A waiving of the above by a contract or lease of building must be obtained through the Board of Trustees of the Indiana Conference.

2. That the Committee on Itineracy and Elder's Orders shall require all those desiring to unite with us from any other denomination or Annual Conference to present credits equivalent to our Conference Course of Study, regardless of their standing in the body of which they have been a member, and if they cannot do this they shall be required to meet the same conditions as our local preachers before ordination.

3. Any candidate for Elder's Orders or traveling under the direction of the Conference, who fails to attend the Institutes and the examinations of the Committee, without sufficient cause, shall be deemed unworthy of the trust and care of souls, and refused a place among us as a minister of the Gospel, and when they shall fail to attend the Institute for two successive years they shall be dropped from the roll.

Report No. 9

REPORT OF THE SUNDAY SCHOOL BOARD

We, your Conference Sunday School Board respectfully submit the following report.

Under the blessing of God our Sunday Schools are able to report increases on all items but one. Increase in enrollment 630; in average attendance 1281; in conversions 41; in benevolences \$1890.51; in D.V.B.S. 3 schools, with increase in enrollment of 237 and an average attendance of 172. We thank God for these favorable signs of His blessings.

In the item of converts joining the church we have fallen—120 under that of last year. May we put greater emphasis on this in the year before us.

Three Training Schools for D.V.B.S. workers were conducted by well qualified leaders under the direction of the Rev. E. J. Mills. These were well attended and did much good.

Conventions were held in each of the eight Districts with gratifying results.

We recommend that the District remain as last year (see page 4 in the minutes) and that the Superintendents be as follows and that conventions be held on the dates and at the places indicated:

District	Superintendent	Time and Place
1.	George Ott	October 24, Silver Lake
2.	Will Ott	October 23, Hamlet
3.	C. D. Crabill	October 25, Portland
4.	Garl Shaw	October 22, West 8th St.
5.	C. A. Hoover	October 18, Greentown
6.	Emerson Chapman	October 17, Hartford City
7.	Everett Wilson	October 15, Blue River
8.	Noel H. Winterholter	October 16, Cicero

The general results of Rally Day were gratifying, showing a gain of about 700 over last year and an offering of almost \$1900.00 for the president's home. 58 schools reported a record attendance for Rally Day of 1945. We recommend that Rally Day be September the 29th, 1946 and that every pastor and all Sunday School Workers plan toward breaking all former record attendances and plan a follow up that will hold a good percent of the gain.

A report of the results of Rally Day should be sent at once to the Conference Sunday School Secretary, the Rev. E. J. Mills.

We wish to express our deep appreciation to all who have helped to make the gains reported possible; and trusting that the year before us shall bring greater gains, we solicit the prayerful co-operation of all who are interested in the growth of our beloved Zion.

Respectfully submitted,

E. L. GLOVER, Conference Sunday School Secretary.

REPORT OF THE COMMITTEE ON RESOLUTIONS

Your committee on resolutions submits the following report:

First: That we unite our prayers for a fresh outpouring of the Holy Spirit to the end that in this age of atomic power we may meet the challenge of moral reconstruction with the dynamic of the positive gospel which is still "the power of God unto salvation to every one that believeth."

WESLEYAN METHODIST CHURCH

Second: Whereas the liquor traffic has become deeply entrenched in the personal and national life of our country to the extent that 50 million Americans drink, 20 million of which are women and of this number three million are excessive drinkers, of which 750 thousand are known alcoholics;

and whereas the annual expense to the Federal government for the treatment of alcoholic wrecks in mental institutions alone has reached 18 million dollars;

and whereas our National government in 1945 spent more than 1½ million dollars of our tax money for alcoholic beverages in diplomatic entertainment; also that our government is now manufacturing and selling intoxicating liquors;

Therefore we believe it to be the Christian duty of every minister and layman to use his influence to secure for the State of Indiana a local option law that will enable any community by majority vote to prohibit the sale of liquor within its bounds.

Third: Whereas it is evident that the hierarchy of the Roman Catholic church is actively engaged in hindering and blocking wherever possible the granting of passports and visas to Protestant missionaries;

Whereas it is evident that the Roman Catholic church is making desperate bid for political power in the U. S. A., so much so that because of having 75% of the personnel of our State Department Roman Catholic she is dominating our foreign policy.

Whereas it is her admitted aim to get sufficient power in the U. S. to curb the freedoms of speech and of the Protestant religion.

Be it resolved that the pastors of our church sound the warning to our people to be on their guard by, 1, Not voting for any Roman Catholic for public office; 2. By strenuously opposing every effort of the Roman Catholic Church to secure public funds for transportation of her children to her parochial schools and for the purchase of books; 3. By asking the General Conference of our church to petition the President of the U. S. to withdraw immediately his personal ambassador to the Vatican, Mr. Myron P. Taylor, whose presence at the Vatican is contrary to the spirit of the Constitution of the U. S. and contrary to all our historically and accepted standards of the separation of Church and State.

President's Message

To the youth of the Indiana Conference:

In the providence of God, we are privileged to meet again on these grounds of the Indiana Conference in the capacity of the Wesleyan Young People's Society. We ask you to unite with us in praise and thanksgiving to God for the blessings which He has so richly bestowed on the Young People's work of the conference.

In looking back, we are reminded that God has led in the problems and has given gracious victory. Our hearts are made to rejoice in the providential return of many of our Youth from the armed forces. Yet sadness comes in realizing some will never return.

Progress has been made in our youth work during the past year. The

WESLEYAN METHODIST CHURCH

conference W. Y. P. S. has taken an active part in pioneer evangelism. The Monticello work has been supported with finance and earnest prayer. I covet your prayers for this project. Also the youth have heartily supported the Anderson, Arrow Avenue work. As the W. Y. P. S. conference and proper committees see best, we should continue to manifest an interest in these projects by our support. I am sure that God is blessing the youth movement of the Indiana Conference for their part in the pioneer evangelism of the conference.

A major feature of the work of the conference W. Y. P. S. was the launching of the Youth Camp. The Youth Camp's success under the blessing and anointing of God is a well known fact. As president, I express sincere appreciation for the whole hearted support of the Youth Camp Program as well as for the support and cooperation for our entire youth program. I feel that the youth camp should and must continue through the years to come. The future looks bright for our youth movement and under the leadership and direction of God, Wesleyan Youth moves forward.

I exhort you to be true to the rich heritage of those who made Wesleyan Methodism possible. You will be called upon to fill key positions in our church life as laymen and ministers in the future. Be prepared with God's help to accept every responsibility in the local, district, divisional and state W. Y. P. S. and you shall share the rewards which God shall bestow.

I close with the exhortation of the apostle: "Let no man despise thy youth; but be thou an example of the believer, in work, in conversation, in charity, in spirit, in faith, in purity." I Tim. 4:12.

Signed:

Russell J. Klinger

May we as youth, hold the line, contend for a Spirit filled, Spirit led, and holy living among our youth, that others might see and know the joys of Christian living.

5. May we as youth do more to evangelize the world, by our prayers, finance, attendance of the house of worship, and our backing the project of pioneer evangelism.

6. We recommend that the W. Y. P. S. Conference President's address, the report of the Ways and Means Committee, and the report of the Resolutions Committee be read at a public service and attention directed to the meaning of these reports by one of the delegates to the Annual Conference as soon as the new minutes are out.

Report No. 1

PRESIDENT'S MESSAGE

Dear Women of the W. H. & F. M. S. of the Indiana Conference: Another year has swiftly passed by. It has been a busy year and we trust a fruitful one. Our women as usual have been lovely to work with, the district superintendents and local presidents have all been very co-operative. We are anticipating a good financial report.

All societies contacted have given liberally for all appeals. Equipment was purchased for Miss Peggy Rickey who is now serving the church in South America; for Miss Marguerite Poe and Mr. and Mrs. Ralph Coleson who are soon to go to India. Societies or districts purchased a Mimeograph machine and a washing machine for India, kitchen equipment for Marion College and the men of the College purchased a stoker for the Missionary Center. Liberal gifts were made to various arms of the work, especially to

WESLEYAN METHODIST CHURCH

Church Extension. All of these items with many personal gifts to missionaries were above the budget.

Rev. and Mrs. William Wager and their eleven-year-old son have been elected to go to China. They are booked to sail in August. We pray God's blessings upon them in this new field of missionary activity.

We covet your prayers for this session of Conference, that the Holy Spirit may guide us in all our decisions, that His presence may be manifested in our midst.

manifest; for a year's cessation of hostilities and the return of loved ones, for doors opening in new territories, for safe passage of missionaries to and from fields of labor, and for Spirit-filled leaders.

2. In these latter days when the tide of evil is rising higher and higher be it resolved that we will labor more earnestly to build a wall of defense around our children through intercessory prayer, through right examples of conduct and dress, through pushing the Daily Vacation Bible School and the Young People's Society projects.

3. Resolved that we devote ourselves to a deeper spirituality in our own lives, a larger missionary vision for our own community and a greater effort to preach the Gospel to every creature.

4. Whereas Marion College has proved her worth to the church and whereas the need is increasingly apparent let us continue to pray and to give of our means for the new building.

5. Let us strive to adequately supply the needs of all our Home Mission workers by including personal items for each missionary with the boxes sent.

6. Believing that reforms are in harmony with God's plan for human betterment, we do hereby resolve to take an open stand in the fight against the liquor traffic and the use of narcotics which are so ruinous to the youth of our land and in every way possible promote temperance education.

Respectfully submitted,

PLAN OF WORK COMMITTEE

We recommend:

1. That the report of the delegate and the "Plan of Work" be read in the first service of the year, and that special requests for prayer, submitted at Conference, be presented by the delegate to the local Society.

2. That each missionary service be intensely spiritual, and that devotional services shall involve more definite prayer for our missionaries, and a varying program for Spiritual Enrichment.

3. That there shall be parliamentary law drills at least once a year by a capable instructor.

4. That programs for the year be planned in advance, and that W. H. and F. M. S. Program Calendars be used. (Available through our General Secretary, Mrs. Mabel Perrine, Rives Junction, Michigan.)

THE INDIANA CONFERENCE

5. That the Efficiency Standard be read twice, and that each society shall earnestly strive to reach the goal.

6. That we co-operate heartily with our publisher in securing the additional 2000 subscriptions for our magazine before General Conference.

7. That the work of the District Chairman, so successful last year, be continued.

8. That the Study Book be used as soon as available.

9. That Guest day be continued when the society entertains a neighboring society.

10. That we co-operate with the prayer partner plan.
