Standing Resolutions

1. The Conference President shall in his quarterly meeting see that adequate insurance is carried by each church on its property.

2. The pastor's Statistical Report must be passed by the Conference Treasurer and the Committee on Character, and must be presented to the Statistical Committee before being read to the Conference body.

3. The Conference shall elect a Nominating Committee for the Conference year which shall be a standing committee of five members with the Conference President as member ex-officio. This Committee shall nominate the chairman and members of committees and the third member of the Publications Committee. Each committee on this report shall be presented to the conference body separately and time allowed for nominations from the floor.

4. We recommend that the local treasurer's books shall close at midnight, June 30, and that the Conference Treasurer close his books effective midnight, July 7, and that all statistical reports are to be sent in by that date to the Conference Treasurer, and he in turn send them to the statistical chairman. All money received after that date is to be applied to a budget item on the following year. The Conference Treasurer of the Missionary Society, Wesleyan Youth and Y. M. W. B. send a report immediately after their books close to the Conference Treasurer, listing amount paid on each budget item from each church.

5. The Conference shall convene the first Monday night of August each year.

6. The Conference Trustees shall serve as the Committee on Church and Parsonage Location and Building.

7. All Ministers and Delegates attending the entire annual conference and camp are to be given rooms in preference to those not active in conference business.

8. No divorced person who has been remarried shall be ordained in the Kentucky Conference.

9. All Conference officials shall assume office in the next meeting following the election.

10. No charge shall call a pastor or a supply from other conferences or denominations as long as there are available ministers in our conference qualified for the work. The Conference President, after having exercised his prerogative in the reception of ministers coming from other conferences or denominations, shall immediately refer them to the Committee on Itineracy and Elders' Orders, which shall make a thorough investigation as to the ministry and life of such applicants and shall report their findings to the President, after which appointments may be made.

11. The vote on the pastor shall be taken by ballot the first week in June unless special permission is granted by the Conference President and his advisory board for another date; said ballots are to be prepared by the clerk and the results of the vote shall be reported at once to the Conference President.

12. Let all ministers have their membership transferred to their new appointment, and the Ways and Means Committee shall figure Budget Apportionment after the final reading of the Pastoral Relations Committee.

13. Since television in its present state is so radically demoralizing in its range, be it resolved that Kentucky Conference register its disapproval of anyone within the conference endorsing or owning a television set. Furthermore, be it resolved that the Kentucky Conference will not license preachers or workers, ordain elders or station ministers who own or have a television set in their possession.

14. The Conference President and the Conference Secretary shall be members of the Publications Committee ex-officio.

15. A standing Committee on Ways and Means shall be elected at the regular conference election, of which the Conference President shall be a member ex-officio.

16. Pastors shall read to their congregations the General and Special rules and instructions of the Discipline, the Standing Resolutions of the Conference, the report of the Committee on Moral Reform, and shall urge same to familiarize themselves with the Wesleyan Methodist Discipline.

17. Every preacher borrowing a book from the Conference library may hold it for only one month. There will be a flat rate of twenty five cents for the month and five cents for every day over the month.

18. In this age when immodesty and worldliness are subtly creeping into the Holiness Movement, let every minister of ours earnestly contend for, and faithfully preach the entire word of God without fear or favor of man. Let us refuse to compromise with the ungodly element which is robbing the church of her glory and preachers of the divine anointing.

19. It is hereby resolved and ordered by the Kentucky Conference of the Wesleyan Methodist Church of America, in session assembled this 6th day of August, 1958: That the Trustees of said conference are hereby fully empowered to buy, sell, convey, mortgage or lease property for, or on behalf of said conference, and to sign notes and execute mortgages for said purpose on behalf of said Conference, provided however, that between the sessions of the Kentucky Conference, a majority of the Mission Board, as the designated Board of Managers of the said Kentucky Conference, shall signify their agreement therewith by a special resolution and order authorizing each and every transaction.

1958 REPORT OF CARD-CALL SECRETARY

During the year a list of all active and non-active Card-call members of the Kentucky Conference was secured from the office of the HOME MISSIONS DEPARTMENT for the purpose of notifying pastors of those who had discontinued their response.

The secretary regrets that pressure of school and pastoral duties left no time for the individual contacts necessary for the carrying out of that plan. He is ready to hand on to his successor the addresses supplied by the HOME MISSIONS DEPARTMENT.

Respectfully submitted,
 James M. Ridgway
 (Card-Call Secretary)

Report No. 3

PRESIDENT'S REPORT

Members of the Conference and Friends:

Honor, praise and glory be to the Blessed Trinity under whose favor we meet for another annual conference.

As a Conference we implore divine help for our churches, our pastors and laymen and for the conference gathering. We recognize as ministers that we are the candles of the churches we serve. As His light-bearers God grant us a fresh baptism of the Holy Ghost and divine love; the glorious light of His Word and spiritual insight into all truth; strong convictions in separation from the world along lines of dress and jewelry; disapproval of TV; abstinence from unwholesome radio programs; rejection of the flood of worldly, anti-religious and spurious religious literature. As His stewards we are to conserve and wisely invest our time and earthly store, and seek first of all His glory, personal holiness, and the salvation of lost souls. To this end may He help us to give ourselves to eternal vigilance, to persistent prevailing prayer and intercession for a revival among us that will produce tears, penitence and the fruits of the Holy Spirit. Then may He help us as evangelists to go everywhere winning the lost. Only a mighty visitation of God will spare the Church of today and turn aside the flood gates of hell now embroiling the Church in dissensions and side-tracking us from the main line of soul winning. The nations of the world are speeding toward a bloody haulocast that may obliterate civilization. But Christ has the answer. We are His earthly ambassadors. So let us regard our calling as the highest life and labor this side of heaven.

State of the Conference

Steady material progress has been made over the conference this year. Atwood church has finished off a large bedroom and a bathroom on the second floor of their parsonage. Bloomfield has done repair and redecoration work on their church, arranging the doors in the rear of the church. Brooksbury has installed a furnace in the parsonage. Highland Park has plans to build a needed addition to their parsonage. Brazil pioneer work has purchased a parsonage and covered it with shingles. Franklin Avenue pioneer church has purchased a parsonage, pews, redecorated and improved Sunday school rooms. Madison has finished off an additional room in the basement for a youth room. The Milan church has installed a panelled ceiling greatly aiding the acoustics. Mt. Calvary church has done a good job of interior decorating with panelled walls and acoustical ceiling. Mt. Zion has installed a furnace in a new room under the church, much to the comfort of the congregation in the winter. New Albany has finished off some excellent Sunday school rooms in their basement. New Shiloh has obtained pews and done some finish work and was dedicated in January. Sale Avenue has built practically a new building with basement, heating plant and Sunday school rooms, valued at \$25,000 or more, yet at less than half this in outlay of money. Whitehall has improved the parsonage extensively.

The spiritual condition is most important and we are thankful for the many good revival meetings this year. Yet there is much more to be done than to hold protracted meetings, warming people over a bit and reporting the same seekers over and over again. We need revivals that will result in new converts, changed homes, stirred communities and rectified lives that will bring shouts to new born souls and glory to the saints and conviction to the sinner. May this come as we pray and prevail with God.

Pioneer fields are open for the Kentucky Conference. At least a dozen inquiries or contacts have come or have been made this year, some coming from Illinois, others from Indiana and at least five from Kentucky. We trust that through the new pioneer calendar plan we shall do our best this year to push out into the new fields.

It is heartening to welcome to our midst our brethren coming to us from the Missionary Bands of the World and the six churches or preaching points, four of them organized, another being a preaching point and another a building from which we hope to launch a pioneer effort soon. The new members will add between 50 and 75 to our membership. We welcome them all as Wesleyans who have the same doctrines and experiences as we do.

President's Activities

This year the President has held 33 quarterly or business meetings, preached 128 times, attended numerous conference board meetings, several pastor's pioneer rallies, four Marion College Board Meetings and a number of committee meetings on this Board, various revival meetings, the Ministerial Institute, conducted three prayer meetings, taught Sunday school seven times, as well as cared for his desk work and edited the Messenger.

Report No. 6

COMMITTEE ON MORAL REFORM

We urge the re-emphasizing of our Bible teachings of regeneration, sanctification and separation. The imminent return of our Lord is the greatest Biblical argument for a pure, unselfish, devoted, unworldly, active life of service.

Let it therefore be resolved that we vigorously protest against liquor and similar vices by every means possible, including a refusal to patronize merchants who handle the same.

We shall likewise register our opposition to nudity and the wholesale prostitution existing in the Armed Forces and National life by exalting a virtuous life and instructing our young people and parents.

Be it resolved that all Christian parents seek to establish and maintain the family altar, and to create a spiritual home atmosphere, in an effort to guard our household against insidious invasions of evil influences, and to save them for God and our church.

Since dancing has become so prevalent in our public school systems, and since our youth are faced with a problem in not participating, and since our conference disapproves participation in such, we recommend that each pastor take a firm stand against dancing, and instruct the parents and young people of his church accordingly.

Be it resolved that we strongly oppose the evils of our day such as television, worldly conformity in dress, make-up, nudity, mixed bathing, divorce, questionable practices in our public schools, the use of tobacco, dope such as marijuana and heroin, etc.

H. Blaine West, chairman, Kenneth Reynolds, Tempie Weaver, Grace Newman, Paul Mills.

Above all, we urge all churches to pay their budget for this worthy item so as to keep our pension members drawing their full allotment which is not great, but it is helpful.

REPORT OF SUNDAY SCHOOL SECRETARY

Statistically the year's records do not show much change, certainly not the healthy increase that we would like to see. This condition should be a matter of self examination for us all. Why do we come to Conference year after year with reports little different from the previous year? Of course we understand that in some spots there is not much change in population, but in the city and town areas the increase of population is rapidly increasing, yet many people are unreached largely because we failed to put forth sufficient effort to win them.

We are glad to see an increase in the number on the Cradle Roll, but we deplore the fact that only twelve schools have Cradle Rolls. Then again only two Home Departments are reported. Please understand that we press the needs for more of these departments not merely to add numbers but to serve the needy lonely old people and to win them and the parents of small children to Christ. We need to tend the whole flock, to search out the neglected ones who are so often passed by unnoticed. Our Lord Jesus in His earthly ministry so often ministered to the very ones His disciples would have passed by. He is the one we are to follow and lift up.

Our common excuse, we "don't have time," applies generally because we don't take time. We let things of lesser importance crowd out the spiritual ministries that would "save both thyself and those that hear thee."

We had just four Vacation Bible Schools and should have fifteen. We surely can do better next year in this wonderful field of our work.

The total receipts in money went above any previous year to a total of eleven thousand dollars, of which \$3,000 went to the various benevolent causes, to Foreign Missions \$101.00 contributed by six schools, of which Means gave \$37.00, Home Missions \$136.00 given by three Sunday Schools. This reveals the truth that there is need for common emphasis and instruction in missionary giving in all of our schools. The Thanksgiving Offering was \$456 and to the Connectional Sunday School work was given \$380.00. However the percentage of benevolences as compared to funds used for supplies is about 27% which is very commendable, yet our goal should be as much for others as for ourselves. We believe that pastors and superintendents by more frequent presentation of missionary programs and materials can bring into the lives of their schools a better understanding of missionary work and enlist them for larger service in the evangelization of the world, in obedience to our Lord's command. Mt. 28:19, 20.

PRESIDENT'S REPORT

To the Women of the Kentucky Conference W. M. S.

We praise the Lord together for another privilege of conference gathering.

You are here to represent the local group and I stand before you to represent the whole group. God has given us two new societies this year; Holton, Indiana and Asbury Seminary group. Where there is unity there is strength and we welcome these two new societies and unite our prayers together with them.

We were a privileged people this spring to have had Malcolm and Virgie Ellis to tour the conference. We have continued their field support this year and raised \$700.00 on a new vehicle to be used when they return to Africa. It was my privilege to travel with the Ellises over most of the conference.

The officers of the W. M. S. have been a great blessing and help to me this past year. I met with the Conference Mission Board numerous times until I moved to Virginia. Have spoken in a few of our churches and met with the Virginia Women together with Mrs. Miller, president of N. C. Women's Society.

I have received \$10.00 for desk fund; \$23.31 for travel expense on the Spring Tour, and \$44.00 from Conference President's Expense Fund. I have written 144 letters and made numerous phone calls concerning the work.

We believe in a two fold work of grace and this has been a two-fold year; Busy and Blessed.

May the Lord of the Harvest help us to take a retrospective view of our labors and make plans for this coming year.

Respectfully,
Florence Dyer

PRESIDENT'S REPORT

Dear Youth of the Kentucky Conference:

We have just closed and are reporting to you on our eleventh year as Conference Wesleyan Youth President. This honor bestowed upon me has been humbly appreciated and we have endeavored to be faithful in administering the affairs of the Youth Department in a way that would be pleasing to the Lord and helpful to the conference. It has been very encouraging to note in the conference that in many of our churches our youth are reaching out for a deeper spiritual life. The effect of this will be seen in the near future.

This has been a very busy year. We have tried to keep in touch with our work on the local, district and general levels. Much of this has been done by correspondence. My activities for the year have been:

- (1) August 1957 —Met with the Youth Camp Committee and made plans for the 1958 Youth Camp.
- (2) October 1957 —Met with the Area Council in Marion, Indiana.
- (3) May and June 1958 —conducted Youth Rallies in every district in the interest of the Youth Camp.
- (4) Edited four issues of the Youth News.

We feel that some gains have been made in the conference; yet there is still much room for improvement. We are grateful for the cooperation of each district and local officer and the pastors who have stood behind the work. The Conference Executive Committee and Youth Camp Committee have been a great help in promoting and assisting in the work of the year. We feel that we have had special guidance of the Holy Spirit in every activity of the year.

As we look forward to a new year, let us go forward with confidence that God will lead us on to even greater achievements. We sincerely urge the youth of our conference to keep spiritual and to be a student of the Bible and to be "strong in the Lord." This will produce a group of young people in our conference that will challenge the world to Holy character and living.

My sincere thanks to each of you that have made this a pleasant year.

Yours for our Youth,
John W. Basham

REPORT OF THE LOUISVILLE DISTRICT

The Lord visited with us in our rallies of the past year. There have been 8 rallies held, one in each church of the district and two on the Campground.

Among the rallies was a New Year's Eve Watchnight Service and a Sunrise Service on Easter Morning. The Louisville District sponsored another Junior-Senior Banquet which was a gracious time of fellowship to our Young People. Rev. Donald Fisher, president of the Ohio Conference, was the speaker.

The Louisville District has continued to share in the support of David Ellis, little son of our missionaries.

We are looking to the Lord for greater things ahead as we come to know Him more intimately.

The New Albany District held meetings during the past year. A few times meetings were postponed because of conflicting meetings. One meeting was a platform service composed of young people from each church which was very successful. A watch night service was held at Pekin when there were some young people from Marion College as speakers. We sought the presence and leadings of God for each service.
