CONFERENCE RESOLUTIONS

1. All Statistical reports shall be filed with the Statistical Committee no later than the second day of Conference.

2. Pastors shall equalize the amounts required for Budget before overreaching any one item, and it shall be the pastor's duty to inform his people at the beginning of the year concerning the amount to be raised and he shall at once proceed to raise the amount assessed his charge.

3. Inasmuch as the work of the Conference demands the attention and attendance of all its Elders and Licentiates, therefore we will not employ as pastor or evangelist any Elder or Licentiate or pass the character of any Elder or Licentiate except by vote, who does not attend the entire session of Conference. The Committee on Pastoral Relations shall not give employment to any preacher who does not meet the requirements of this standing rule, without bringing his excuse before the Conference for its action in the matter.

4. Any minister accepting work on a charge at the hands of this Conference who resigns or abandons it before the year is out without a good excuse or lawful reason, shall be considered by said Conference and it shall take a vote of Conference to pass his character.

5. When an Elder resides outside the bounds of the Conference but retains his membership with a church within the bounds of the Conference a Delegate shall be elected from this church to represent said Elder, the seating of said Delegate in the Annual Conference depending upon the attendance of said Elder at the Annual Conference.

6. Inasmuch as the work of the Conference demands the attendance of Delegates as well as preachers, therefore we discourage the election of any person as Delegate to Conference who does not intend to attend the entire session. Information of the Delegate's intentions shall be incorporated in their credentials.

7. Any member leaving Conference must present his excuse to Conference.

8. We recommend that each church pay two dollars towards the board of each Delegate and pastor at Conference, said amount to be sent with the Delegate's credentials. Also that each church pay the traveling expenses to and from Conference.

THE OHIO CONFERENCE

9. The Secretary shall prepare blanks for Delegate's credentials, including the statement required by the last resolution. Said blanks are to be mailed to the pastors shortly before Conference, and when filled out by them to be sent to the Chairman of a Standing Committee on Credentials if possible, in order that they may be able to report immediately after the opening of Conference. Said committee shall be composed of two members appointed by the President.

10. The Secretary shall send a statistical blank to the clerk of each charge having no pastor, requesting that the same be filled out with all available statistics and returned to the Conference Secretary.

11. For the future the Conference shall observe the disciplinary rule requiring each pastor to read his statistical report on the floor of the Conference.

12. Friday preceding Conference shall be set aside as a day of prayer for the Conference.

13. Robert's Rules of Order shall be the Parliamentary guide of this body.

14. Wednesday afternoon and evening of Conference week shall be designated as Young People's Day.

15. Thursday evening of Conference shall be set apart for public missionary service.

16. We authorize the closing of the Treasurer's books one week before Conference.

17. We recommend that pastors, Sunday Schools, W. H. & F. M. Societies, and Y. M. W. Bands remit all funds raised, quarterly.

18. Pastors shall preach on the subject of church benevolences at least once each year.

19. The first Sunday in October shall be set apart as a day for special prayer to be offered and efforts made to interest and enlist the young people of our Church in its work.

20. Be it required that all pastors of the Ohio Conference attend all sessions of the Camp Meeting unless providentially hindered.

21. All charges receiving a new pastor pay the moving expenses, the amount being agreed upon by the pastor and the church.

22. We order that no money be paid from the Conference Missionary Fund except by written order of the Missionary Board.

WESLEYAN METHODIST CHURCH

23. Each year there shall be incorporated in the Minutes a list of those who have died in the various churches during the year, the pastors being asked to provide the Secretary with the necessary information.

24. The Conference Treasurer, with all persons introduced to the Conference shall be honorary members of the Conference, and shall be accorded a seat within the Conference Bar.

25. Each occupant of the dormitory during Conference is to furnish his own bed linen and towels.

26. The new churches shall be assessed 25 per cent the first year; 50 per cent the second year; and full Budget the third year.

27. Be it required that all our workers, preachers and singers on the platform at Conference and Camp Meeting, wear sleeves at least to the elbows, and all their apparel in accord with the Discipline.

28. We recommend that first, every church in the Ohio Conference be urged to enter every open door that may be found within its borders, and inaugurate a church extension campaign including a special evangelistic program, specializing on Holiness, Church Organization and Church erection. Second, each pastor be encouraged to hold at least one revival meeting a year, for some nearby pastor or at some point adjacent to his charge, with a view to organizing a Wesleyan Methodist Church.

29. We recommend that the Conference Trustees, with the addition of one Elder, who shall be elected by the Conference annually, and who shall be the President of the Committee, constitute the Camp Meeting Committee, they to have the privilege of choosing such assistants as they may desire, in making complete arrangements for camp.

30. We shall have a traveling Conference President who shall receive \$1200.00 annually, said amount to be apportioned to the churches. He shall be required to travel the Conference and counsel and advise with the churches in matters of doctrine, finance and other affairs that effect the spiritual or temporal welfare of the work. To hold at least two quarterly meetings on each charge annually, the slate to be arranged by the President and published in the Wesleyan Methodist. Each charge is to have at least one Sunday each quarterly meeting except where other satisfactory arrangements can be made by the President with the pastor.

31. Inasmuch as it is necessary for both pastor and Conference President to arrange their program for the year, be it required that the President, at the Annual Conference prepare his slate for six months in

THE OHIO CONFERENCE

advance, and post the same on the Conference bulletin board, as a guide for the pastors in arranging their programs for the Conference year.

32. The Conference Secretary shall provide for the pastors, cards to contain the following quarterly report: Amount of salary received, Amount of Budget raised, Number of pastoral calls made, General condition. Said report to be mailed to the Conference President quarterly.

33. All candidates taking the Conference Course of Study shall appear before the Committee on Itineracy and Orders, some member of the Committee, or some one whom the Committee may designate, when taking their examinations.

34. All those having business with the Committee on Itineracy and Orders shall appear before that Committee not later than the second day of Conference.

35. We recommend that all our pastors make special effort to inform all local preachers on their charges of the disciplinary requirements needed preparatory to study and to travel under Annual Conference direction.

36. Inasmuch as it has been the desire of the Conference to get before the people of Ohio, our work, and whereas there has been a marked improvement along the line as regards the work of the Ohio Conference, therefore be it Resolved, That each pastor of the Ohio Conference take steps immediately following Conference to make or have made a sign or signs properly placed to draw attention to our churches and their locations. Be it further Resolved, That where practicable a picture of John Wesley be incorporated into the sign. Be it further Resolved, That as a matter of uniformity, the President be empowered to appoint a Sign Committee to suggest a general design for use of the churches of the Ohio Conference.

Report No. 4

REPORT OF THE MISSIONARY BOARD

During the past Conference year the Missionary Board continued an enlarged survey of prospective fields and followed the policy similar to that which we outlined in our report of last year, and for this summary we refer you to Report No. 4 of the 1936 Conference Minutes.

This has been a year of extremely difficult problems and we have sought to profit from previous experiences in the solution of these problems as they confronted us. We have felt it wisdom to endeavor to use all of our means in the opening and organizing of new works in the state. In one or two instances we have departed from this plan to assist some of the newer organized churches to enable them to become firmly established.

We have investigated eight of ten cities and towns with a view of organizing Wesleyan groups. During the year we have held missionary evangelistic services in all of our churches and missions with three or four exceptions.

For a period of longer than three months we conducted a mission in Wooster but we were forced to abandon this field temporarily because of the impossibility to find any suitable building in which to worship.

Immediately following Conference we appointed a superintendent of Westerville Mission. About April 1st Rev. C. L. Wright was appointed to supervise the work for the balance of the year. We believe we are in Divine Order as we seek to carry on this work. Though having shown little outward growth it is a conviction with us that Westerville is a logical place for a Wesleyan Church and it should be continued.

Due to the conditions beyond our control we discontinued the supervision of Verona Mission.

The Missionary Board has traveled more than 2500 miles in church visitation and canvassing prospective territory. In soliciting the churches in flood area as to their need we received and sent about \$53.00 to assist our church at Portsmouth.

We find in the treasury at the close of this year a balance of approximately \$200 in the Conference Missions funds. For three months we have been unable to undertake any new work because our funds were depleted. If your board is to work all through the year in the extension program, missionary funds must come to us at least quarterly rather than a pull being made just prior to Conference which leaves us a balance but prevents our activity when funds are low.

To assist our people to see that Conference missions pays in Ohio we submit some items collected from our Conference Minutes between the years 1923 and the present. During this period twelve of the

THE OHIO CONFERENCE

churches which we now have, have been organized. There has been an average expenditure of \$560 a year, while there has been a total return in budget from these twelve new churches of over \$3700. For the Quadrennium 1931-1934, \$926 was spent for Conference Missions, while the budget returned from new churches was \$1355. Out of a total budget from the whole congregation of \$7107, nearly twenty per cent of the budget from those years came from new churches. In 1935 \$283 was spent for Conference Missions while the budget from new churches was \$637. Last year \$610 was spent for new churches. In other words about one quarter of the total budget raised last year came from churches which have been organized since 1925.

We have by no means exhausted the possibilities of extension in Ohio. There is much land yet to be possessed and with a continued enlargement of our vision which we find evidenced everywhere in Ohio Conference and with the prayers of our people the future is bright with prospect.

Respectfully submitted,

MISSIONARY BOARD.

Report No. 5

REPORT OF THE CONFERENCE PRESIDENT

To the Members and Friends of the Thirtieth Annual Session of the Ohio Conference: Greeting.

The past year has been in many respects a year of crisis. Many times the way has seemed hedged in but by the grace of Him who giveth the victory, there has appeared a way through. In spite of the conflicts and the obstacles which so often seemed insuperable, God has vouchsafed to us some very marked victories in the various churches.

We desire to thank our people for their coöperation during the year. We note a greater interest in many of the churches in the work of the Conference. And this is needful. Only as we feel that the work of the Conference is our work, shall we have a right to expect the fullest progress and expansion throughout the Conference.

We believe that there are some respects in which some of our pastors might the better make full proof of their ministry. Judging from pastor's reports submitted to your President, there appears to be need of greater zeal and action in the reaching of the people of the various communities by the means of pastoral visitation. We also believe that the work would profit greatly from a greater coöperation on the part

WESLEYAN METHODIST CHURCH

of our pastors with the various subsidiary organizations of the church, such as the Sunday School, the Young People's Society and the Missionary organizations.

Let us put our very best efforts into the work of spreading scriptural holiness over Ohio.

I entered upon the work of the traveling Presidency immediately following the camp meeting of last year. I have endeavored to the best of my judgment and ability to do the things which were most calculated to assist in the upbuilding of God's work in the hearts of men. I have often been confronted by problems and conditions which have driven me to "wit's end corner." I desire to testify that in such emergencies God has graciously undertaken, solving problems which seemed past solution, and removing difficulties which appeared immovable. To Him be all the glory!

I have held sixty different meetings in pursuance of the regular work of the Presidency. These meetings have been of an average duration of about two or three days. Besides these meetings, I have made nineteen extra visits to various places, mostly in response to some special need. I have traveled nearly 10,000 miles in the work of the Conference at an expense of not less than \$160.00. These figures do not include trips or visits made with the Missionary Board which will be separately reported by them.

During the year I have received from the churches the sum of \$978.81 and from the Conference Treasurer \$138.40 making a total of \$1117.21.

My official actions during the year have been as follows:

Soon after Conference the following disposition was made of the churches left in the hands of the President.

1. Fairmount was supplied by Miss Marian Dietz.
2. West Dayton was supplied by Loran Irby.
3. Olive Green was supplied by H. B. Wilson.
4. White's Chapel was supplied by Floyd Ice.
5. Fairview was placed under the supervision of Donald Howard, assisted by Adolph Brown.
6. On August 21, Baker Chapel was placed under the supervision of E. C. Kenney. This appointment has mostly been supplied by Melvin Mitchell, a local preacher from Athens who has given satisfactory service.

THE OHIO CONFERENCE

7. On August 30, I accepted the resignation of E. E. VanHoughton from the pastorate at Coshocton. On September 23, I sanctioned the choice of V. O. Priddy as new pastor.

8. On September 9, I gave Walter Jeffries permission to conduct services at Curtis Ridge.

9. On September 9, I granted a letter of standing to E. E. VanHoughton.

10. On September 16, I received the resignation of A. F. Mahler from the Piqua Church, said resignation to take effect December 1. After Brother Mahler left the pulpit was supplied by K. M. Lewis, John Woodhouse or myself until December 27 when Rev. Loran Page was secured for a revival meeting, which bore some fruit of a lasting nature. Brother Page could not remain as pastor, so on January 17, K. M. Lewis was appointed to supply. On February 9, I sanctioned the choice of Warren M. Davis as permanent pastor. In spite of such checkered fortunes the work at Piqua is now improving and holds good promise for the future.

11. On September 20, I organized a class in Portsmouth. Rev. Ira M. Ison had been conducting meetings there for some time. Twenty-three members were received at first but the membership has about doubled since then. Brother Ison has been continued as pastor.

12. On October 8, I granted L. L. and Mary Folger transfers to the Indiana Conference.

13. On October 16, I appointed Mrs. Fred Fields to succeed Clyde Sedgwick at Sugar Creek.

14. On December 23, having been notified by D. H. Ferguson that he had joined a local C. and M. A. Church, I granted him a certificate to the effect that he had been an Elder in good standing.

15. On November 6, I withdrew my consent to the pastoral arrangements at White's Chapel by requesting the resignation of Floyd Ice. Since then Fred Fields has supplied the work to some extent.

16. In March, Adolph Brown was dismissed from Fairview and Brother Howard carried on the work with the assistance of Ira Shanafelt, a student from Cleveland Bible Institute.

17. On March 9, on presentation of his Elder's orders from the M. E. Church I received Warren M. Davis as an Elder in the Ohio Conference.

WESLEYAN METHODIST CHURCH

18. On March 13, I gave permission to Frank C. Berry to carry on services at State Street, Marion.

19. On April 12, on presentation of Elders credentials from the Indiana Conference, I received V. O. Priddy into the Ohio Conference as an Elder.

20. On May 30, I authorized J. M. Williams to organize at Sunbury. Said organization was completed on July 15. The class is composed of five members.

21. On June 11, I granted John Hunter a transfer to the Dakota Conference.

22. On July 12, I received written notice from H. H. Wilson that Olive Green Church had withdrawn from the Conference.

23. On July 18, I organized a class of twelve at Fly, Ohio. This work is in a very needy locality and shows great promise.

Submitted in the fear of God,

LESLIE D. WILCOX, President.

McCarty, was the speaker of the evening. Brother McCarty, by the use of slide pictures was able to bring to us a part of Japan, thus making it indeed most interesting. Then too he brought a vivid word picture of general habits and customs of the natives of Japan, described some of the problems with which our missionaries must contend.
