PRESIDENT'S REPORT

To the officers, ministers, delegates and friends assembled for the Seventy-Fifth Annual session of the South Ohio Conference of the Wesleyan Methodist Church of America and the first annual session of the South Ohio District of The Wesleyan Church, greetings in the name of the Lord!

It was my privilege to be a part of the conference delegation which represented you at General Conference. Others included in our delegations were Sister Ophther Anderson, Sister Velorus Chandler, Brother Herbert Gates and Brother Henry Sanders, Jr. We owe them great respect for the splendid services rendered to the demonination and our district during those days of labor for the Master.

Many fine things could be said of the occasion, but two shall ever remain in my memory; the fine spirit of unity which prevailed throughout, and our theme as a new church, "One - that the world may believe."

May new fires of evangelism start in each of our hearts and the Lord see many souls won to himself.

In the new church we have the pioneer district, the mission district, and fully recognized district. We will need to work hard in the coming years and seek to gain district status. God can help us to do so.

I was also present for a Marion College Board meeting, a conference board meeting in Zanesville and the ministerial meeting in Dayton.

My church contacts included visiting Bartlett, Cutler, Dayton, Hillsboro, Long, Marietta, Parkersburg and Zanesville. I plan an early August visit to the three churches in Tennessee.

I have also pastored the church in Indianapolis. The Lord is doing some wonderful things for us there. Let us pray for God's continued blessing.

Conference President
Rev. Eugene Ramsey.

The country is still very much at unrest today. We find it hard to believe that our country is still the home of the free, not only is our country corrupt but people have turned away from the spiritual life, striving to solve their problems in their own ways, instead of seeking God.

Until our nation turns back to God's Word there will be no peace in the hearts of men.

MORAL REFORM

We, the committee on Moral Reform, submit the following report:

As christian leaders, we need to realize our responsibility to our nation and most of all to our God.

We need to seek means through the grace of God to the moral decay of our nation.

The evil of all narcotics, LSD, glue sniffing, riots, dancing and illegitimacy of sex. I was listening to the news early Monday morning and it said in Milwaukee, Wisconsin Sunday night that they were having a "rock 'n' roll" dance under a huge tent and a great tornado-like wind came and raised the tent up off the center pole and about 50 people were hurt, mostly young people. This was not a tornado, but God showing his angry feeling toward ungodly people. You need to pray much for your children as well as other children, like Job did, because he was afraid they would sin.

Christ is the answer to all of our problems if we go to him with clean hands and pure hearts, let us pray much that God will help us.

Humbly submitted,

Sister Anna M. Gilmer

Sister Opther Anderson

Mrs. Nora Morris

TOPIC

"WHAT MY SUNDAY SCHOOL MEANS TO ME"

Following are some of the thoughts on "What My Sunday School Means to Me".

1st. - It is a place where we can learn about the Bible and study it. Just as we have to study several different subjects in school in order to have a well-rounded education. God's word must be studied in order to be spiritually grounded. With so many different churches and denominations today, it is easy for people to become confused as to which one is right. A good Sunday School prepares a student to see if a church is what God expects of it.

2nd. - It trains children how to respect the House of God and we are told in God's word - if a child is trained in the way he should go, when he is old he will not depart from it.

3rd. - As Sunday School of our local school, it trains me for a part of the church work, which I may have to do later.

4th. - It gives each person a chance to express his ideas and through hearing from others - we learn.

5th. - It teaches us how to worship God through our songs, prayers and other activities.

6th. - It helps young people to get acquainted with other young people who have a desire to learn about God.

7th. - It can provide a workshop for young and old to work together.

8th. - Finally even more important than all of these, it can lead souls to Jesus.

Beverly Norris, Cutler

The subject is what my Sunday School means to me. First of all, my Sunday School means as is stated in the Bible, John 3:16, For God so loved the world that He gave His only begotten Son and that He gave Him to all who believes in Him will have eternal life,

"WHAT SUNDAY SCHOOL MEANS TO ME" - Continued

this is what I learned in Sunday School. Therefore my Sunday School means that I will have a home in heaven because I accepted Jesus in my heart and do His will and follow His teachings. My Sunday School means to me that I will love my friends and enemies too, and that the things I learn about God in Sunday School has always helped me in my everyday school. Most of all, my Sunday School means that if I follow the teachings of the Bible as I have been, it will help me and above all hardships and sickness and other troubles that might come into my life. The Bible teachings I learned at Bible school to bear them all. Won't you form the habit of coming to Sunday School and study the work of God with us? I pray that you do before it's too late.

Bonnie Powell, Parkersburg

To me, Sunday School has many meanings to different people, but to me it means learning more about the Lord and an understanding of His word the Bible. It doesn't mean a place where I have to go every Sunday, but a place that I enjoy going to, to learn many new and important things concerning God's word. If you go to Sunday School because you want to then and only then does one really learn and understand the things of God.

Sunday school also is a means of teaching children the kind of adults they should grow up to be and not attempt to live everything in a fast pace. Yes, my Sunday School means an awful lot to me because it is teaching me to be a Christian and to obey God's word at all times.

Elizabeth Queen, Parkersburg

To me, my Sunday School means learning more about the Church and the Bible. It's a place to express your thoughts about Christ. I learn there about the people of the Bible and the things that happened long ago. There it teaches me to trust in God, always. Do I think I'm doing the best for my Sunday School? Yes, I think I'm doing my best for my Sunday School because, I'm learning how Jesus can help me if I only trust in Him.

Bonita Morrow, Dayton

My Sunday School means a lot to me because we learn about the Bible and learn the difference between good and bad. We also have interesting lessons taught by Mr. Turner. I like it because it's a place to express your feelings about God. I'm doing the best I can in my Sunday School by bringing friends to church whenever possible.

Peggy Kinney, Hillsboro

To me, Sunday School is a beginning, a starting point. A place where everyone can take part in discussing the Word of God. By taking part, it gives each of us a greater desire to learn more. It's a place to learn more of God's word, His will and His way. Sunday School is to me as food is to the body. His word is food for the spiritual soul. Our Sunday School can train our youth so as one excepts Christ, they will be prepared in Christian training. Our Sunday School should have God called teachers and officers. Because this is the only place where a lot of children hear anything about God. As was written by David, "I was glad when they said unto me, Let us go into the house of the Lord."

Delores Sephus, Bartlett

Sunday School is a gathering of people of all ages to learn about Jesus and all of His workings. At our Sunday School, we receive new books every three months. In the adult books, there are stories of everyone throughout the Bible. To me, Sunday School is very

"WHAT SUNDAY SCHOOL MEANS TO ME" - Continued

educational. You gather wisdom in Sunday School. We should look forward to Sunday School. We sing, have prayer, then read our lesson. Then, we go into our separate classes, and study our lesson. It is very rewarding, and challenging to answer questions that your teacher asks. The more you pay attention to what the lesson is about, the more you learn about happenings in the Bible. Usually, the very main important points of the Bible really stay in your mind if you concentrate.

Sometimes, though, the lesson and the questions are very challenging. The lesson may be from a part of the Bible that we do not study very often. All in all, everything in the Bible is very real, and very wonderful. "For the word of God is quick, and powerful, and sharper than any two-edged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the hearts." Hebrews 4:12. So really, Sunday School is a very important part of our services. We learn about God, and we must study to show ourselves approved. Everyone has a wonderful opportunity to learn in Sunday School. As secretary, I am trying to do my part to help improve our Sunday School, by having accurate reports and work for the Lord.
