. This has made a substantial addition to the Conference Band. Encouraging letters have been received from Superintendents inquiring for better methods for carrying on their work. May the Lord richly bless the Y. M. W. B. May the leaders, Superintendents and Presidents realize the responsibilities and duties which rest upon them and meet the challenge which comes to them in the dispersing of missionary knowledge to young life. The success of our future missionary enterprises depends largely upon the vision and knowledge which the children are receiving.

In response to a call I went to Iowa Union and organized a Y. M. W. B., July 29, 1931. I have written 75 letters and 37 cards. I also made 25 copies of a personal letter from Sobeh and mailed them to the several Bands. I spent one and one-half days in the field. Postage, \$2.75. Expense to Iowa Union, \$4.00.

Lovingly,

MARY DUNBAR.

REPORT OF EXECUTIVE BOARD

We, the members of the Executive Board, recommend:

1. That the public offering be taken and divided as follows: 25 per cent for the Kansas Conference, 25 per cent to Home Missions, and 50 per cent to Foreign Missions, giving any one the privilege of designating the channel into which they wish it to be placed.
2. That we give our President \$15.00 for her services rendered during the past year and her bill of postage per her report.
3. That we give our Secretary and Treasurer each \$10.00 for their services during the year, including bill of postage.
4. That we give our District Organizers a salary of \$1.20 a day while in the field, and traveling expenses.

WESLEYAN METHODIST CHURCH

5. That we allow our Corresponding Secretary her bill of postage, also the Y. M. W. B. Superintendent her bill of postage and traveling expenses.

6. That the Society help Sister Miller by donations.

7. That we continue the support of Sister Grace Davis during this present term of service on the field.

It is further recommended that the same method be used for her support as formerly, if this method has been found satisfactory with the Local Societies.

8. That we give the surplus from the rent of rooms after the expenses are paid, together with the amount of money on hand from last year, for the upkeep of Abbott Hall as needed.

9. That we retain the \$200.00 of medical money in the treasury, since we have a prospective outlet for this fund in our Conference.

MARY DUNBAR,
JENNIE EMERSON,
IVA BARTLEY.

REPORT OF THANKS COMMITTEE

Unto God, our blessed Lord and Saviour, we offer praise and thanksgiving for His many mercies and blessings, and for His manifest presence at each session of our Annual Conference gatherings.

We would render unto God praise and thanksgiving for the inspiration our Sister Grace Wood has given us by her presence and addresses, also for Brother McCarty's help and instruction in this great work.

We wish to thank the Camp Meeting Committee and those of Miltonvale who have so kindly provided for our every need.

Also to Sister Gordon, who so faithfully kept the Dormitory so neat and clean during our stay at Camp Meeting and Conference.
